Mr. H. E. McDonald
Director, Claims Service
Veterans Administration District Office
Fort Snelling
St. Paul 11, Minnesota

Dear Sir:

Reference is made to your letter of 15 December 1953 requesting certain information regarding Mr. Ed Laschinger.

You are advised that the record of this office fails to reveal any information regarding the dissolution of Mr. Laschinger's marriage to Primitiva Canales.

The record indicates that Mr. Laschinger was single at the time of his entrance on duty in the Lighthouse Service on 26 May 1928. However, on 27 March 1940, Mr. Laschinger indicated that he was married and that his wife's name was Dorothy.

Sincerely yours,

H. L. MORGAN
Chief, Civilian Personnel Division

LASCHINGER, Ed.

Chief
Civilian Personnel Section
United States Coast Guard
Treasury Department
Washington 25, D. C.

Dear Sir:

This is to request marital data in the case of the deceased veteran, Ed Laschinger, who was retired as Keeper from the Coast Guard at the close of June 30, 1945 and who was in receipt of retirement pay from July 1, 1945.

Mr. Ed Laschinger died October 13, 1951. Mrs. Dorothy K. Laschinger of 7916 North Emerald Street, Portland, Oregon, has filed claim for death benefits as widow of the veteran. The veteran during his lifetime reported that he had a prior marriage to Primitiva Canales in 1920, and the marriage was dissolved by divorce and that Primitiva Canales had a prior marriage and that her first husband died.

We would appreciate your kind cooperation in furnishing any information you may have of record as to the following:

1. Date, place and manner of dissolution of Ed. Laschinger's marriage to Primitiva Canales.
2. Any information you may have of record as to Primitiva Canales prior marriage and dissolution of that marriage.

An early reply will be greatly appreciated.

Very truly yours,

H. E. McDonald

H. E. McDONALD

An inquiry by or concerning an ex-service man or woman should, if possible, give veteran's name and file number, whether C, XC, K, N, V, H, RH, RS, or loan number. If such number is unknown, service or serial number should be given.

Dear Sir:

Reference is made to your letter of September 23, 1949, your file 4GR8B C 657 785, in the case of Mr. Ed Laschinger, a retired employee of this Service, in which you requested advice as to when retirement payments became effective and how much he had contributed to the fund.

You are advised that Mr. Laschinger was retired as Keeper from the Coast Guard at the close of June 30, 1945. Therefore retirement payments began to accrue as of 1 July 1945, and his first retirement check was for the month of July 1945.

During the period of his employment he was covered by the provisions of the Lighthouse Retirement Act of June 20, 1918, as amended. Under that Act no deductions are made from an employee's salary for retirement purposes. Consequently, he did not contribute to any retirement fund.

By direction of the Commandant:

Very truly yours

1. Reference is made to your dispatch 282352 July to the effect that lump sum payment for annual leave in the case of the subject employee should end after four hours on 4 October, 1945.

2. However, in view of the Comptroller General's decision No. B-48972 of 20 April, 1945, to the Attorney General to the effect that, "Payment for annual leave in a lump sum pursuant to the provisions of the Act of December 21, 1944, is required to be made at the rate of compensation properly received by the employee at date of separation . . .", Mr. Laschinger's leave will also have to be computed on the basis of regulations in effect on the date of his separation. Therefore, according to Headquarters' computation, the lump sum payment for 66 days and 4 hours annual leave should cover the period from 1 July through 4 hours on 26 September and payment should be made at the rate of $2040 per annum plus additional compensation under the provisions of Public Law 49, including pay for Sundays, 4 July and 3 September. Form 2249 will be processed accordingly.

My dear Mr. Morgan:

The receipt is acknowledged of your letter of July 19, 1945, stating that Edward Laschinger, a former laborer in the Custodial Service, claims service in the Portland, Oregon Post Office in 1923. A search of our records fails to disclose that Mr. Laschinger was ever employed as a Custodial employee in 1923. However, we have a record of his employment as a temporary laborer from July 12 to July 31, 1927. During this period he was paid at $1140 per annum and earned $60.17. Retirement deductions were not taken from his salary for this service.

Respectfully yours,

Superintendent of Lighthouses, Portland, Oregon.

In reference to your letter of October 27 forwarding a number of nominations for the transfer of personnel:

The nomination proposing the transfer of Gustav Meinch from Engineer on the tender ROSE at $2700 (2580-2700) to Engineer of the HEATHER at $2700 (2640-2760) is herewith returned. As the proposed transfer does not involve any change in pay or designation it may be reported on Form 73a, in duplicate, after the effective date has been determined, no Department action being necessary.

In the case of Ed Laschinger, proposed for transfer from Cape Spencer Lightstation (16th district) at $1560 ($1560-1920,without quarters), to first assistant keeper at Tillamook Rock Lightstation at $1620 (1620-1980,plus $60 quarters): Presidential authority No. 2048 in Department list of June 18,obtained in connection with a proposal of May 14 for the promotion of Henry Jenkins to first assistant keeper at Tillamook Rock, may be used in connection with Laschinger's promotion if and when Department approval of the transfer is received.

The proposed transfer of Henry Jenkins from second assistant keeper, Tillamook Rock, at $1560 ($1560-1920,plus $60 quarters) to watchman at the Seattle Depot at $1440 ($1260-1620) per annum is at a higher rate of pay than that for which Presidential authority was obtained (No.2474 in Department list of September 26, 1934) in connection with your nomination of William Gadsby for this position, which nomination was subsequently cancelled because Gadsby failed to attain an eligible rating in the examinations conducted by the Civil Service Commission. On account of the higher rate of pay now proposed for watchman, the Bureau is submitting a new justification for the obtainment of Presidential authority at $1440.

Under date of September 27 the Bureau wrote you asking whether or not as a result of the cancellation of Gadsby's proposed transfer to watchman at the Seattle Depot you desired to cancel the Form 73a dated May 14 for the transfer of Laschinger from Cape Spencer to second assistant keeper at Tillamook Rock, and Form 73 of May 14 for the promotion of Jenkins to first assistant keeper at Tillamook Rock, both of which were contingent upon Gadsby's transfer. A reply was not received in this connection; but as new nominations, referred to above, have been received in these cases, the Bureau is asking the Department to cancel your recommendations of May 14, and your office should promptly return to the Bureau Department letter of June 1 in the case of Henry Jenkins.

The nomination of October 23 proposing the transfer of Gadsby to third assistant keeper at Cape Flattery is herewith returned, a later one having been received proposing his demotion to fourth assistant at Tillamook Rock as a disciplinary measure.

Justification for Filling Vacancy under Authority of the Act Approved June 30, 1932.

Bureau or office: Lighthouses, 17th district, Portland, Oregon

Position: Keeper (1st asst.)

Ed Lasching

~~Henry Jenkins~~

Compensation: $1680 ($1680-2040) per annum, gross pay and range

Location: Tillamook Rock Lightstation

Appropriation: Salaries, Keepers of Lighthouses

2048

Date of Vacancy: About June 1, 1934

Justification: The vacancy in this position will be created through the transfer of the present incumbent, whose gross pay is $1680 per annum, to a position of watchman in the 17th district.

There are five keepers provided for this station, and the filling of this vacancy is necessary in order to maintain the complement at a minimum strength. This position requires the performance of duties directly concerned with the maintenance and/or operation of aids to navigation which must be either in actual operation or ready for immediate service at all times. In order that this service may continue without interruption, it is absolutely essential that the position be filled. The nonfilling of the position would interfere with the functioning of the aids and add to the hazards of navigation, thereby producing conditions endangering life and property.

It is proposed to fill this vacancy by promotion of the second assistant keeper, with increase in gross pay from $1620 to $1680 per annum, the latter being the minimum of the established range for first assistant keeper.

1. Reference is made to copy of Form 73a, reporting the effective date of the transfer of Ed Laschinger from Second Assistant Keeper, Cape Spencer Light Station, Alaska to the same position at Tillamook Rock Light Station, Oregon, which showed the effective date of July 3, 1934.

2. The fact that recommendation for the transfer of Wm. Gadsby from First Assistant Keeper, Tillamook Rock Light Station to Watchman at Seattle Lighthouse Depot had not been approved was overlooked. The transfer of Henry Jenkins to the position of first Assistant Keeper, Tillamook Rock Light Station to succeed W,. Gadsby, although approved could not be effected until Gadsby's transfer is approved. There was, therefore, no position to which Laschinger could be transferred effective July 3, 1934.

3. It is, therefore, requested that report be cancelled. When the transfers of Gadsby and Jenkins have been effected a further report will be made showing the date Laschinger went on duty at Tillamook Rock Light Station.

Returned to 17th Superintendent together with inclosures mentioned in paragraph 2 above, attention being invited to Bureau indorsement of February 5 returning the resignation of Frederick Byers.

Your nomination of Laschinger proposes his transfer from Sentinel Island. However, Department letter of December 16 authorizing his transfer from Cape Spencer at $1560 to Sentinel Island at $1260 (plus quarters) has not been put into effect by the 16th Superintendent, for the reason that you have proposed Laschinger's transfer to Cape Flattery. If Byers is not separated by resignation there will be no vacancy for Laschinger at Cape Flattery, in which case it appears that the 16th Superintendent would make the transfer authorized by Department letter of December 16 effedtive. It is requested that at the proper time you communicate with the 16th Superintendent in the matter in order that he may determine whether or not it is advisable to make the authorized transfer to Sentinel Island effective.

Superintendent of Lighthouses, Portland, Oregon.

SUBJECT: Positions covered by Presidential authority granted by former administration but not actually filled by March 9; your radio dated March 10.

1. In reference to the case of Ed Laschinger, Executive authority was not required for his transfer on November 19 from 2nd Asst. Keeper of Destruction Island to Asst. Keeper of Desdemona Sands Light Station, for the reason that an increase in his gross compensation was not involved. In reality his transfer involved a demotion in gross salary of $60, he having left a position with gross compensation of $1560 ($1320 cash plus $240 for quarters) to accept one with a cash salary of $1500 per annum, but without quarters. Executive authority is not required for a transfer not involving an increase in pay, in which connection the gross pay is considered.

2. In the other case mentioned in your radio, that involving probationary appointment of Garnet H. Downing as Assistant Airways Keeper at Umatilla Weather Reporting Station, the Bureau is submitting a new justification and the appointment should not be made effective until receipt of Executive authority.
