F. R. Macy:

Received your letter of about 10 days ago and also your undated letter postmarked 1 October, 1942. From the two, it is very evident that you wish to be transferred from Cleveland Ledge back to Eastern Point Light Station. It is realized that the conditions under which you must operate Cleveland Ledge Light Station are not satisfactory from your personal view point, since it is now serving a dual purpose as a signal station as well as a light station, with personnel of the signal group outranking yourself. The confined conditions and cramped quarters for so many men was not intended in the design of this station. This you must realize, but due to the strategic location and facilities offered by this station, it is possibly the most important station in the district, and must function along its assigned demands. Unless you have definite orders to the contrary from the Commanding Officer, Sandwich Station, or from this office, you are the Officer-in-Charge of Cleveland Ledge Light Station, and all persons stationed there, regardless of rank or rating, must abide by the station rule of the commanding Officer, in the same manner as guests, working parties, etc. aboard ship must comply with the rules of the particular vessel. Such adjustments must be realized and cooperated in by all concerned. In your case, it seems the signal group, since the number greatly exceeds your station complement, would assist in general cleaning, etc., so long as such work does not interfere with their assigned duties. Have you spoken to the officer-in-charge of the signal detail relative to this matter? A copy of this letter and also of your latest, is being forwarded to the Commanding Officer, Sandwich Station for his information, in order that he will be able to straighten out the situation.

You were selected for this station due to your length of service, experience and knowledge of radiotelephone, radiobeacon, fog signal equipment and small boat operation. Military personnel qualified to handle this station are few, and the demand for same is great. At least for the duration, the ability of military personnel to fulfillea specific need must determine their assignments, with personal inconveniences and desires receiving only secondary consideration.

Your case has been referred to the Personnel Section who handle any actual transfers to be made. However, until such transfer is made, it will be necessary for you to overlook such inconveniences as cannot be avoided. I have found that military men must often swallow their pride and forget personal desires in order to perform their assigned duties to the best interest of the Government during a war such as that in which we are now engaged.

Lieut. V. Gibson,

Boston, Mass.

Mr. Gibson, as you know I am not in charge of Cleveland Ledge Light. For this reason I don't wish to stay here any longer as it is an unhappy situation as far as I am concerned. I wish to go back to Eastern Point as Mr. Hill will be taken away for other duty and a competent man will have to be put in his place. I requested a transfer but was turned down. When I requested to come to Cleveland Ledge, my request was for the Keeper's or officer in charge position and not as a workman here. I am the only man working at the light now and have been for last four days.. I will be until the officer in charge comes back from leave. He and I are the only ones out of eleven men working. Do you wonder I want to get away from this station.

Picking up and cleaning for all these men and officers. I have lost about fifteen pounds in weight. My family is in Gloucester another reason for going back. The setup here is three officers, five signal men, one cook who is a B.M.1c., Mr. Wallace, and myself. Mr. Wallace and myself do the work, cleaning, painting, etc. After twenty-five years in the service I never thought I would be up against a situation like it is here. The rest stand watches, when not on watch set around, read, sleep, etc. Another reason I do not have a chance for a higher rating like I will have at Gloucester. Have a few other reasons for being bitter and wish to get back to Gloucester. I wish to do my work in the service in a happy frame of mind as well as be interested in the station.

I can't get it here, I have lost all interest in this station. Under no conditions do I wish to stay longer than I have to. I wish you to consider this a personal note to you. Telling you the change of feeling I now have since the last time I saw you in office.

/s/ Francis R. Macy.

P.S. I hope you can read this writing as I have grown quite nervous and it seems I am getting worse.

1. As stated in Personnel Bulletin 76-44, paragraph 9(c), enlisted persons holding temporary ratings being reenlisted must be reenlisted in their last permanent rating and immediately advanced to the temporary rating held at the time of discharge. Therefore, Macy's reenlistment contract, dated 7 June, 1944, is incorrect in that it shows the rating in which reenlisted as CBM instead of his last permanent rating, BM2c.

2. The original enlistment contract has been corrected to show Macy's rating as BM2c. Your records should be corrected accordingly.

Subj: Retirement; travel

1. Your application for retirement by reason of completion of thirty or more years of service is hereby approved pursuant to the provisions of Title 14, United States Code, Section 354, and the date of 31 May, 1950, is fixed as the effective date of your retirement. Therefore, on 1 June, 1950, you will be placed on the inactive retired list of the United States Coast Guard.

2. Prior to actual detachment, you will be informed of your rights and benefits as a veteran and, upon detachment, issued DD Form 214, Report of Separation from the Armed Forces of the United States in accordance with current directives.

3. Effective 31 May, 1950, you are detached from all duties previously assigned and will proceed to your home. Selection of your home and travel thereto must be within one year from date of your retirement or one year after the official termination of war, whichever is later. Once you have notified the Commandant of arrival at your permanent home, action is final and no further designation may be made.

4. Your commanding officer will immediately furnish a copy of this order to the certifying officer having custody of your pay record. The certifying officer will forward your pay record to the Commandant (PA-P) upon your detachment. If final credit entries, such as leave rations, unused leave to be settled for on retirement, etc., have not been posted, a Commanding Officer's Pay Record Order, Form S and A 510, covering such credits will be obtained and forwarded. Upon detachment, you will immediately notify the Commandant (PA-P) of your mailing address and you will thereafter notify the Commandant (PA-P) of any change in that address. Your service and health records will be completed and mailed to the Commandant (PE-PR) on the effective date of retirement.

5. Travel expenses incident to the execution of this order are chargeable to HQ's travel allotment No. 99-20, under the authorization number indicated above.

6. While not limited to the following, indorsements on this order shall include an indorsement by your commanding officer showing time and place of your detachment and departure, and an indorsement by you showing the place selected as your permanent home after retirement, and date of arrival at your permanent home.

Subj: MACY, Francis R. (227-276) CBM; correction of records

1. As stated in Personnel Bulletin 76-44, paragraph 9(c), enlisted persons holding temporary ratings being reenlisted must be reenlisted in their last permanent rating and immediately advanced to the temporary rating held at the time of discharge. Therefore, Macy's reenlistment contract, dated 7 June, 1944, is incorrect in that it shows the rating in which reenlisted as CBM instead of his last permanent rating, BM2c.

2. The original enlistment contract has been corrected to show Macy's rating as BM2c. Your records should be corrected accordingly.

Copy for the Commissioner of Lighthouses:

As stated in paragraph three above, it is requested that the above letter be made a part of the official history of the employee in question. The neglect of duty mentioned above has reference to an instance where the Assistant Keeper who was on watch at the time did not place the fog signal at his station in operation until the fog was thick and it was necessary for the keeper to direct him to do so. The disrespectful language resulted when the keeper directed the assistant to promptly attend to this duty. It is believed that the above letter is sufficient caution at this time and that there will be no repetition of the instance.

F. R. Macy, Assistant Keeper,

(Through the Keeper)

The Superintendent has given careful consideration to the Keeper's report of July 15, 1934, relative to your not placing the fog signal at your station in operation during dense fog at 1:40 A.M., on said date until your attention was called to this delinquency by the keeper.

Apparently little heed has been taken to letter of warning which was sent you on March 14, 1934, as a result of a previous similar case of neglect of duty and that you continue to manifest your lack of conception as to the responsibility of your position by allowing the existance of such a serious condition as has now twice been reported.

In considering your case the writer has noted your previous service in this district which up to the time of the above-mentioned reports has been satisfactory insofar as the official records of this office are concerned. In view of this fact one more chance will be given you and should any further report as to your neglecting duty or apparent sleep on watch be made to this office there will be no other alternative than to recommend to the Commissioner of Lighthouses, your immediate dismissal from this Service.

A copy of this letter is also being forwarded to the Commissioner for his information and it is trusted that you will be guided accordingly so that it will not be necessary to take such action as referred to above.

The Bureau is in receipt of a report from the Superintendent, relative to your not placing the fog signal at your station into operation during a dense fog on July 15. This is a serious lapse of duty on the part of a keeper, and you are hereby reprimanded for your neglect of duty in this instance and cautioned against a repetition, which would lead to more serious action being taken. The fact that you have been reprimanded will be made a part of your official history.
