Sir:

This P.M. 4.15 Boat No. 128-A came ashore west of tower, engine running and no one aboard, came in from off shore. Keeper went ashore and telephoned the Coast Guard Sta. They came 5.45 P.M., took the boat off the ledge and took it to Portland 6.30 P.M. Very little damage done. Can't say what happened to the man that had the boat. There was quite a sea running at the time and they done good work launching and getting away from the ledge. McBride and Myers assisted them in making the boat fast and holding it until they got here.
