Director of Personnel,
Treasury Department,
Washington, D. C.

Sir:

Receipt is acknowledged of the Civil Service Commission's letter of December 29, 1939, indorsed to Headquarters by the Department on 3 January, 1940, in connection with the request for Declaration of Appointee in the case of

Noble F. Hyde,	Radio Operator
Orrie B. Magee,	Keeper
Theodore Pedersen, Jr.	Keeper

The required forms were submitted to the Department of Commerce in all of these cases in connection with reinstatement in 1937 and 1938, and it is understood that they were in turn forwarded to the Civil Service Commission. In view of the fact, however, that the Commission does not have them in its files, the required forms are inclosed for Messrs. Magee and Pedersen. Declaration of Appointee has been requested from the field office at Seattle in the case of Noble F. Hyde, and it will be forwarded upon receipt in Headquarters.

By direction of the Commandant,

Very truly yours,

C. H. JONES,

Commissioner of Lighthouses, Washington:

1. Enclosed herewith are Nomination Forms 73 covering the exchange of positions between George W. Horner, now Keeper of Mifflin Bar Range Rear Light Station, New Jersey, and Orrie B. Magee, now Additional Keeper at Large. Previous to Mr. Magee's present appointment as Additional Keeper, he had served for three years as Assistant Keeper at Ship John Shoal Light Station and Harbor of Refuge Light Station, in Delaware Bay. He is considered one of the most competent of the keepers in the service.

2. It should be stated that this exchange, which will be made at the expense of the keepers involved, will result in an additional deficit of $80.00 under the appropriation, "Salaries, Keepers of Lighthouses, 1931," making the total estimated deficit under this appropriation $265.39, which it is understood can probably be allotted from funds expected on account of increases authorized by the Brookhart Act.

INSTRUCTIONS.

1. Great care must be exercised in marking men for their professional qualifications, conduct, and value to the Survey, as these marks are the guides by which the fitness of men for the service and for the positions of petty officers are judged.

2. It is understood that marks for proficiency in rating for any period of time show the intelligence and zeal displayed by a man in his performance of all the particular duties of the rating held by him during that time; marks for seamanship show the ability and usefulness of a man in performance of all duties required of a seaman as well as his knowledge of all matters relating to seamanship; marks for sobriety and obedience should conform to a uniform system, in order that equal weights will be deducted for equally grave offenses and strict justice accorded to the shipped man.

3. When a mark below a 5 is assigned in sobriety or obedience for a quarter in which no offense has been committed, the cause for such action must be entered in the column of offenses.

4. All written requests of shipped men regarding discharge while without the limits of continental United States where they may have shipped, in which claims to transportation at Government expense may be waived, must, if granted, be entered in full on the service record.

5. When any shipped person deserts, or is dishonorably discharged for bad conduct, incompetency, inaptitude, or as an undesirable person for the U. S. C. & G. service, a report thereof on Form 226, with his complete descriptive list, must be sent to the Superintendent and to all vessels in the Service. The fact that such report has been sent must be noted on the service record.

6. In event of death or desertion, fill out form on this record.

The Light-House Board,

Washington, D. C.

Sirs:

1. I respectfully request authority to transfer Mr. Orrie B. Magee, Second Assistant Keeper at Harbor of Refuge Light-Station, Del., to some other station in the Fourth Light-House District.

2. Mr. Magee was on watch at Harbor of Refuge Light-Station on the morning of March 3, 1910 when the Secor Oil engine operating the fog signal became totally disabled, necessiting extensive repairs, and after investigation, I am of the opinion that he does not possess the necessary skill to handle the complicated machinery at this station. I am not prepared to recommend his dismissal, but am of the opinion that if he remains in the service he should be required to exchange places with the person selected to fill his place.

3. Mr. Magee's pay is at the lowest rate authorized, hence any transfer which may be recommended will not reduce his pay. Efforts are now being made to obtain a satisfactory successor.
