Subj: National Service Life Insurance, Expiration of Term Period, Policy Number V 14 228 857

Ref: (a) VA Form 9-4457, countersigned 30 December 1954

1. There is herewith forwarded a notification from the Veterans Administration that the $2,000 level term National Service Life Insurance issued under policy number V 14 228 857 will expire on 28 February 1955. In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans. Public Law 148, 83d Congress provides for the automatic renewal of the term period of all National Service Life Insurance that expires on or after 23 July 1953. An application for the renewal of the term period will not be necessary.

2. There is in effect at the present time an allotment of your pay in the amount of $2.28 per month for premiums on National Service Life Insurance as follows:

$2.28 - $2,000 Level Term Insurance V 14 228 857 ren. effective 1 March 1950

Your authorized certifying officer should be instructed to make the necessary allotment adjustment to confirm the administrative change authorized by Headquarters. NAV S&A Form 545, Allotment Authorization should be forwarded to Commandant (PS).

$2.28 Allotment discontinued with month of last payment January 1955
$3.08 Allotment established with month of first payment February 1955

3. In view of the fact that you have term insurance, it is suggested that you acquaint yourself with the provisions of Public Law 23, 82d Congress regarding waiver of premiums. The waiver of premiums may not be made retroactive but will commence with the first premium falling due after the date of application for waiver. Additional information regarding waiver of premiums is contained in Veterans Administration Pamphlet 9-3.

4. Advise Commandant (PS) of action that will be taken by you in connection with your National Service Life Insurance.

Subj: KELSEY, Lyle E. (219-291) ETC; correction of leave record

1. The leave record sheet in service record dated 22 November, 1941 shows a discharge credit of 12 days and that subject man elected to carry over his leave into his new enlistment. The discharge credit of 12 days has been deleted in accordance with paragraph 42(e) of CC 31-47, which requires the following:

a. On the current leave record sheet the balance brought forward on 1 July, 1948, 60 days in this case, would be the first entry.

b. Transcribed from the old record to the current leave record would be the total of all leave taken from 1 July, 1948 through 22 November, 1948. (Kelsey had taken no leave during that time). The leave record would then be carried forward in the usual manner until 30 June, 1949 when he would be given credit for a full year.

2. It is requested that current leave record sheet be corrected in accordance with the above procedure.

3. The service record from KELSEY's previous enlistment did not contain Form 553-A as is required by PC 26-47. It i s requested that this form be forwarded as soon as possible.

4. The enlistment contract dated 23 November, 1948 indicates that this man served 7 years, 5 months and 3 days in the Lighthouse service. Headquarters has corrected its copy of the contract to show 7 years, 5 months and 12 days in accordance with Standard Form 13 dated 22 November, 1941.

Dear Mrs. Carroll:

Information has been received at Coast Guard Headquarters of the death of your father. I wish to extend to you my sincere sympathy in you great loss.

The enclosed forms are forwarded to aid you in filing for Burial Benefits and a Headstone or Marker to which there may be entitlement.

At the time of death there was due your father retired pay accrued from the first of the month to the date of death. Retired pay ceases at the death of a retired member.

The records at Coast Guard indicate that your father designated you as the beneficiary to receive the accrued retired pay due. Forms No. SF-1174, Claim for Unpaid Compensation of Deceased Member of the Uniformed Services, are enclosed to aid you in applying for this sum. These forms must be completed in the presence of two witnesses and signed by you. A pre-addressed envelope is enclosed for your convenience.

From: Commandant
To: CO, CG Base, Ketchikan, Alaska

Subj: KELSEY, Lyle E. (219-291) ETC; correction of leave record

1. The leave record sheet in service record dated 22 November, 1941 shows a discharge credit of 12 days and that subject man elected to carry over his leave into his new enlistment. The discharge credit of 12 days has been deleted in accordance with paragraph 42(e) of CC 31-47, which requires the following:

a. On the current leave record sheet the balance brought forward on 1 July, 1948, 60 days in this case, would be the first entry.

b. Transcribed from the old record to the current leave record would be the total of all leave taken from 1 July, 1948 through 22 November, 1948. (Kelsey had taken no leave during that time). The leave record would then be carried forward in the usual manner until 30 June, 1949 when he would be given credit for a full year.

2. It is requested that current leave record sheet be corrected in accordance with the above procedure.

3. The service record from KELSEY's previous enlistment did not contain Form 553-A as is required by PC 28-47. It i s requested that this form be forwarded as soon as possible.

4. The enlistment contract dated 23 November, 1948 indicates that this man served 7 years, 5 months and 3 days in the Lighthouse service. Headquarters has corrected its copy of the contract to show 7 years, 5 months and 12 days in accordance with Standard Form 13 dated 22 November, 1941.

Subj: Claim for Overdrawn Allotment.

1. In March of this year a letter was written to the Bond Savings Branch of your department; requesting that the remaining savings bonds held by that department for me be released and mailed to me. As indicated by paragraph two (2) of their answer; there were three less bonds in safe keeping than had been calculated; due to an over checkage of my pay account from July 1943 through June 1944.

2. As is indicated in this paragraph, the over checkage is chargeable to a lapsed appropriation, and I am instructed to make claim to your office for payment.

3. Instructions or assistance from your office relative to claiming this over checkage will be highly appreciated.

Subj: Savings Bonds; request for

1. In reply to your letter dated 14 March, 1947, you are informed that your allotment in the amount of $12.50 per month for the purchase of a $50.00 Savings Bond-A-Quarter was authorized for a definite period of twelve (12) months, with the month of first payment July 1942 and the month of last payment June 1943.

2. An examination of your closed pay records indicates that this allotment was checked for the period July 1942 through June 1944, thereby resulting in an overcheckage for the period July 1943 through June 1944, in the amount of $150.00. Due to the fact that payment of the overcheckage is chargeable to a lapsed appropriation, it will be necessary for you to forward your claim to Coast Guard Headquarters (FA-PR), Washington 25, D. C.

3. The $50.00 Savings Bond for the quarter ending June 1943 that was issued by the Coast Guard and held in safekeeping was released and mailed to you on 16 September, 1946, in accordance with the request contained in letter received from Commander (PMM), 17th Coast Guard District dated 10 September, 1946. The $50.00 Savings Bonds for the quarters ending September and December 1942 and March 1943 were issued by the Treasury Department and are being held in safekeeping for you in that Department.

4. Your request for the release of the above referenced bonds, together with the safekeeping receipts which were mailed to you at Tree Point Light Station, Ketchikan, Alaska, should be forwarded to the Office of the Treasurer of the United States, Division of Securities, Washington 25, D. C. In the event that the safekeeping receipts are lost, that Department should be so advised.

DCGO, 17ND (p)

Subj: Last permanent rate; change of

1. It is requested that my last permanent rate be changed from Chief Boatswain's Mate to Chief Radio Technician due to the fact that I honestly believe I would be of more value to the service as a Chief Radio Technician. I have had nine (9) years experience with radio maintenance and electrical work, and am at present performing this type of duty.

2. I have been in the Coast Guard for four (4) years, serving two and one half ($2\frac{1}{2}$) years as Chief Radio Technician. Previous to this I was in the Lighthouse Service for eight (8) years during which time I did radio maintenance and electrical work which were a part of my duties as Officer-In-Charge of a Lightstation.

3. Subject man's last quarterly marks are: P.I.R. 3.8; SEA. 3.0; MECH.ABIL. 3.8; A.L.M. 3.7; CONDUCT 4.0.
