Mr. W. P. Ford, Keeper Cape Mears Light Station, Bayocean, Oreg.

Assistant Superintendent C. W. Leick has advised me of the good work done by you, 1st Assistant Keeper Gust Jansen and 2nd Assistant Keeper John Matala during the past summer. He states that a great deal of intelligent labor has been expended on the lighthouse road, 5 miles long, and that he found it in excellent condition throughout its length. Furthermore during the progress of general repairs at the station, under his direction, all of the Keepers willingly furnished assistance whenever they could do so. This testimony that you have not confined your official activities to your regular station duties, the latter not being neglected, however, is evidence of efficiency which the Inspector is pleased to commend.

A copy of this letter will be given to each of your Assistants and the Commissioner of Lighthouses will be advised of its contents.
