Sir:

We regret that it was impossible for us to save the fishing boat. As the sea has been running high ever since the fishermen landed. Our boat would not weather that kind of sea, and we were unable to go across to Whitney Island to get help. If the cutter had arrived here early the boat would have been saved.

The two men received food and shelter, also provided with a complete change of clothes, shoes included, being in a destitute condition. Also a collection of $15.00 was taken up among us as to provide them at arrival in port with food and shelter temporarily. Also a letter was given them, to whom it may concern, that they were shipwrecked, so as to provide them with a passage to nearest port, according to the custom of the sea.

Respectfully,

/s/ Oscar Lindberg

From: District Coast Guard Officer,

To: Commandant, U. S. Coast Guard

Subject: Oscar Lindberg; change in status.

Inclosure: (A) Form 2660 Nomination.

1. The inclosure is forwarded with recommendation that the change indicated therein be approved. This recommendation is based on the fact that Mr. Lindberg, who has just returned from leave of absence, is advanced in years and is not in a good physical condition. It does not appear practicable to subject him to service at an extremely isolated station such as Scotch Cap where medical attention would be difficult to obtain. Five Finger Lightstation is near Petersburg and Juneau where patrol vessels may be called upon to furnish transportation. It is the policy of this office to place the few remaining civilian keepers at Southeastern Alaska stations as it is considered that younger men are more fitted for isolated stations.

2. It is felt that in the interests of Mr. Lindberg and the service itself the nomination should be approved. He is being detailed to Five Finger since transportation is available, but will be carried on the payroll officially as at Scotch Cap Lightstation until action has been taken on the inclosed nomination.

Gentlemen:

Reference your file Misc-2899693.

Inclosed is a letter of Mr. Oscar Lindberg, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period 1 January, 1945 to 30 June, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $1,341.08 per annum, whereas, for the period 1 January, 1945 to June 30, 1947, Mr. Lindberg was paid at the rate of $1,297.95 per annum - an underpayment of $43.13 per year, or $3.59 per month.

Computation of the amount due and appropriations chargeable are as follows:

The Commandant,
United States Coast Guard,
Washington 25,D.C.

Sir:

Re: (FA-PA) CG 75

Transmitted herewith for administrative examination and report is the claim of Oscar Lindberg, 916 North 36th Street, Seattle 3, Washington, for the difference alleged to be due for retired pay based on gross salary, over that paid based on net salary, as an employee of the United States Lighthouse Service, for the period January 1, 1945 through June 30, 1947.

The administrative report should include copies of the appointments during the last 5 years of service rendered on which the retirement pay was based, indicating the effective date of retirement and whether subsistence or quarters were in addition to or deducted from his gross pay. The amount of subsistence or quarters involved should be furnished.

The report should clearly show the amount of retirement pay currently being received and the basis on which it was computed. In the event a supplemental amount is due, the amount which should be paid and the basis on which it should be computed should be furnished, indicating the period over which an adjustment is due.

If any amount is found due for the period claimed, a short form pay roll should also be furnished indicating thereon the appropriation, symbol, and account number chargeable.

The enclosure should be returned with your report.

Respectfully,

P. E. Rours

Chief of Section.

Dear Sir:

Reference is made to your Form 3102 dated June 2, 1953 in which you requested certain information concerning Mr. Oscar Lindberg, Claim No. 17574540.

The record of this office shows that Mr. Lindberg served as Fireman on board the Tender FERN from March 28, 1916 to June 30, 1918; as Oiler on the Tender CEDAR from July 1, 1918 to June 30, 1924; and as Keeper at various stations from July 2, 1924 to the close of December 31, 1944 when he retired due to disability. Pursuant to Executive Order dated 11 April 1917 issued under Authority of the Act of Congress approved August 29, 1916 (39 Stat. 602) the Tender FERN, its personnel and equipment were transferred to the Navy Department on April 11, 1917. At the close of June 30, 1919 the Tender FERN was restored to the service and jurisdiction of the Lighthouse Service in the Department of Commerce.

Under a decision of the Judge Advocate General of the Navy dated August 20, 1924 it was held that personnel transferred by the Executive Order above referred to were entitled to adjusted compensation. The personnel in question were also awarded the Victory Medal and have been granted the benefits of the War Risk Insurance Act in recognition of their status as veterans.

Enlistment, Commission, and discharge papers were not issued by the Navy and/or War Department to individuals to cover their status with respect to such service under those Departments, and in the absence thereof certificates were issued by the Commissioner of Lighthouses to persons properly eligible therefor in evidence of their status in the matter.

Your Form 3102 is herewith returned and your attention is invited to the indorsement thereon in the block under "Chief, Medical Office of the U. S. Coast Guard."

My dear Mrs. Lindberg:

Information has been received at Coast Guard Headquarters of the death of your husband, Oscar Lindberg, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 21 October 1954. Please accept my sincere sympathy.

It is requested that a certified copy of the certificate of death and a certified copy of the public record of marriage be forwarded to Commandant (PS) so that our records may be complete.

At the time of death there was due the estate of your husband final retired pay. This pay ceases at death and there is no law providing for the continued payment of any part thereof to surviving dependents. The forms necessary to effect settlement of the final pay are herewith enclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin, or the person who paid, or will pay the funeral expenses should execute the enclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the enclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with the claim for retired pay due on date of death.

Veterans Administration Forms Nos. 530 and 534 are enclosed for making application for the burial allowance and for filing claim for compensation or pension.

When the enclosed forms have been completed, return them to Coast Guard Headquarters in the enclosed pre-addressed envelope.

Very truly yours,

Sir:

Coast Guard Headquarters has been advised that Oscar Lindberg, former member of the Lighthouse Service, retired, is now undergoing treatment at your station and the question of his transfer to a nursing home has developed.

The wife of this man has advised Headquarters that she is aged and is unable to furnish any care for her husband if he is discharged from the hospital due to her physical condition and lack of financial resources.

In order that reply may be made to this man's wife, it is requested that Coast Guard Headquarters be furnished with a report relative to his present physical condition and whether or not early discharge from the hospital is contemplated.
