From: Commandant.

Subject: Joseph Maynard, Engineer, Cornfield Point Lightship No. 118; computation of retirement pay.

Reference: (a) Form 2521.

1. Reference (a) submitted by your office, showed Mr. Maynard's salary for the last five years of service to be $2280 per annum. The record shows that he was promoted from $2160 to $2280 on 1 December, 1938. Since that change took place within the last five years, it reduced the total earnings to $11,260.00 and the average annual pay for that period to $2252.00. This also affected the annual rate of retired pay, which upon recomputation has been found to be ($2252 x years 25.7583 ÷ 40) $1450.19.

2. It is requested that the records in your office be amended accordingly. Department notice of retirement will be forwarded upon receipt in Headquarters.

Office, Senior Coast Guard Officer,

Rec'd

From: Commandant.
To: District Coast Guard Officer, Third Naval District, New York.

Subject: Joseph Maynard, Engineer, Cornfield Point Lightship No. 118; computation of retirement pay.

Reference: (a) Form 2521.

1. Reference (a) submitted by your office, showed Mr. Maynard's salary for the last five years of service to be $2280 per annum. The record shows that he was promoted from $2160 to $2280 on 1 December, 1938. Since that change took place within the last five years, it reduced the total earnings to $11,260.00 and the average annual pay for that period to $2252.00. This also affected the annual rate of retired pay, which upon recomputation has been found to be ($2252 x years 25.7583 ÷ 40) $1450.19.

2. It is requested that the records in your office be amended accordingly. Department notice of retirement will be forwarded upon receipt in Headquarters.

W. R. STILES.

In regard, Joseph Maynard, engineer, shore liberty in month of July.1940.

Hereby explain, that Maynard been permitted 2 extra days leave added to his 8 day leave at his own request, account of having some business to attend to in Canada.
Knowing that Maynard had none days leave during month of May.1940. And account thereof Maynard been permitted by the Master the leave due him.

My failure for not giving any explanation to above stated, was because the report on form 65 would cover same, as per Maynard's records in Office, Maynards intention was to return to Lightship on 25 july, a card received from Maynard during his absence in regard the 2 additional leave to attend business as above stated.
