In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans of insurance.

2. Your attention is called to the fact that it will not be necessary for you to submit an application for renewal to this office. Public Law 148, 83d Congress provides for the automatic renewal of the term period of all National Service Life Insurance and United States Government Life Insurance that expires on or after 23 July, 1953 provided that the policy is in force at the end of the term period.

3. There is in effect at the present time an allotment of your pay in the amount of $8.70 per month for premiums on National Service Life Insurance as follows:

$8.70 - $10,000 Level Term Insurance V 1421 82 34 ren. effective 1 March 1950

If the insurance is renewed, a new allotment in the amount of $10.30 should be established with the month of first payment February 1955 and the present allotment of $8.70 should be discontinued with the month of last payment January 1955 to confirm the administrative change authorized by Headquarters.

4. The necessary Allotment Authorization, Nav S&A Form 545, should be forwarded to Commandant (PS).

5. Advise Commandant (PS) of action that will be taken by you in connection with your National Service Life Insurance.

1. In accordance with Headquarter's rotation policy it is requested that I be transferred to the Fifth Coast Guard District for assignment to duty. If it is not practicable to be assigned to duty in the Fifth Coast Guard District, then I would prefer duty as a second choice in the Seventh Coast Guard District.

2. My reason for making this request is: I have been attached to Greenland Patrol or the First Coast Guard District since 1941; and would like to be transferred to my home district. I have twenty-four years service and have a request in to retire under the twenty year retirement plan. I reenlisted on 13 December, 1946. I reported to the EASTWIND on 7 April, 1947.

From: LIGHT, Walter K. (106-389) Sea.1c.

Subject: Correct date of birth.

Reference: (a) Your letter, dated June 19, 1937.

In reply to your letter dated June 19, 1937, you are respectfully advised that the correct date of my birth is September 17, 1908. My reasons for previously mis-stating this date are as follows:

1. When I enlisted in the United States Army, on May 12, 1923, I was but fourteen years and eight months of age, and, as I believed that they would not accept me for service unless I was at least eighteen years old, I moved the date of my birth up four years, and gave the date as September 17, 1904.

2. After I actually did reach the age of eighteen years, I still used 1904 as the year of my birth in order to keep the official records straight. When enlisting in the Coast Guard, I meant to use the same date of birth that I had given in the Army, to keep the date the same in both branches of the Service, but I inadvertently wrote the date September 17, 1905.

I regret very much that this mix-up has occurred, and I assure you that from now on, on all records, official and otherwise, I will give the correct date of my birth, namely, September 17, 1908.

Dear Sir, please excuse my delay in replying to your letter of 4, Feb. I have made several efforts to locate a family record of my family which was kept by my father, but it seems to have been lost. As births were not recorded by the state of West Virginia previous to 1914, and I never had any Baptismal record. Therefore the only proof that I can obtain at the present time is the sworn statement of my father, which I am inclosing.

Sir:

Walter Kenton Light (106-389) S.1c., was examined physically November 15, at the U. S. Marine Hospital, Savannah, Georgia, for enlistment in the regular establishment. The examining physician was W. J. Bush. Dr. Bush voted him not physically qualified because of potential right inguinal hernia, with the statement that: "He should be hospitalized for repair of this hernia and special temporary enlistment extended if necessary to cover this time required for repair and healing of hernia estimated two months."

This man's present status is Special Temporary. On November 25, 1932, he applied for physical examination for Regular enlistment at the Barge Office, New York, and was examined by Dr. Sherwood. Dr. Sherwood reported him physically qualified for enlistment. It would be very helpful to Headquarters in determining this man's status to have another examination by at least two officers. For this reason he has been directed to report for physical examination to your hospital.

Respectfully,
