Gentlemen:

Reference your file Misc-3096373. Inclosed is a letter of Mr. Ole O. Johnsen, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period Febraury 1, 1939 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1362.00 per annum, whereas, for the period February 1, 1939 to June 30, 1947, Mr. Johnsen was paid at the rate of $1317.00 per annum - an underpayment of $45.00 per year, or $3.75 per month. Computation of the amount due and appropriations chargeable are as follow:

2091255 - Retired Pay, Lighthouse Service, 1939	- $ 18.75
2001255 - Retired Pay Former Lighthouse Service, Coast Guard, 1940	- 45.00
2011255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1941	- 45.00
2021255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1942	- 45.00

2071255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1947	- 45.00
Total	$ 378.75

For tax withholding purposes, the records of this office show that Mr. Johnsen claims one exemption.

Mr. Johnsen's mailing address is 440-46th St., Brooklyn, New York, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Mr. O. O. Johnsen, Keeper,
Cobb Point Bar Light Station, Maryland,
(Through Commissioner of Lighthouses).

Dear Sir:

I have read with interest a copy of your letter of June 30 relative to your rescue on the afternoon of June 26 of five persons adrift in a small skiff during a heavy gale. I note that you had to sail about a mile from the station to pick them up and that your arrival was most timely as the skiff was filling fast and the wind increasing. I take pleasure in commending you for your skill and readiness in this emergency and having the matter recorded as a part of your official history.

Very truly yours,

(Signed) WM. P. MacCRACKEN, JR.

Acting Secretary of Commerce.

1. It is recommended that Mr. O. O. Johnsen, Keeper and W. A. Gibbs, Assistant Keeper, Cobb Point Bar Light Station, Md., be commended by the Department for skill and bravery in the rescue of five persons adrift in a small row skiff on the Potomac on the afternoon of Sunday, June 26. It is believed that reference to Weather Bureau records will show that high winds with heavy squalls prevailed on Sunday afternoon, June 26, and from my long acquaintance with Mr. Johnsen, and particularly his skill in handling of sail boats, I am satisfied that this rescue is an actual deed of valor and skillful seamanship, and that but for the action of Mr. Johnsen and Mr. Gibbs, the five persons in this boat would have been drowned.

Superintendent of Lighthouses,

Baltimore, Md.

Sir:

I beg to report the rescue of 5 persons adrift in the Potomac in a small row skiff during the heavy gale on the afternoon, Sunday June 26th.

With the help of Mr. W.A.Gibbs the asst., I succeeded in launching the sailboat, and under close reefed sail sailed out to the skiff about one mile south of this station, picked the people of, and brought them back to Cobb Island from whence they had gone adrift.

It was a timely job,as the skiff was filling fast, and the wind increasing.

The people in question was from Washington, D.C., and I think I can furnish their names if required, but it seems they forgot both their peril and manners, when again on terra firma.

Respectfully,

O.O.Johnson,

(Through Commissioner of Lighthouses).

Dear Sir:

I have read with interest a copy of your letter of June 30 relative to your rescue on the afternoon of June 26 of five persons adrift in a small skiff during a heavy gale. I note that you had to sail about a mile from the station to pick them up and that your arrival was most timely as the skiff was filling fast and the wind increasing. I take pleasure in commending you for your skill and readiness in this emergency and having the matter recorded as a part of your official history.

Very truly yours,

Reference is made to the application of Ole O. Johnsen for voluntary retirement at the close of January 31.

The Bureau's record shows that Mr. Johnsen was employed as seaman from July 24, 1903 to March 7, 1905, and both Bureau and Department records show that he entered on duty as keeper on March 8, 1905; therefore page 2 of Form 9 has been amended accordingly. Also the Department's record shows that Johnsen's services were terminated at his request at the close of October 30, 1909, and that he was reinstated April 16, 1910; therefore there was a break in his service of five months and fifteen days. The Bureau has also amended Form 9 to show this, the total service after the reduction being 32 years, 10 months, and 20 days. (This is in excess of the figures shown by your office as the "total service", which it appears was one year short on the basis of service shown in your tabulation.)

These changes do not affect the retired pay of Mr. Johnsen, since he has in excess of the total service allowable for retirement purposes. However, the matter is brought to your attention for correction of Form 9 as indicated.
