Sir:-

Your notification that I was recommended for probationary appointment to the position of 2nd Asst. Kpr. at Libby Islands Lt. Sta., Me., was not rec'd. until April 5th P. M. Owing to my being unable to get a shore for my mail.

Answering yours of 8th instant, have to state that the amount paid you, $22.80, for pay and $5.70 for commutation of rations, total $28.50, is correct. Thirty (30) days to each month constitutes, according to regulations, a month's pay, while the number of days of each month at 30¢ per day, the commutation of rations, thus

January 13 to 31 = 18 days pay - -	$22.80
January 13 to 31 = 19 days for rations- -	5.70
	$28.50

For example :-

The month of February will count for you as 30 days for pay, but only 28 days for rations.
