Dear Sir:

I have just rec'd your letter today about that note of Mr. Bangs'. I promised you it should be settled some time ago but I haven't been able to pay it before because when I was ashore last month I had to go to Calais and get my wife's sister, a child of seven years and who was left all alone on account of her mother being taken to the Hospital at Bangor for the remainder of her life.

the trip cost me about $25.00 and I didn't have enough left after paying my house rent and other little bills at home to pay this note.

Now, Mr. Sherman, I'm not trying to get rid of paying that bill for I always try and keep square and if you have any doubts about me paying this note won't you please keep back enough money from my next check to pay it. The note is in Lawyer Hinckley's hands at present, and I'll write him and ask him to send you the amount of same so that you'll know what it is

Hoping this will fix everything all right, I am,

Yours Very Truly,
Wyman M. Larrabee,

Dear Sir:-

I hold in my hands a promissory note signed by Wyman M. Larradee, payable to myself. The note was made June 17, 1910 for the amount of $15.00, payable in thirty days.

I have repeatedly notified Mr. Larrabee that the note is overdue, both through myself and through my attorneys, but he has up to the present time, entirely ignored the matter.

Our attorneys state that the Department would probably refuse to recognize any letter which they might write to the Department and that it will be necessary for me to write personally.

The party referred to is in the lighthouse department stationed at Halfway Rock, Casco Bay, Me.

Anything you can do in regard to the matter will be appreciated.

Yours very truly,

I M Bangs

Mr. C. E. Sherman,

Dear Sir:

I have just rec'd your letter today about that note of Mr. Bangs'. I promised you it should be settled some time ago but I haven't been able to pay it before because when I was ashore last month I had to go to Calais and get my wife's sister, a child of seven years and who was left all alone on account of her mother being taken to the Hospital at Bangor for the remainder of her life.

the trip cost me about $25.00 and I didn't have enough left after paying my house rent and other little bills at home to pay this note.

Now, Mr. Sherman, I'm not trying to get rid of paying that bill for I always try and keep square and if you have any doubts about me paying this note won't you please keep back enough money from my next check to pay it. The note is in Lawyer Hinckley's hands at present, and I'll write him and ask him to send you the amount of same so that you'll know what it is

Hoping this will fix everything all right, I am,

With further reference to the note which I hold against Mr. Wyman Larrabe, beg to advise that Mr. Larrabee has not yet settled the note, and I wish you would please call his attention to the matter again.

The matter has been so very long pending that I feel entitled to an immediate settlement,. I loaned him the money at a time when he was destitute, and it does not show a good principle on his part, in delaying payment so long.

Thanking you in advance for the favor I am,

Receipt is acknowledged of the Bureau's communication of the 22nd instant transmitting letter dated the 14th instant, and enclosures, from the First Inspector relative to the indebtedness of Wyman M. Larrabee, second assistant keeper of Halfway Rock Light Station, Maine, to Mr. I. M. Bangs of Machiasport, Maine.

In view of the circumstances set forth in Mr. Larrabee's letter of the 12th instant to the Inspector the Department approves the recommendation to the effect that he be given further opportunity to liquidate his indebtedness. In order, however, that the Department may not be further inconvenienced in this matter, it is requested that Mr. Larrabee be directed to make satisfactory arrangement with Mr. Bangs relative thereto so as to obviate the necessity of further correspondence in the matter.

Dear Sir:

Referring to previous correspondence relative to an indebtedness to you on the part of Wyman M. Larrabee, second assistant keeper of Halfway Rock Light Station, Maine, the Department has to state that the matter was again taken up with Mr. Larrabee, and in regard thereto he stated as follows:

> "I have just received your letter today about that note of Mr. Bangs'. I promised you it should be settled some time ago but I haven't been able to pay it before because when I was ashore last month I had to go to Calais and get my wife's sister, a child of seven years and who was left all alone on account of her mother being taken to the Hospital at Bangor for the remainder of her life.
>
> "The trip cost me about $25.00 and I didn't have enough left after paying my house rent and other little bills at home to pay this note."

While the Department does not attempt to act as an agent for the collection of claims, yet it insists that persons in its employ shall pay their just and honest debts. Mr. Larrabee has therefore been directed to make some equitable arrangement whereby this indebtedness will be liquidated at the earliest possible date, and it is hoped that there will be no necessity for further complaint.

Very truly yours,
