Hon. W. W. Chalmers,
Member of Congress,
Washington, D. C.

My dear Mr. Chalmers:

Perhaps the writer shouldn't trouble you, with this letter; but knowing you have the interest of all your constituents, at heart, I am going to ask you, to turn this letter over to those, to whom it should have been sent, as I just do not know, where to send it, myself.

The matter concerns an employee of the government, and I can hardly make myself believe, that Uncle Sam tolerates such principles, upon the part of any government employee.

The writer has on Vermont Ave., here in Toledo, some neatly furnished housekeeping apts., and just previous to Xmas, 1928, I rented one of the apts., to Mr. & Mrs. Loyal R. Jennings, Mr. Jennings, is employed by the government, to attend to one of the " Light-Houses " in Maumee Bay, as you know, just a short ways from Toledo.

These people rented an apt., from me, on a Wednesday afternoon, somewhere, about 5. p. m., or perhaps 5.30, and what I wish to call your attention to, is this: From the time they engaged the apt., they paid their rent on time, twice; and the rent was due every week, which is the way I rent them. During the rest of the period, that they occupied the apt., they never paid on time. Mr. Jennings often bragged that he received a pension from the government, and when I asked him one time about paying on time, he said: " When I get my pension, I will pay you three, or four weeks in advance." I said: " I wouldn't suggest, that you do that; but I would like my rent, the first time I call for it, without having to call for it, three or four times."

His wife works for the Telephone Co., and gets paid on Tuesdays, as I understood him, and being aware of this, I ask him if he would like to have the rent fall due on Thursday, instead, if so, I would gladly adjust it for him. He agreed to this, but never kept his word, and continued to make me call from two to four times for the rent. At last I became exasperated at him, and asked him for the apt., because as a liar, he is perfect. He never kept his word, either about adjusting the rent to Thursday, or paying three or four weeks in advance, as he stated he would.

Perhaps the matter seems trifling to you Mr. Chalmers; but when I have finished my statement to you, I believe you will see why I feel justified in writing to you.

On Thursday morning, February 28th, when he paid his rent, I gave him a week's notice, and told him, I would like to have the apt. He said: " Alright, I will look for another place." On Tuesday, March the 5th, I asked the housekeeper, to call on him, and ask him, what time they would be moving out, Wednesday, and he replied: " Oh ! I will be packed and out of here, by 2. p. m."

I drove to the apts., about 2.45 p. m., and on entering the apt., I found that he hadn't even attempted to move; whereupon, I gave orders to the housekeeper, to clean up the apt., as I had already advertised it for rent. The housekeeper will testify to this, that, he came back about 4. p. m., and finding her cleaning up, he wanted to know, what she was doing. Upon learning that she had been given orders to clean it up, he went after his wife, who did not stay at the apt., with him, much, and when she came in, she, and he to, both started in to abuse her, stating: in rather nasty talk, that they would sit in the apt., until six o'clock. After listening to their abuse, the housekeeper, ordered them to keep quiet, and they finally left; but not until Mr. Jennings, said: " Well, if Mr. Bailey wasn't so Dam lazy, he could of came after his rent, when it was due."

This was his way of showing gratitude, for my chasing him, three or four times for his rent. If they were poor people without jobs, it would be different; but to think they both had incomes, and treated me the way, they did, I feel that some one in authority at Washington, D. C., should know. He and his wife took with them, ($3.00) worth of bed-linens, which they are keeping, and have never said anything about enamel-ware, they destroyed in the apt. One other reason, I felt necessary to order them out, was because, he and his wife, quarreled, and my other tenants complained to me about it.

Now, Mr. Chalmers, you may gather the impression, I am hard to get along with, if so, call, or have some one inquire at my place which is located at 2022 Vermont Ave., Toledo, what kind of landlord, I am. One of my tenants, has been with me 2½ years, and another one stayed 2 years, and 8 months, before going to a home of their own. Of course, I shall proceed to get my linens; but I feel sure, you don't blame me, for calling the government's attention to this ingrate, liar, and heartless creature.

Trusting this reaches you promptly, and hoping you will be good enough to deliver it for me, I am

Your Humble Servant,

R. A. Bailey

Sir:

In answer to letter of March 16th in regard to letter that Mr. A. J. Bailey wrote, I was to see Mr. Bailey in regard to same. I had the bed linens at the laundry at the time I moved from his place and told him I would return them as soon as possible which I did but it seems as though he had wrote his letter before I returned the linens. I have had a promise from Mr. Bailey to make this matter right for me in a letter which I hope he does as I have been wrongfully accused. Hoping that explanations will be satisfactory,

Yours respectfully,

May 26, 1938

Superintendent of Lighthouses
Buffalo, New York

Reference is made to your nomination of May 23 for the promotion of Harley E. Johnson from second assistant keeper at $1500 ($1500-1860) to principal keeper at $1560 ($1500-1860) per annum at Toledo Harbor Light Station, family quarters valued at $240 being attached to the proposed position and individual quarters valued at $60 attached to his present position.

An increase in cash pay in the present case is not necessarily involved but it is noted that you recommend Mr. Johnson be given an increase of $60 in order that his gross pay may be one step higher than that of the first assistant keeper. In this connection it is noted also that the first assistant keeper, Loyal R. Jennings, has been in the Service continuously since his original appointment at this station in August 1926, while Mr. Johnson apparently has only about four years of service to his credit. On the basis of the record of service therefore, it appears that Mr. Jennings is deserving of consideration for advancement to principal keeper, and you are requested to advise the Bureau whether or not due consideration has been given him and the reason for not recommending him in lieu of Mr. Johnson. In the event that Mr. Jennings has been given due consideration or does not desire the promotion to principal keeper, information is requested also as to whether there is any other keeper senior to Mr. Johnson or more capable who should be given consideration in this connection. Your further recommendation in the matter is requested.

Reference: (a) Form 73a reporting effective date

The change of the subject employee from keeper (first assistant) at Toledo Harbor Light Station to keeper at the same station without change in pay has been reported by your office as effective October 23, 1939.

It is noted that the family quarters formerly attaching to the position of keeper are no longer available for the incumbent of this position, since the quarters will continue to be occupied by Harley A. Johnson, who has been transferred to a position of light attendant; however, Jennings will continue to have available to him the individual quarters valued at $60 which he has heretofore used. The former cash range of the position to which Jennings is being assigned was $1500-1860. Since the family quarters are no longer available this range will be increased by $240 rather than $180 as shown by your office on reference (a). Therefore the new cash range will be $1740-2100, and Mr. Jennings' cash pay would normally be advanced immediately to $1740 per annum, the minimum of that range. Owing to the inhibition in Section 10b of the Reorganization Act of 1939, however, the pay can not be changed during this fiscal year, and he will continue to be paid at $1680 for the present. The change, however, will require Department approval and the effective date will not be earlier than the date of approval by the Department, notice of which will be forwarded to your office upon receipt in Headquarters.

Jennings, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period May 1, 1942 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. Subject: Loyal R. Jennings; promotion

Reference: (a) Form 73a reporting effective date

The change of the subject employee from keeper (first assistant) at Toledo Harbor Light Station to keeper at the same station without change in pay has been reported by your office as effective October 23, 1939.

It is noted that the family quarters formerly attaching to the position of keeper are no longer available for the incumbent of this position, since the quarters will continue to be occupied by Harley E. Johnson, who has been transferred to a position of light attendant; however, Jennings will continue to have available to him the individual quarters valued at $60 which he has heretofore used. The former cash range of the position to which Jennings is being assigned was $1500-1860. Since the family quarters are no longer available this range will be increased by $240 rather than $180 as shown by your office on reference (a). Therefore the new cash range will be $1740-2100, and Mr. Jennings' cash pay would normally be advanced immediately to $1740 per annum, the minimum of that range. Owing to the inhibition in Section 10b of the Reorganization Act of 1939, however, the pay can not be changed during this fiscal year, and he will continue to be paid at $1680 for the present. The change, however, will require Department approval and the effective date will not be earlier than the date of approval by the Department, notice of which will be forwarded to your office upon receipt in Headquarters.

By direction,

C. H. JONES,

SUPERINTENDENT OF LIGHTHOUSES,

Sir:

In reply to your letter of May 2, 1939 regarding the qualifications of Mr. L. R. Jennings First Assistant Keeper:

I have been associated with Mr. Jennings since 1932 and at no time during this period have we had any disagreements as I have found him agreeable and fair in all his dealings with me.

He has sufficent mechanical ability to enable him to take full charge of the station. We have worked together in the overhauling and repairing of the motors and to date we have practically covered all the mechanical overhauling that would probably happen here excepting a complete break-down.

In the supervision of the assistant keepers I believe that Mr. Jennings would be firm in his orders and that he would see that they would do the work properly and I believe that he would be fair in his dealings with the assistants under him.

Respectfully submitted,

Harley E Johnson.

Keeper.

Re: Ruth Frocks, Inc. vs. Loyal Jennings, Amt. $21.33

Dear Mr. House:

Several months ago I wrote you asking your cooperation with reference to a judgment debt owing by Loyal Jennings, an employe in your department in Toledo under Mr. Harley Johnson. In answer to my letter, relative to the above, you assured me that I would have your cooperation in having Mr. Jennings pay an honest long past due obligation for his wife's clothing.

If I were in a position to attach or garnishee Mr. Jennings' wages, as is the custom against people who just will not pay an honest obligation, although they are fortunate in having steady employment, I would not hesitate to do so. In this case, Mr. Jennings is hiding behind the cloack of a law which protects people who will not pay their bills as against those who have perfectly honest and legitimate claims.

This debtor and his wife have made numerous promises, none of which have ever materialized, and I trust that you will kindly help us, through some means or other, in having this debtor pay an honest debt. I feel certain that if some pressure is brought to bear through your office that he will show more respect to it than he will through any letter of mine, unless this party is not even influenced or induced by any decent suggestion you may have to make or might have made in the past.

In any event, I trust that you will lend us your efforts in having this judgment paid, for which I shall be very grateful to your department.

Thanking you, I remain

Sir: In repily to offics letter Sept 11th in regard to judgement of A.M. Steinberg. I have taken care of the bill through my Lawyer Mr. Britz. Your offics should have letter from Mr. Britz by this time in regard to same. And for me Taking care of my financial affairs I have tried to but this bill was one I had no knowlage of until after the judgement was taken. I have tried hard to keep my records clean and pay my honest debts in the past 2 years and had the Ruths Trocks let me know of this bill although they did give credit when they should not have done so. I would of dealt fair with them and there would of been no cause for all the trouble. However there has been an agreement between Mr. Britz my Lawyer and Ruths Trocks in regard to bill. I hope this to be satisfactory with the offics.

Your letter with reference to claim of A. M. Steinberg for bill amounting to $21.33 in favor of Ruth Frocks, has been received. Mr. Steinberg states that he has a judgment against you for this amount, and if you have any doubt as to your liability under this judgment, it would be proper for you to obtain legal advice, since this office is not in a position to advise you in this respect. You are requested to submit further report on this matter so that reply may be made to Mr. Steinberg as to your intentions.

In this connection, you are also advised that it would be to your interest to conduct your financial affairs in such a way as to avoid complaints. As you have heretofore been advised, regulations for this Service require all employees to pay their just and honest debts.

Dear Sir:

Received your letter of August 15, 1939, with reference to the judgment in favor of Ruth Frocks against Loyal Jenning and Margaret Jennings in the sum of $21.33 including costs.

Since I last wrote you relative to this bill, I again received a promise from Mrs. Jennings, stating that she would be in Monday, August 21st, which, of course, as usual, she has failed to appear, and again the office received a telephone call from Mr. Jennings, stating that he would call at my office September 4th, so you see all we have received in the past and it appears all we will receive in the future are a lot of telephone calls and appointments which never seem to materialize.

I don't know what action I can take with reference to compelling debtors to pay an honest obligation other than calling upon your good office to assist. I assume that this matter was brought to Mr. Jennings' attention, inasmuch as I have had two communications from them but no payment on the judgment.

Trusting that you will kindly be of further assistance in the liquidation of this matter, thanking you, I remain

Mr. House,
First Assistant Superintendent,
Harbor Lights,
Buffalo, N. Y.

Dear Mr. House:

On June 27, 1939, I was compelled to file suit against Loyal and Margaret Jennings, the former being employed in Toledo out of your office. This suit was for clothing in the sum of $21.33, including costs, in favor of Ruth Frocks, Inc.

I wrote several letters to the Jennings, but received no response. Finally, I communicated with Mr. Harley Johnson, who was kind enough to insist that Mr. Jennings call my office. Mr. Jennings did call and promised that on the 22nd of July, 1939, he would be in and arrange to have the above matter taken care of. Around the 1st of August, I received another call from Mrs. Jennings, stating that she would be in on August 7th, which did not avail.

From past experience I feel that the matter is one of buck-passing and I would appreciate if you could kindly use your good office in demanding that Mr. Jennings pay an honest past due obligation for clothing to his wife. Knowing that it is impossible to attach salaries of government employees, yet in the past, I have received whole-hearted cooperation from superiors where employees would not heed an honest debt.

I have restrained writing this letter, anticipating that the Jennings would, on their own volition, dispose of this matter, but inasmuch as I have exhausted every effort in attempting to have this obligation paid, I am asking if you would not kindly lend your efforts toward the liquidation of this bill. I am sure that your department, like many others, will not tolerate employees to hide behind the immunity of attachment laws, which necessarily apply to all other people.

Thanking you kindly in advance for your assistance in the matter, I am

Very truly yours,

This office does not care to become involved in your personal matters. Dear Sir:

In regard to my husband, Loyal R. Jennings, in U. S. Government Service, Toledo Harbor Light.

I find it necessary to write to you and explain this matter of a loan to Mr. Jennings from said person, Mrs Cynthia Fernow. I would say it was a year or more ago, I don't know, but she had a note from him for a hundred dollar (100.00) loan and it was to be paid back with interest. This he did and now there is a balance of eight dollars and sixty cents($8.60) five dollars of which I was going to pay her October 12, 1937. On October 11 I had my daughter, Virginia, call her up by telephone to inform her I would pay five dollars($5.00) leaving a balance of three dollars and sixty cents(3.60). She replied it would be of no use as she already had written to Buffalo. I thought it best then to wait and see what Mr. Jennings would say to this. Mr, Jennings however kept his promise to her, although the reason the amount was not paid was because he was a few days late on his shore leave. I am ready now to pay the five dollars as I was then leaving a balance of $3.60 payable next month. This will pay up the note in full.

Enclosed you will find the receipts amounting to twenty dollars ($20.00) leaving a balance of eight dollars and sixty cents($8.60). Please return the receipts and I would also like to hear from you in regard to this matter.

Re: $97.50 indebtedness of
L.R. Jennings
335 Dale St.
Toledo, Ohio.

Gentlemen:

Mr. Jennings, we understand, works directly or indirectly under your supervision.

Your assistance in regard to the above mentioned bill would be greatly appreciated.

For a number of months we have tried diligently to effect collection by the usual amicably means. Our efforts, however, have been fruitless for we seem unable to impress the debtor in question, of the necessity of taking care of a just obligation.

Your suggesting to the debtor that the bill be taken care of one way or another would, we believe, bring about the desired result, and prevent the transaction from becoming the controversy of the court.

If the debtor is not in a position to forward the full amount of the bill, we are willing to cooperate to the extent of taking small weekly payments on the amount owed, or to accept in full settlement of bill the return of the merchandise originally sold under a conditional sales contract.

If you are willing to assist us, would you be good enough to advise of the debtor's intentions under the enclosed postage.

Very truly yours,

Dear Sir:

I am using this letter as a means of further explanation in reference to the letter addressed to you by Basch and Company of Toledo about the delinquent account of my husband, Mr. L. R. Jennings, who is first assistant keeper of the Toledo Harbor Lighthouse.

The funds for the payments were placed in my hands by Mr. Jennings, who was ill at the time and unable to go to the Basch Store personally. However, through inadvertence on my part and several things beyong my control it was inpossible for me to make these payments.

Mr. Jennings has made a very definite arrangement with Basch and Company, which I am sure will be quite satisfactory to them and I assure you that this matter will be taken care of in the proper manner so that it will not be necessary for Basch and Company to communicate with you in reference to it.

Thanking you for your kind consideration of this matter in the past, I am

Sir: Office Letter Oct-13th relative to watches and working hours at this station was delivered to me today by H Johnson 2nd asst. upon his return from Monthly Leave, and replying to same I state that I will not in future ask any assistant Keeper to work part time between the hours of 8 am + 4 Pm when He has already had a watch from 12 Midnight to 8 am + returns on watch again from 4 Pm to 12 Midnight during same 24 hour day excepting in the handling of the station Launch or any other Emergency that would require the service of two or three men. This will be a departure from the routine in practice ever since I have been serving at this station. In my statement of Oct 12th I endevored to explain that I do not ask assistant Keepers to work part time during this day watch all thru the entire season but only in the spring and fall months when it is in the interest of station upkeep to do so. during part three months No Assistant Keeper

Sir: has been doing any work during this watch but retired to rest when the day man came on after breakfast. The reason why it is desirable for every man to work during the day watch is because in the spring the outside scrubbing scrapeing + painting must be done before about May 10th because it is then that insects begin to swarm and after that date up until about the usual time for stolen inspection there is a lot of work in interior to be taken care of, and it is understood that there generaly is Fog-Signal work and sometimes engine repair work which interfeas with the steady progress of cleaning, in the fall of year I always do a portion of the necessary scrapeing on Iron work because in October when the weather gets cool such work is done best as scrapeing is easyer when paint is brittle whereas during the warmer weather it is gummey and dificult to remove, and at this time of season weather is generaly clear

Sir: with no Fog Signal work to make the watches tiresome, but when there is Engine work at night - full consideration is given for proper rest, and there is no reason for any Keeper to sleep on watch if he will take advantage of rest periods and get the necessary sleep. I do not think that any of the Keepers ever do sleep on watch, what I meant to explain in letter of Oct 12 is that the man on watch does not remain in the watch Room constantly when Lamp is burning good & wicks clear & not doubt-full, but spends some of the time seated in quarters at rest reading or listing in on Radio or other pastime after his own inclination, and keeping lookout thru windows and making the necessary trips up to light to assure proper attention to same. Now I present another situation upon which I request a decision It is this - When there are three Keepers at the station as today, 2nd Asst having returned at noon

Sir: Will it be permissible to work until the noon hour the man who stood the watch from 12 Midnight until 8 am? same man will have the whole night free for rest period and not go on watch again until 4 o'clock the following day, but of course would be required to work along with the day watch on this day following the free night, as in this case, 1st Asst Keeper was relieved from duty at 8 am this morning. He does not have a watch again until 4 P.m tomorrow, would it be considered improper to work that man until noon? I was informed that Mr Beckwith Asst Supt was in Toledo on 13th and it would have been a relief to me if He could have visited this station and look into this matter of discontent and alleged mistreatment of assistant Keeper. Facts + situations could be presented in a more understandable manner than by correspondence.

Sir: I hereby report conduct on the part of 1st asst Keeper L R Jennings of which I do not approve because it is detrimental to discipline and the orderly upkeep and neccessary work that must be done at this station, and I request that official action be taken in this matter My specific complaint is that Mr Jennings is hostile to my authority. This morning Oct-12 at 8:30 am I intented to proceed with the work in progress "Scraping old gummey metalic brown paint" from iron stairway in main upper hall, Mr Jennings had been on watch since 12 o'clock midnight no labor having been performed only the usual attention to Lens Lamp to see that good light is kept. "Lamps burn good little or no attention required" and the winding up of revolving clock work when run down at about 3 hour intervals most of watch is generaly spent at wakeful rest in living quarters when as at present the weather is clear and no possibility of Fog Signal work. Sir: is absent on monthly leave, this leaves 2, men to stand night watches changing at midnight and alternating at 8 hour periods. The system that has been in practice as long as I have been at this station, M Jennings came off night watch at 8 am and would go on again at 4 Pm this day and providing that there was no Fog signal work his only duties would be to light the lamp at about 5.30 Pm at this time of year and attend to same until 12 midnight tonight, and during the next 24 hours tomorrow he would be free to rest 16 hours, and on duty from 8 am to 4 Pm. Thus the watches alternate when only 2 men are the station as is the case while each keeper is absent on leave, when 3 keepers are at station watches are taken in turn of 8 hours that is the most practical system for this station and has been in effect since and before I came to this station, the records are on hand for reference. When 2 men are on station the man who has the 16 hours free out of 24 hours

SUPERINTENDENT OF LIGHTHOUSES,
Buffalo, N. Y.

Sir: and increment weather in spring & fall also men are given orders only in a civil manner and permitted to work in a leisurely way smoking or leaving work for a spell with never a protest on my part and in numerous ways I am always solicitous for every man's welfare. Complaint is this Mr Jennings did not respond to my order to help with the scraping after 8 30 am to day on the unreasonable demand that he would take his proper rest. I asked him if he refused to obey the order. He would not commit himself with a direct answer of yes or no but wanted to engage in argument about the hours of work and told me I could work night and day if I cared to do so but that He would insist on getting his proper rest I relieved him from working up to 11 30 am during this His off duty watch from 8 am to 4 Pm. pending official action on this matter. Have given Mr Jennings a copy of this letter so that He can make statement.

Respectfully Submitted H. J. Schroeder Keeper

EXPLANATORY NOTICE

"The assignments presented speak for themselves; the law governing their validity is as follows: Extracts from American and English Encyclopedia of Law—Volume 1—First Edition Title Assignments, page 828, and other decisions below:

"An assignment of wages or salary to be earned under an existing employment, made in good faith, and for a valuable consideration, is valid. Such an assignment is good not only for the security and payment of a present indebtedness, but for such advances as the assignor may find it necessary to obtain, and, although the workman works by the piece and his wages per month vary. It is immaterial that the assignor works from day to day and is hired for no specified time, or that he is removable at any time. An assignment of wages by a workman under a subsisting engagement will extend to wages earned under a renewal of this engagement at a different rate of wages."
