To: Commissioner of Lighthouses.

Subject: Carl Lien, Keeper (Asst.) longevity pay for.
Reference: Department letter of Oct. 6, 1919, declining to grant.

1. The following is further submitted regarding claim of Carl Lien, Keeper (Assistant) Slip Point Light Station, Wash., for longevity pay and a reconsideration of his case asked.

2. It is true that Mr. Lien resigned with the intention of entering the service of the U. S. Shipping Board, but it will also be noted that after fitting himself at his own expense for a lucrative position with little danger attached he entered our naval service of his own volition, although he had a wife and small children depending on him for support.

3. That he re-entered the employ of the Lighthouse Bureau under a temporary appointment, and was later probationally appointed from an eligible register, was due to a misapprehension on the part of this office as to his service and consequent right of reinstatement.

4. It would seem that Mr. Lien's claim that longevity pay be allowed him is actually more meritorious than the many Keepers receiving it who neither saw, nor made any effort to see, any active service whatever.

Bureau of Lighthouses, Washington,
Nov. 4, 1919.

Submitted to the Secretary of Commerce for his information and such action as may be deemed appropriate. Attention is invited to Bureau indorsement of Oct. 2, and Department reply thereto dated Oct. 6, 1919, in this case. The Bureau concurs in the views of the Superintendent as above.

Recommendation for longevity pay in view of military service APPROVED:

1919 NOV 6 PM 1 43

E. F. Sweet
Acting Secretary of Commerce.

1919 NOV 11 PM

October 6, 1919.

Commissioner of Lighthouses:

The Department is in receipt of the 17th Superintendent's letter of the 17th ultimo, forwarded by the Bureau on the 2nd instant, recommending that Carl Lien, Keeper (Assistant) of Slip Point Light Station, Washington, at $720 per annum, be allowed $60 per annum longevity pay.

It is noted the Bureau bases its recommendation on Department approval in the case of Leonard H. Staubly, which was submitted under date of January 2, 1919, and fixed a policy of allowing longevity pay to Keepers who had left the Service to join the military service and are later reinstated at the expiration of such service. The records in Mr. Lien's case, however, do not indicate that he left the Service to engage in the military service, nor that he was reinstated at the expiration of such service. He requested leave of absence for one year, without pay, to enter the Nautical School conducted by the U. S. Shipping Board, and his services were discontinued, without prejudice, effective at the close of November 10, 1917. His reinstatement was not requested under the rule allowing extended eligibility in the case of persons who entered the military service, but he was given temporary appointment on May 19, 1919, pending the establishment of a register, and was later given a probationary appointment, by selection from the register. His continuous service, therefore, dates from May 19, 1919, in view of which it is not considered that he is entitled to longevity pay at this time.

Acting Secretary of Commerce.

Gentlemen:

Reference your file Misc-2873831. Inclosed is a letter of Mr. Carl Lien, a retired member of the former Lighthouse Service in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period February 1, 1944 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $1456.12 per annum, whereas, for the period February 1, 1944 to June 30, 1947, Mr. Lien was paid at the rate of $1276.12 per annum - an underpayment of $180.00 per year, or $15.00 per month. Computation of the amount due and appropriations chargeable are as follow:

2041255-Retired Pay, Former Lighthouse Service, Coast Guard, 1944 -	$ 75.00

2071255-Retired Pay, Former Lighthouse Service, Coast Guard, 1947 -	180.00
Total - -	$ 615.00

For tax withholding purposes, the records of this office show that Mr. Lien claims three exemptions.

Mr. Lien's mailing address is 6505 S.E. 47th Ave., Portland, 6, Oregon, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

Sir:

This morning at about 8 o'clock shouts were heard in the Straits at a point about half mile NNW of Light Station, at the same time two row-boats with two men in each, were seen rowing in direction of shouts and about one quarter mile distant, with the aid of binoculars two men were seen hanging to swamped rowboat with, what seemed great clambering and moving about and shouting, the two rowboats reached them presently andwere observed taking them aboard, leaving swamped boat to drift, and heading towards Light Station where preparations were immediately made to receive them, who, when brought ashore were utterly exhausted and hysterical and declaring over and over that their "Pal" was gone, as was learned later he had been overcome with cold and exertion and sank from sight; the two survivors were brought to Station and given warm stimulants, dry clothing and put to bed. After a few hours sleep, they were sufficiently restored and were taken across the bay where facilities were found for transportation to their homes.

In the meantime Coast Guard Patrol Boat No. 263 was reached per Long Distance Telephone to Commander, Base No. 10,Port Townsend which immediately went to scene of accident and searched the waters and recovered drifting boat.

The three men, Elmer Stanley, Percy Otto and Leslie Bauman, all of Port Angeles, were on aholiday trip tolling for salmon in rented boat, too small for three inexperienced men, judged to be about 12 ft. round bottom, and in the excitement of hooking a salmon overturned their boat, resulting in the drowning of Leslie Bauman, married and one child.

Dear Sir:

I beg to report that on May 31, 1924, the yacht VRA TIAJERA (?) drifted into Clallam Bay during foggy weather and came to anchor close to the bell buoy.

W. G. Norris of Seattle, who appeared to be in charge of the yacht showed signs of distress and I sent Carl Lien, the Assistant Keeper, out to the Yacht, and found that W. G. Norris wished to call up the Coast Guard at Neah Bay to tow him into the Straits; the yacht did not appear to be in any danger.

When the Assistant Keeper ran into the tide rip near the yacht he took some water aboard and was obliged to bail.

Mr. Lien, as soon as he got landed, telephoned to the Coast Guard and they came and towed the yacht out into the Straits.

Dear Sir:

On Saturday morning, May 31st, I got into Clallam Bay with my yacht; got in a little too close to shore, and being in a race and not having the engine connected, I was unable to get out, as the wind died down just as we got in. We drifted from the west end of Clallam Bay, down to Slip Point Light Buoy, and when I found we were going on the rocks there, we dropped the anchor, and although the sea was running very high, the keeper, or assistant keeper, I believe it was, at the Slip Point Light Station, came out in a small boat, and had to bail her every few minutes to keep afloat, to ascertain what assistance he could render. He then went ashore and telephoned for the life saving boat at Neah Bay, and they came down that afternoon and pulled us out of danger.

It was quite commendable in this man doing this, under the circumstances, and we feel that he pulled us out of quite a nasty position.

Yours truly,

(Sgd.) Wm. G. Norris.

My dear Mrs. Lien:

Receipt is acknowledged of your letter advising Coast Guard Headquarters of the death of your husband, Carl Lien, Keeper, former Lighthouse Service, now United States Coast Guard, Retired. Please accept my sincere sympathy.

At the time of death there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continued payment of any part thereof to surviving dependents. The forms necessary to effect settlement of the final retired pay are herewith enclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin, or the person who paid, or will pay the funeral expenses should execute the enclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the enclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with the claim for retired pay due on date of death.

When the enclosed forms have been completed, return them to Commandant (PS) in the enclosed pre-addressed envelope.

Mr. Hastings thinks this course would be the safest plan, the applicant to be considered for reinstatement.

Subject: Carl Lien, Keeper (Asst.) longevity pay for.
Reference: Department letter of Oct. 6, 1919, declining to grant.

1. The following is further submitted regarding claim of Carl Lien, Keeper (Assistant) Slip Point Light Station, Wash., for longevity pay and a reconsideration of his case asked.

2. It is true that Mr. Lien resigned with the intention of entering the service of the U. S. Shipping Board, but it will also be noted that after fitting himself at his own expense for a lucrative position with little danger attached he entered our naval service of his own volition, although he had a wife and small children depending on him for support.

3. That he re-entered the employ of the Lighthouse Bureau under a temporary appointment, and was later probationally appointed from an eligible register, was due to a misapprehension on the part of this office as to his service and consequent right of reinstatement.

4. It would seem that Mr. Lien's claim that longevity pay be allowed him is actually more meritorious than the many Keepers receiving it who neither saw, nor made any effort to see, any active service whatever.

See Dept. letter of Oct. 6, 1919 (clipped) turning down the previous rec. for longevity pay.
