My dear Mrs. Lindley:

Information has been received at Coast Guard Headquarters of the death of your husband, Charles Wells Lindley, Keeper, former Lighthouse Service, now United States Coast Guard, Retired.

It is requested that a certified copy of the certificate of death be forwarded to Commandant (PS) for our records.

At the time of death there was due the estate of your husband final retired pay for the period 1 - 4 March 1957. Retirement benefits paid by the Coast Guard ceases at the death of the retired member. Death benefits for the widows of certain employees of the former Lighthouse Service are provided by Public Law 719, 81st Congress, approved 19 August 1950. The Civil Service Commission is charged with the responsibility for administering the Act and the agency has devised a form to be used by eligible widows in making application for the benefits of this Act. Widows eligible for benefits should write direct to the Retirement Division, U. S. Civil Service Commission, Washington, D. C. for the application form, and information as to the procedure for making claim therefor.

If your husband had service other than that with the former Lighthouse Service, it may be possible that as his legal widow death benefits provided by laws administered by another agency, such as the Veterans Administration or Social Security Administration may be available. In that event it is suggested that you contact the department concerned relative to your eligibility.

The forms necessary to effect settlement of the final retired pay are herewith enclosed. If a legal representative is appointed to administer the estate of your husband, the person appointed should complete the enclosed Forms No. 1055, claim for the final pay and attach thereto a copy of the court order as evidence of the appointment. If a legal representative is not appointed, the next of kin, or the person who paid or will pay the funeral expenses, should execute the enclosed Forms No. 1055, in the presence of two witnesses, taking care to answer all questions as checked. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the enclosed waiver form. This information is required to support the claim for the retired pay due on date of death.

When [illegible] return to room 2111 station 2-4.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with the claim for retired pay due on date of death.

When the enclosed forms have been completed, return them to Commandant (PS) in the enclosed pre-addressed envelope which requires no postage.

Very truly yours,

Mr. Charles W. Lindley

Sir:

Reference is made to your letter of 4 March, 1946, inquiring as to whether or not your retired pay will be affected by the Federal Employees Pay Act of 1945 (Public Law 106, 79th Congress), under which Federal departments were required to establish for full-time per annum employees a basic work-week of 40 hours, and to compensate such employees at overtime rates for work ordered by proper authority and performed in excess of 40 hours a week.

This is to advise you that the Federal Employees Pay Act of 1945 applies only to employees still in the Service. There is no authority under existing law which would permit the Coast Guard to increase the annual rate of your retired pay.

By direction of the Commandant:

Gentlemen:

Reference your file Misc-2873763.

Inclosed is a letter of Mr. Charles W. Lindley, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period November 1, 1939 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1356.00 per annum, whereas, for the period November 1, 1939 to June 30, 1947, Mr. Lindley was paid at the rate of $1176.00 per annum - an underpayment of $180.00 per year, or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

2001255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1940 - -	$ 120.00
2011255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1941 - -	180.00
2021255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1942 - -	180.00
2031255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1943 - -	180.00
2041255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1944 - -	180.00
2051255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1945 - -	180.00
2061255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1946 - -	180.00
2071255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1947 - -	180.00
TOTAL	$1,380.00

For tax withholding purposes, the records of this office show that Mr. Lindley claims 5 exemptions.

Mr. Lindley's mailing address is 9160 Johnson Drive, La Mesa, Calif., and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

In accordance with the Comptroller General's Decision B-70029 dated 10-23-47, which reversed Decision A-31584 of 5-23-30, your retirement pay has been recomputed on the basis of the average gross pay (which includes the valuation of quarters for the period occupied) received during the last five years of your active duty. The computation on this basis changes the rate of your retirement pay from $1176.00 to $1356.00, and this notice is issued in order that you may have accurate information as to the rate of retirement pay which you are authorized to receive.

Total Service: 30 years, 2 months, 27 days

1. Your offer to return to the Service for duty at Punta Gorda Light Station during the emergency is very much appreciated. Your experience as a lighthouse keeper and your long service at Punta Gorda will render your services valuable at that station in case a shortage of station personnel makes it advisable to take advantage of your willingness to return to duty.

2. Your letter will be kept on file and you will be advised promptly should conditions arise justifying your recall to active service.

Mr. C. W. Lindley
Keeper, Punta Gorda Light Station.

1. Referring to your letter of August 14th, you are advised that due to the present reorganization it is desired that you remain at the Station as long as possible and for that reason it is desired that you do not retire until at the close of business on October 31st.

2. Up to the close of October 31st you will have earned annual leave not taken of 30 days and 19 hours. It is not desired to grant you accumulated compensatory leave since that leave is to be used up not later than the month after the month in which it is earned, but you may use compensatory leave, if necessary, in order to put your affairs in order preparatory to retirement. 30 days annual leave will be granted you commencing on or about September 25th to the close of October 31st.

3. A prepared request for your retirement at the close of October 31st will be mailed you for your signature at an early date.

O. L. JENKINS
Acting Superintendent.

P.S. You may remove your household goods from the Station on September 25th, or previous to that date, as you see fit.

Sir:

Please advise me when I can retire from the Service, I am now over 65 years of age and have served 30 years, My reason for asking is, the high tides will take our road before long, and that will make hauling our good from the Station difficult & expensive.

respectfully,

Retirement of Lighthouse Keepers.

1. There are forwarded herewith the applications for retirement on Form 9 of four Keepers of Light Stations in this District, all of whom are now more than 64 years of age.

2. These applications have been filled out to be effective at the close of June 30, 1939, primarily with a view to protecting the retirement rights of the individuals, however in view of Bureau Circular Letter of June 5th, just received, relative to retirements, it would appear that it may not now be necessary for those Keepers to retire at the present time, and the applications in question are forwarded to be held by the Bureau for action whenever considered desirable.

3. The four keepers whose applications for retirement are forwarded herewith are:

1. You were recently directed to file your request for retirement in order that you might be protected in case it became necessary to retire you.

2. The Bureau of Lighthouses has just returned your application because you were not eligible for retirement at the close of June 30th. Your application has therefore been cancelled. You are protected under the Lighthouse Retirement Law according to advice received from Washington and you will be directed to again submit your request for retirement when eligible to do so.

HWR:EHA

June 2, 1939.

Mr. Charles W. Lindley,
Keeper, Punta Gorda Light Station.

1. Referring to the proposed transfer of the Lighthouse Service to the Coast Guard to be effective on July 1, 1939, you are advised that compulsory retirement for all personnel in the Coast Guard Service is at 64 years of age and in view of the fact that you are now more than 65 years of age it will, no doubt, be necessary to effect your retirement at the time of the transfer or shortly thereafter, and it is assumed that your retirement will be made under the Lighthouse Retirement Act.

2. There are enclosed three copies of Form 9, application for retirement, which have been filled out to indicate your retirement at the close of June 30,1939, and it is requested that you sign these three forms and return them all to this office in order that they may be available for use as deemed desirable for the best protection of your retirement. Return them without delay.

Mr. Charles W. Lindley,
Keeper, Punta Gorda Light Station.

1. In accordance with the requirements of the Lighthouse Regulations, Mr. F. W. Ritchie, Keeper of the Ano Nuevo Island Light Station, was directed to submit a report upon the conduct and efficiency of Mr. W. R. Piland, Second Assistant Keeper at his Station, who was transferred from your Station on account of your inability to work harmoniously with him. There are enclosed for your information copies of letters from the Keeper and the First Assistant Keeper of the Ano Nuevo Island Light Station relative to Mr. Piland's conduct and efficiency from which it will be noted that he has been given high ratings in both conduct and efficiency at his new Station.

2. The letters of commendation given Mr. Piland at his new Station would seem to indicate that the lack of harmony which existed during the time that he was assigned to the Punta Gorda Light Station was not entirely of his making.

3. This matter is brought to your attention at this time with instructions that in future you make sure that your treatment of Assistant Keepers is such as to develop and take advantage of their abilities and that you treat them in such a manner as to promote harmony at your Station.

Superintendent of Lighthouses,

Sir:

In compliance with your request for a report upon the behavior of Mr. W. Piland, 2nd Asst. Keeper, after he has been stationed here five months:

During the five months of service that Mr. Piland has performed here there has never been an occasion that I have been able to find the least fault with the work or actions of Mr. Piland. In fact, I consider Mr. Piland as one of the best men I have been stationed with in this service.

Mr. Piland is just the type of man needed at this station. He is an excellent boatman and a good gas engine man and understands the taking care of and the upkeep of both light and fog signal. He is a splendid worker, neat and fast, and has fine mechanical ability. I consider Mr. Piland a very dependable man in all the work relative to this station and he has taken an interest in trying to clean up this place and improve the condition of the station.

Mr. Piland is a man of very good character, far above the average. He attends strictly to his own business, is quiet, obliging and obedient, and speaks well of everybody. He is the type of man who will go a long way and overlook a lot of injury to himself to get along peacefully.

Mrs. Piland has not been on this station since her husband has been stationed here. I met Mrs. Piland on the mainland for a few minutes to speak to and she impressed me as being a very fine woman.

I consider myself very fortunate in having Mr. Piland sent here as an Assistant Keeper, and I really don't think you could have sent a better man for this station.

I have requested Mr. Kreth, First Assistant Keeper, to make a report of his knowledge of Mr. Piland for the last five months, as they both live in the same quarters.

Very reqpectfully,
(SGD) F. W. RITCHIE,
Keeper.

Sir:

Having been requested by Mr. Ritchie to report my appraisal of Mr. Piland since he has been employed at this station, I will say that I consider Mr. Piland a most suitable man for this particular station at least. Mr. Piland is an excellent boatman. He has a good knowledge of the care and upkeep of the light, is an exceptionally good painter and also has a good understanding of the gas engines and the fog signal equipment. Most important of all, Mr. Piland is always willing to work, like Mr. Ritchie and myself, to put this station in its best possible order. Last but not least I have found Mr. Piland to be of good character and with a pleasing and agreeable disposition.

Sir:-

1. Referring to your letter dated May 26-1936, I do not desire a transfer to Cargnines Straight Light Sta, I like this station and would like to remain here to finish my time here, I have been in the Service twenty seven years, and on this Sta about seventeen years and Consider I have done my work faithfully for the benefit of the Service.

2. I asked for 2nd asst to W.R. Piland's removal from this Station, not his dismissal from the Service, and I believed I had just Cause for this request.

respectfully,

Mr. C. W. Lindley,
Keeper, Punta Gorda Light Station.

1. You are requested to report immediately by letter if you desire to be considered for transfer on or about August 1st to the position of Keeper of the Carquinez Strait Light Station with pay at the rate of $1440.00 per annum, which is the second step in the range $1380-1740.

2. The investigation of the charges which you recently filed against W. R. Piland, Second Assistant Keeper at your Station, does not indicate that Piland's conduct is such as to warrant dismissing him from the Service and since he desires to remain at Punta Gorda, which is considered by most keepers as an undesirable Station, it appears desirable to leave him there for the time being and, if agreeable to you, to transfer you to an easier Station.

3. In the event that you desire to accept this transfer, it will be necessary to have your household effects delivered to a Lighthouse Tender at Eureka, from which point they could be transported and delivered directly to you at the Carquinez Strait light Station without further charge.

4. Submit your reply as soon as practicable.

2. It is presumed from your letter that you propose to make the trip to San Francisco at your own expense as there is no authority to authorize your travel to the District Headquarters.

3. Your necessary leave of absence for the purpose of your proposed visit is authorized with the understanding that both of the Assistant Keepers will be on the station until your return.

1. Your application for 26 days of leave is being returned approved for fifteen days from December 17th to December 31st, and in this connection you are reminded of the Regulations which prohibit keepers spending any part of annual leave on their stations. This leave will be charged to your annual leave.

2. In view of the fact that you were absent from your station during the entire month of September and to the further fact that your station was not in a satisfactory condition at the time of the last inspection, being disorderly and indicating a lack of necessary care and attention, the maximum amount of leave authorized for your station will not be granted in future until your station is found to be in an entirely satisfactory condition.

1. From the trend of your letter of Nov 7th, evidently you have been falsely informed that I have been spending some of my leave on the Station, this I have not done and can give you the address of reliable witnesses if you so desire, during my 25 years of Civil Service I have not knowingly broken any rules or regulations. Since your inspection all work ordered by you has been done, besides painting the Tower and 2/3 of the Signal roof to stop leaks.

2. E.P. Perry 2nd asst would not take his leave in June and would ~~give~~ not give me no satisfaction whatever so I concluded he didnt want any leave, he took the month of Oct, during that time he went to San Francisco leaving no address, (as ordered) he was gone several days before I knew of it, his Camp was in Chambers Cabin at Four mile so there was no reason for his leaving that way.

	30 days.....	150.00

2. No further deductions will be made for the remainder of the fiscal year ending June 30, 1933. You have been charged with 22-1/2 days of leave and have a remainder which you may take of 1-1/2 days. Regardless of the fact that 23-3/4 days was deducted from your pay for the month of September, the Comptroller has ruled that deductions must be made each month until the 30 days have been taken and since deductions amounting to 28-3/4 days were made to the close of September 30th, 1-1/4 days was deducted from your pay for the month of October to complete the 30 days which must be taken.

C. W. Lindley,
Keeper,
Punta Gorda Light Station.

1. Your approved application for furlough without pay is enclosed. In this connection you are advised that under the recent Economy Act the entire period of your furlough without pay will have to be deducted from your September pay check.

2. The personnel of Punta Gorda Light Station will be furloughed on 24 working days during the year which, when multiplied by 1-1/4, will equal 30 calendar days, or one month. If furlough without pay is now taken during the month, it is necessary, under the regulations, to deduct 1/12 of the monthly salary, and the leave not taken may accrue and be taken at a later date.

3. A circular containing full information regarding the leave status of stations in the District will be shortly mailed to you.
