REFERENCE: Your letter Feb.12,1935.

1. In reply to your letter of February 12th re retirement pay, you are advised that if retired your retirement pay would be based on your authorized rate of pay for the last five years, and the matter of temporary deductions on account of the Economy Act would in no way enter into the matter. It is not possible to state definitely at the present time what your monthly retired pay would be, as that would depend upon the date of your retirement and your rate of pay at time of retirement. However if you were retired at the present time at your present rate of pay, your retired pay would be about $100.00 per month.

SUBJECT: Retirement.

1. When your station was inspected by Assistant Engineer Lamb on June 11th, he states you informed him you would like to retire as soon as you were 65 years of age, which would be this year. You are advised that under the provisions of the Lighthouse Retirement Act a Keeper is not eligible for retirement when he reaches the age of 65 unless he has had 30 years service to his credit. The records of this office show you were employed as a * keeper from April 23,1906 to October 31,1908, and from February 1,1909 to the present date, and accordingly you would not be eligible for voluntary retirement until June 22,1936, which would make your retirement effective at the close of June 30,1936 if you then desired to be placed on the retired list. When you reach 70 years of age your retirement would be compulsory. If you have ~~had~~ been employed in the Lighthouse Service other than the above, or have had service in some other Government Department, advise this office to that effect, giving dates employed, where employed, etc.

Your letter dated June 22, 1929, received of which you state that there will be no money available to pay substitute keepers during the fiscal year beginning July 1, 1929, and that it is not possible to approve of my application with the understanding that the substitute will be furnished at Government expense, that if I decide to take leave to furnish substitute at my own expense. That means for me no leave as I am not able to pay for the substitute, the pay I receive are not enough to live decent. I do not call that any leave when I got to pay the expense. I understand that I am entitled to 30 days leave a year with the expenses paid, and how is it that the money is not available for that purpose. I should think the Government pay the expense for that purpose in our Department as well as they do in the other Department and by no doing they deprive us poor keepers out of our yearly leave.

Respectfully,

SUBJECT: Leave of Absence.

REFERENCE: Form #76 dated May 14th, 1924.

1. Referring to Form #76 dated May 14th, submitted by you requesting a leave of absence for 22 days from June 1st to June 22nd, with substitute to be furnished at the expense of the Government; your attention is invited to the fact that leave allowance for Conimicut Light Station is at the rate of 2½ days per month. As you have already had 7½ days leave during this year and as the total allowance of leave up to the end of May would be 12½ days there is accrued to your credit at this time only five days. As stated in letter of Feb.25th, 1924, paragraph #5 of the regulations for granting leave and furnishing a substitute at the expense of the Government, provides that leave will not be granted in excess of the amount accrued at the time leave is desired and also the regulations make no provision for furnishing a substitute at Government expense where leave is for less than 10 days. In view of the foregoing your application for 22 days of leave with the view of the substitute being furnished by the Government can not be approved at this time. For your information it may be stated that if no leave is taken in the meantime, there will be 10 days accrued leave on August 1st. At that time or later, as you desire, application for leave may be submitted with a view of substitute being paid by the Government.

SUBJECT: Transfer.

1. Referring to your conversation with the Superintendent in regard to transfer; it appears from the records of this office that the list of positions to which you would accept transfer which is on file in this office, shows Bergen Point, Coney Island, Hell Gate and Whitestone Point. At the last two stations, neither of which have quarters for keeper, there is a Light Attendant employed, there being no Keeper. If it is your desire to obtain transfer to a station nearer to New York, it is suggested that you submit a new list showing a larger number of stations to which you would accept transfer, which will necessarily increase your chances for transfer.

SUBJECT : Transfer.

REFERENCE: Your letter dated December 6, 1923.

It is noted that you desire transfer to a station in the vicinity of New York. In reference to the matter of range lights in New York Harbor, you are advised that it is not probable that there will be any vacancies for which you might be considered on account of the fact that some of these stations are to be changed to unwatched lights. In this connection it may be stated that you have no list on file in this office showing the stations or positions to which you would accept transfer in the event of a vacancy. There is enclosed herewith, for your information, a copy of the regulations pertaining to the transfer and promotion of keepers and assistant keepers, from which it will be noted that keepers who desire transfer are required to file with this office a list, in duplicate, showing the stations and positions to which transfer would be accepted in the event of a vacancy.

You are advised that there are no men available at this Depot that can be sent to act as substitute keeper at your station, therefore, it is not possible to approve your application for leave with the proviso that a man be sent to look after the station during your absence. It is suggested that you make further effort to locate some person in the vicinity to perform your duties in the event of your leave being granted. As the apparatus at your station is not extremely difficult to take care of it is believed that you will be able to find some person in your vicinity for this duty, in which event your application for leave may be resubmitted.

Dear Sir

I am sorry to have to call your attention to the conduct of the Keeper of Lighthouse at Hampton Court Richmond S.I.

I live near the Lighthouse and have an orphan Boy to run of errands + when ever they meet the Keeper abuses him, and beats him.

I understand the neighbors are indignant about it. + if I could get home I would not bother you, as I think I could take care of him,

Probably you will not remember me as we have not met for sometime. I used to be active in the Waterway Leagues in Fred Reids time, Sincerely Yours

Memo 6/16/22

Keeper Jansen of D. D. Lt here, & questioned re complaint of J B Ackers.

Says boy referred to works around Ackers place - Is about 18 or 19 years old - Does not think he is mentally normal - Says Kupers has always spoken to & talked with him as he passed by the station -

Kuper remembered ~~incident~~ complained of - Said boy started in to call him an old fool & other names for no apparent reason. Was on the dirt road back of sta at time - Boy picked up stone to throw at Kpr - Keeper grabbed his arms & took stone away from him - Boy was then very angry, called Kpr more names, threatened to knife him & cut his throat, & then went on his way & has not since spoken to Kpr or had any difficulties

with the Keeper -

Keeper Jansen seemed to be telling a truthful story of the matter, and judging from his past conduct & record, (and also his age - 53 yrs) I doubt very much if he abused & beat the boy of 18 or 19 yrs of age as reported -

Ok.

SUBJECT: Conduct of Keeper of Staten Island Light Station.

REFERENCE: Your letter April 21st.

Sir:-

1. The contents of your letter in reference to difficulties between the keeper of Staten Island Light Station and the boy who resides at your home, have been carefully noted. The matter has also been taken up with the keeper of the station named, and he claims that he has had no serious difficulty with the boy referred to, except in one instance where, without any apparent reason, the boy called him names, and when the boy picked up a stone to throw at the keeper, the latter grabbed his arm and took the stone away from the boy. It is stated that on that occasion, after the stone had been taken away from the boy, the latter was very angry and again called the keeper various names and threatened him, and has not spoken to the keeper since. From the information obtained it is not believed that there will be any further difficulty between the keeper and the boy, provided the boy refrains from molesting the keeper.

2. The difficulty referred to is regretted, and it is expected that there will be no re-occurrence.

SUBJECT: Assistant Keeper.
REFERENCE: Your letter Sept. 22,1921.

1. In connection with the matter of assigning a man to duty as assistant keeper at Staten Island Light Station, it may be stated that where transfers are involved and the appointment of new men necessary, it requires a considerable length of time to consumate the changes; also the vacancies at various light stations are filled in order of importance, and on account of the conditions and circumstances pertaining to Staten Island Light Station, the filling of the vacancy of assistant keeper was deferred until more important positions were filled, there being other stations similarly situated, and some not so well situated as Staten Island Light, where only one keeper is employed at all times, therefore it is considered that the work required at Staten Island Light does not entail any hardship on account of the temporary lack of an assistant keeper. It is expected that an assistant keeper will be assigned to duty in the near future.

Respectfully returned to the Light-House Board, with the information that a mark of "10/10 excellent" was given only to those employee who were as nearly perfect as one could be, and 8/10 or 9/10 excellent or good, were considered high ratings, and were given to those deservin a high rating where a highes mark was not justified.

In accordance with the Board's instructions, assistant keepers were considered for transfer and promotion t the position of keeper of the Conimicut Light-station according to seniority, and Mr. Jenson, the senior assistant keeper of those

LIGHT HOUSE INSPECTOR
THIRD DIST.
JUL 30 1909
RECEIVED

July 28, 1909.

Gentlemen:-

Receipt is acknowledged of the recommendation made by the Inspector of the Third Light-House District on the 22d instant for the transfer and promotion of Nicolai Jensen from assistant keeper of Romer Shoal Light-Station, New York, at $40 per month, to keeper of Conimicut Light-Station, Rhode Island, at $46 per month.

Mr. Jensen's efficiency rating, recently furnished the Department, is but 8/10 good, which is a comparatively low fating. In view of this low record it would seem that the Inspector's recommendation requires some explanation, especially if there are assistant keepers in the Third District who received higher ratings and are eligible for promotion

Respectfully,

Charles Nagel,

Secretary.

1ST ENDORSEMENT: Light-House Board, Washington, July 29, 1909. Respectfully referred to the Inspector of the 3d Light-House District for his information, proper action, and return to this office as soon as practicable.

SUBJECT: Leave of absence.
REFERENCE: Your letter Feb.16,1924.

1. Paragraph 5 of the regulations for granting leave and furnishing a substitute at the expense of the Government, provides that leave will not be granted in excess of the amount accrued at the time leave is desired. As you have not accrued leave to your credit equal to the period of leave desired, and also as Paragraph 4 Page 2 of District Circular No.245, dated June 10,1920, shows that there is no provision for furnishing a substitute at Government expense where leave for less than ten days is required, your application could not be approved for eight days leave with the understanding that a substitute would be furnished at Government expense. Your application for leave as submitted providing that you furnish a substitute at your own expense, was approved, and this office has no objection to your taking the desired leave in accordance therewith.
