Bureau of Lighthouses, Washington,
July 18, 1934

SUBJECT: Salary range position 2nd asst.kpr.,The Graves; 2d Superintendent's letter of 7/16/34.

Returned to Superintendent of Lighthouses, Chelsea, Mass., with request for report as to the reason Mr. Rogers was permitted to relinquish the dwelling on July 1, 1933, and whether or not that dwelling is still available for his occupancy. If that dwelling is still available to him and it is especially in the interest of the Service that he occupy it, it appears necessary that he continue to have a deduction made from his pay on account of that dwelling even though he chooses not to occupy it. If the dwelling has not been available or if it is not in the interest of this Service that he occupy it, your office may submit with your reply a nomination for the adjustment of Keeper Rogers' salary as indicated in your paragraph 2 above, explaining under remarks the reason for the delay in taking this action.

Nomination, Form 73, is attached, recommending adjustment in pay, to cover the discontinuance of this allowance.

U. S. Coast Guard

In compliance with your request dated April 24, 1940 in the case of L. D. Rogers, keeper of Graves Light Station, please be advised that Mr. Rogers has been under treatment at this hospital for bronchial asthma, abscess of lung, non-putrid, right middle lobe and bronchiectasis since August 22, 1939.

At the present time he has a slight afternoon temperature and his general physical condition is much better than at the time of his original admission to the hospital. He is, however, still far from being well and it is very doubtful if he will ever recover from the asthma and bronchiectasis. He will be unable to return to his regular duties for at least six to eight weeks.

By Direction of the Medical Officer in Charge.

Very truly yours,

W. H. Meyer

(a) Application for retirement dated 18 October, 1941.
(b) Form 2806.
(c) Headquarters' dispatch 022201.
(d) Your dispatch 031815.

1. Mr. Rogers has been found disabled for further service and his retirement on account of physical disability effective 31 Dec., 1941, is being recommended. Promptly upon Department approval it will be forwarded.

2. Mr. Roger's personnel file has been carefully examined and it fails to disclose any application for leave without pay, or any report of leave without pay from the District office. It does show, however, a Personal History Statement, filled out by subject employee, and dated 7 January, 1940, a date when he apparently was in a leave without pay status as shown by references (a) and (d).

3. Since there appears to be some confusion in the matter, Headquarters requests your records be rechecked and if it is found Mr. Rogers was in a leave without pay status, forward an explanation and the authority under which the leave without pay was authorized.
