Gentlemen:

Reference your file Misc-2873799.

Inclosed is a letter of Mr. John Larsson, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period June 1, 1940 to June 30, 1947. In this connection, reference is made to Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1305.00 per annum, whereas, for the period June 1, 1940 to June 30, 1947, Mr. Larsson was paid at the rate of $1125.00 per annum - an underpayment of $180.00 per year, or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

2001255 - Retired Pay, Former Lighthouse Service, Coast Guard,	1940 -	$	15.00
2011255 - " " " " " " "	1941 -		180.00
2021255 - " " " " " " "	1942 -		180.00
2031255 - " " " " " " "	1943 -		180.00

2051255 - " " " " " " "	1945 -		180.00
2061255 - " " " " " " "	1946 -		180.00
2071255 - " " " " " " "	1947 -		180.00
TOTAL		$	1,275.00

For tax withholding purposes, the records of this office show that Mr. Larsson claims 2 exemptions.

Mr. Larsson's mailing address is 40 Hedge Street, Fairhaven, Mass., and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Sirs:

Transmitted herewith for administrative examination and report is the claim of John Larsson, 40 Hedge Street, Fairhaven, Massachusetts, for the difference between retirement pay received based on net salary and that alleged to be due based on gross salary for the period May 31, 1940 through June 30, 1947, as a former employee of the United States Lighthouse Service.

In connection therewith, it is requested that this office be furnished with copies of claimant's appointment, promotions, or any other personnel action taken while he was in a pay status for the five year period immediately prior to the date he became separated from the service and placed on retirement, together with a copy of his notice of retirement, showing the date retired and last day of duty.

It is also requested that a pay roll voucher be furnished showing the basis on which his retirement pay was computed and the amount he would have received if his retirement pay had been based on his gross salary, together with any other pertinent facts relative thereto. The payroll voucher should include complete citation to the appropriation or appropriations from which paid from the beginning of his retirement to the present date.

The enclosure should be returned with your report.

Dear Madam:

Receipt of your letter dated 25 January 1952 requesting information on the late John Larsson is acknowledged.

An inspection of the record of Mr. John Larsson on file at this office indicates that John Larsson was voluntarily retired from his position as Keeper, Gould Island Light Station,at the close of 31 May 1940 after completing 31 years 8 months of service. His annual rate of retired pay as a result of this action was $1125. There is incorporated in Mr. Larsson's official folder a copy of notification from Commandant, U. S. Coast Guard that on 8-27-48 his retired pay was increased from $1125 to $1305. as a result of a Comptroller's decision.

Public Law 719, 81st Congress, approved 19 August 1950, entitles widows of former Lighthouse Service employees who died prior to 1 September 1950 a benefit of $50 per month, providing the widow has not remarried. This benefit is restricted only to widows and cannot be paid to other relatives or estate. There is no other benefit or monies due next-of-kin or estate upon the death of a person who retired under the provisions of the Lighthouse Act of 1918.

Very truly yours,

R. G. WHITTEMORE
