Dear Sir.

In regard to inclosed form and information asked for I will say that I do not know the applicant personally as I was not teaching here at that time and at that time the school did not keep cumulative records. However, I have asked several people who are acquainted with Arthur E. Johnston, about his trustworthiness, general intelligence, ability and skill as a student and feel that you would be safe in rating these attributes as Good. He is very well spoken of in this community.

Hope this may be of some help.

Dear Mr. Tharp :

RE: Arthur E. Johnston.

Mr. Arthur E. Johnson has been known to the writer and officers of this bank during the past five years.

He is single, his character is excellent, habits very good, and stands well in his community.

While attending High School in this city he established the reputation of being one of the finest lads we have, being very active in athletics and other school activities.

It is my opinion that the Coast Guard could find no better material than in Mr. Johnston.

MEMORANDUM TO: All Floating Units and Shore Units of the Sitka Subsector.

1. The order of Comalsec and the regulations require all units to report any untoward incidents, strange craft seen, enemy craft sighted, etc., and to make an entry in the log at the time of seeing them, type of craft seen, the estimated course and speed, the distance away, the position of the unit, etc. In addition, during the emergency, all units ashore and afloat are to make a record of all craft seen (afloat or in the air) whether enemy or friendly, indicating the position, type, course, speed, and time, and in case of enemy craft, to be reported immediately.

2. An investigation of the logs of numerous patrol vessels and outposts indicates that this procedureis not being followed. Steps will be taken immediately to keep a complete record of all ship or plane movements observed. Had this procedure been followed in case of the patrol for the recently reported submarine, a much clerer picture of the movements of the searching planes and ships would have been had, and a better estimate of the situation would have been possible. The Officers in Charge of the YP-250 and of the Tree Point Light Station are to be congratulated on their excellent performance of duty in maintaining such efficient look-outs and keeping such accurate and exact records.

To: Edward Johnston, M.M.2c., Scotch Cap

Via: DCGO, Ketchikan, 13th Naval District

Subj: Commendation

1. It has just been called to my attention by a letter from the Commandant, NOB Dutch Harbor, Alaska, that while you were attached to and serving at the Scotch Cap Light Station, you proceeded as a member of the rescue party, under exceedingly adverse conditions, and removed the crew from the Russian Merchant Vessel TURKSIB, which had stranded near Scotch Cap Lighthouse, located on Unimak Pass.

2. Your action on that occasion and the splendid seamanship displayed by you in your prompt and courageous performance of duty are in keeping with the highest traditions of the Coast Buard, and the Commandant takes great pleasure, therefore, in commending you.

3. A copy of this letter will be filed with your official record.
