Subj: Forwarding of information relative to the enlistment of former Lighthouse Service personnel in the regular Coast Guard

1. Reference is made to your letter of 8 September, 1945, File 783, relative to the enlistment of former Lighthouse Service men in the regular establishment of the Coast Guard.

2. These men are not eligible for reenlistment in the regular establishment of the Coast Guard. However, those who are qualified may request waivers for rating in order to be eligible for enlistment in the STE, regular Coast Guard (PB 82-45). Attention is invited to the fact that, should these men be accepted for enlistment in the STE, they would have to be enlisted as seamen, first class, with immediate advancement to their present ratings (temporary). Waivers may also be requested for age.

3. The following is quoted for your information:
"While the Act of 5 August, 1939, contained a savings clause which safeguarded the pay and retirement status of employees of the former lighthouse service who were inducted into the military establishment under that law, it is apparent that if the keepers in question left their civilian positions and enlisted in the regular CG they would be doing so at a considerable sacrifice in that they would not be given credit for their civil service toward retirement in the regular CG, nor would they have the benefit of the savings clause of the Act of 5 August, 1939, guaranteeing them retirement under the Lighthouse Act, if that would give them more than retirement under the military law."

4. In view of the above, it is felt that it would be in the best interests of these men to accept discharges from the Coast Guard reserve and return to their Civil Service status'.
