Sir:

With regards to Mr. McMonigals's leave, it seems as though I cannot keep my books with those of the office.

By my figures he had had 6-7/24 days compensatory leave up to the 9th. of August. He then took 15 days starting Aug. 13th at 4 p.m. He would have had 2-11/24 days compensatory comming which would have used up to 3;00 a.m. the 16th. From 3;00a.m. the 16th to noon the 21st would be 5-9/24 days and from mid. the 22nd to noon the 28th would be 5-12/24 days making a total of 8-18/24 days comp. and 10-21/24 days annual.

July

July

If as reported on the leave request he had 3-19/24 days comp. comming, I can figure no other way but what he would then be charged with 9-13/24 days annual. 3-19/24 days comp. would use up to 11 a.m. the 17th. then 4-1/24 days annual to noon the 21st. then 5-12/24 days annual from mid. the 22nd. to noon the 28th.

It is immaterial to me how little or how much time is charged to them but I would very much like to keep my records with those of the office. It dose not look well to have my records at variance with those of the office. It will be very much appreciated if you will explain the difference.

Respectfully,

Dear Sir:

1. Referring to your letter of June 2, 1935, a letter was mailed from this office June 10, 1935, requesting you to call at this office for the purpose of endorsing check for balance of salary due you as former First Assistant Keeper of Point Reyes Light Station, during the month of May, 1935, in order that settlement of your unpaid bills for telephone service at Point Reyes Light Station and for gasoline and milk obtained from the keepers at the station, may be made.

2. In view of the fact that you have failed to reply to the district letter of June 10, 1935, or to call at the district office to arrange for settlement of the unpaid bills which accrued at the Light Station for telephone service and milk and gasoline, it becomes necessary for this office to request you to call at this office without delay. These unpaid bills appear to be just and correct. This office does not wish to report you to the United States Civil Service Commission with a view to having you barred to all Civil Service examinations and Government employment, but will be obliged to take such action if you fail to call at this office as requested.

3. It appears that there will be a few dollars coming to you after the telephone, milk and gasoline bills have been settled. The telephone bill amounts to $2.45 and the Telephone Company is charing the bill against this Lighthouse District. The milk bill amounts to $5.00 and the gasoline bill to $8.50, making a grand total of $15.95. The amount of your balance check being held in this office is $19.17.

4. This letter is being forwarded to you by registered mail to the above address and also a copy addressed to you in care of J. A. McKelvey, Route 1, Box 704, Palo Alto, California.

1. Referring to your resignation to take effect at the close of May 31, 1935. The Keeper advises this office that you are indebted to Assistant Keeper Zotterquist for fifty quarts of milk at ten cents a quart, amounting to $5.00, and to Keeper Miller for fifty gallons of gasoline at seventeen cents a gallon, amounting to $8.50.

2. It appears that the gasoline purchased for the keepers at the Light Station is all billed to Mr. Miller and he in turn collects from the assistant keepers for the portion delivered to them.

3. It also appears that there will be a Coast Guard charge for personal telephone calls.

4. You are requested to remit immediately to this office a check in payment of the milk and gasoline amounting to $13.50, and also the amount of your personal telephone calls.

For and in the absence of the Superintendent,

Mr. C. G. McMonigal,
First Assistant Keeper,
Point Reyes Light Station,

Through the Keeper.

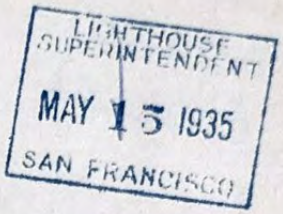

1. This office is in receipt of a letter from the Palace Food Market, Point Reyes, California, dated May 14, 1935, stating that you are indebted to the Palace Food Market to the extent of $2822 for groceries etc. This Company operates a "cash and carry" market, and only for the convenience of government personnel has charge accounts been permitted. It is very essential to maintain an excellent credit with all supply houses so that all keepers and assistants can obtain reasonable credit.

2. It is noted that you have reduced your account since the close of January, and effort should be made to pay off the entire indebtedness at the earliest practicable date. The Palace Food Market states that it received no payment on account for the month of April. Reasonable payments must be made every month on the account with the Palace Food Market.

Superintendent of Lighthouses,

San Francisco, Calif.

Dear Sirs:-

As manager of THE PAIACE MARKET, at Point Reyes Station, do hereby file formal complaint against MR. C. G. MC MONIGAL stationed at Point Reyes Light Station, for indebtedness incurred for the necessities of life composed of groceries etc.,

We are operating a cash and carry grocery market here and for the convenience of those on duty at the Light house and Coast Guard credit is given on a monthly basis on the guarantee that the account be settled monthly, and this credit is given with the additional security that they are employed by the various departments.

In January of this year we had occasion to discontinue credit with Mr. Mc. Monigal due to the fact that he had violated the terms of the agreement for such credit. The balance at the close of January being being $52.09 and has been reduced to 28.22 which is the amount due at this time, and since no payment has been made at this time redress is sought in a direct appeal to your office for protection if such is possible.

A copy of the true balance is herewith enclosed for your files if necessary.

Your co-operation will be appreciated in this matter.

Yours very truly

OFFICE SUPERINTENDENT OF LIGHTHOUSES

WW:GG

San Francisco, California.

February 24, 1933.

C. G. McMonigal,
First Assistant Keeper,
Point Reyes Lightstation.

Through the Keeper:

1. Referring to District letter of February 17th, the explanations and statements contained in your reply of February 20th are not satisfactory to this office. Referring to the statement that it was raining on February 12th when you were returning to the station, and that the roads were slippery, records do not show any rain on that date, and furthermore you should leave in ample time to arrive at the station within your authorized leave by slow driving. Referring to your statement that you called the Keeper at the tower at 6:00 A. M. and as you got no reply you decided to return to work at 9:00 A. M., you showed on this occasion a thorough lack of interest in the Service. The fact that the Keeper did not answer your telephone calls is all the more reason for your proceeding to the tower, as he might have been in trouble, or incapacitated. Your claim that other Assistant Keepers are lax in observing and reporting their leave does not exonerate you. As First Assistant Keeper you are expected to assist the Keeper in setting a better example to the lower rated Assistants.

2. It appears from the records that you have stood a less number of Sunday visitors watches than the other Keepers at the station and that you have had the most number of visitors, and that apparently the Keeper has been very considerate in granting you leave when requested. You are directed to make every effort to fully co-operate with the Keeper in the maintenance of the station and in setting a good example to the other Assistants.

3. If further complaint is received from the Keeper it will be necessary to take more drastic action in your case.

Sir:

The keeper declines to approve the enclosed letter written by the 1st. keeper for the reason that the facts have been grossly misstated. Neither was the 1st. Asst. granted 48 hours on the 11th. of February, nor was 24 hours granted on the 13th. of January. In neither case was 48 or 24 hours asked for or it would have been granted. The facts are as stated by the keeper in his report of the 14th. of February. This fact can be varified by the other Assistants, as I have asked all of them to ask for leave in the presents of the others so that there will be np missunderstanding.

The keeper was only out of the tower on the morning mentioned Feb. 13 from 2 mins. after 6 till 5 mins. after 6. Just long enough to wind the clockwork of the light. The time was definitly noticed as the 1st. Asst. would have to report about that time to stay under the 48 hour limit.

No others have reported in this manner unless they have asked for 24 or 48 hours. Only once did a keeper fail to stand his watch after returning, unless he had a specified time off and that was the 3rd. asst. after returning from the hospital. He stated that they had used so much novocane on him that he felt terrible.

The keeper is clerk of the school board but nothing has been said or done that need to intefere with the Lighthouse. As we only have 8 children I have stated that we should not take our children out of school any more than necessary. My children have not lost a day. THE SCHOOL

From the first of July 1932 up to the present the 1st. Asst. has stood 5 Sunday visitor's watches, 2nd. Asst. 8, 3rd. Asst. 7 and the keeper 14. Also I wish to state that the weather bureau records here show no rain on Sunday the 12th. of February.

Respectfully,

H. W. Miller.

Through the Keeper.

Sir.

The Keeper gave me permission for 48 hours leave. I left at 7 am Feb 11 and returned at 7:30 pm Feb 12. I had driven from Mountain View here and the roads were slippy most of the way especialy the dirt road out here it was raining. We had to get something to eat after we arrived here since we had not eaten since noon, since I had asked for 48 hours leave I did not think I had to stand watch even tho I was on the station.

I tried four times to call the keeper at the tower at 6 am could not get him so I let it go and turned out at 9 am. for the usual work period.

Others on the station have reported in the same way and nothing has ever been said about it before. I cant give you exact data since I keep an account of no one else's time but my own.

Since others had done the same thing I did not think I was doing wrong.

Perhaps I am wrong but I thought that if we asked for 24 or 48 hours leave and it was granted it ment that many hours

and not reporting back for 6 to 12 hours earlier for a watch. If I am wrong I am very sorry and I can assure you it will not happen again.

I have tried not to ask for more time than I have coming to me and in asking for 24 or 48 hours I wanted time enough to get some rest before going back to work so that I should be able to do my work properly.

On Jan 12th I asked the Keeper for 24 hours leave to begin the morning of Jan 13th. He gave me permission to go. I did not tell him I would be back for the 8 to 12 watch or I should have asked him for 12 or 14 hours. I left here at 6 20 am returned 11 30 pm. the same day. I reported to Mr Wilson the keeper on watch at that time.

The reason I asked for a week-end leave is because of school - the keeper is on the school board and would not like me to take my girl out of school since he has complained ~~the~~ few times it has been necessary.

Nothing has been said about week end leave before and no schedule ever been made, I do not think I have taken 10 week-ends in almost 5 years service with the exceptions of the times I have had 10 days to 2 weeks annual leave.

If I have have been wrong on the way I thought 24 to 48 hours leave was to be taken I am sorry and will see that it does not happen again

Respectfully

Through the Keeper.

1. Referring to your application for 2-2/24 days leave from 7:00 A.M. February 11th to 9:00 A.M. February 13th, it appears that a part of this absence was not properly authorized in advance by the Keeper. It is proposed to deduct one day's pay for your unauthorized absence.

2. You are directed to report immediately, through the Keeper, why you did not stand your watch at 12:00 O'Clock Sunday night, February 12th, and did not report for duty until 9:00 A.M. Monday morning.

3. It appears that you do not have a definite understanding as to the commencement and termination of leave granted you by the Keeper, as in several cases you have failed to return to the station at the proper time. If there are any further failures on your part to comply with the instructions of the Keeper as to the time of departure from and return to station, proper action will be taken by this office to meet the gravity of the offense.

4. If there is any doubt as to the length of time of your absence, you should ask the Keeper for approval of 24-hours leave in order that he may properly arrange for schedule of watches.

5. The Keeper must arrange for week-end absence schedule for Saturday and Sunday, and it is very essential that all of the personnel cooperate in the satisfactory operation of the approved leave schedule. Any action to the contrary by any of the personnel at the station will not be tolerated.

Sir:

The keeper has signed this request for leave as it has already been taken although permission was not granted for this length of stay.

The 1st. Asst. asked to get Saturday the 13th. off to go to the commissary. It was granted. Later the 3rd. Asst. asked to get Sunday morning off to go to church and the 1st. Asst. stated that he would not be back till sometime Sunday. By his own admission he returned somewhere around 10 p.m. Sunday night but did not want to stand his 12 o'clock watch so went to bed and was not heard from till 9 a.m. monday morning.

On Friday the 13th. of January the 1st. Asst. asked to go to the commissary and emphaticly stated that he would be back for his 8 o'clock watch(p.m). He did not return till 11;30 p.m. He had decided while in the City to go to some of his folks house for supper.

These inaccurate promises of return are causing comments from the other Assistants as in the case of the 3rd. Asst. who on the evening of the 13th. of January had retired at 7;00 p.m. and was called at 7;40 p.m. to take the watch as the 1st. Asst. had not returned.

It appears as though it would be better for a keeper to ask for 24 hrs. and come back early than to promise to come early and be late.

Respectfully,

H. W. Miller.
keeper.

Keeper,
Point Reyes Light Station.

1. Referring to your endorsement of November 10th on District letter of November 9th, relative to sickness of Assistant Keeper Mc Monigal, not caused by injury in the line of duty.

2. You are advised that it is not desired to issue forms to light stations to be used by Keepers or employees when making application on doctors for medical services. It is assumed that if the illness is such that the employee requires the services of the doctor, he would immediately obtain such services whether he is to pay for the services from personal funds or that they would be paid by the Government. The question of whether the services are to be paid by the U. S. Public Health Service under the law is one that must rest finally with that Service, and this office does not wish to request doctors to furnish medical services to Lighthouse Keepers with the understanding that they are to be paid therefor by the U. S. Public Health Service. In case the U. S. Public Health Service did not approve the bill for medical services, it would then be up to the Lighthouse Keeper to pay therefor from personal funds.

3. The proper procedure to be taken if the Keeper or Assistant Keeper needs medical service is for them to visit or call the doctor or designated physician in the vicinity of the U. S. Public Health Service, or if such a doctor is not available, then to call some other private physician. After the services have been rendered, properly certified bills in triplicate should be obtained and forwarded to this office in order that a proper statement and report may be submitted to the U. S. Public Health Service for consideration.

4. In the present case, you are requested to obtain a bill in triplicate from the doctor who attended Mr. McMonigal. This bill should give in detail dates and itemized charges and should bear the doctor's certificate as follows:

"It is hereby certified that the above account is correct and just and that payment therefor has not been received.

WM. WILSON

(Signature)

Mr. McMonigal should also certify on each bill that the doctor rendered to him services as stated. The Assistant Keeper should forward the bills through you

to this office and you should state in the letter of transmittal whether McMonigal was in a pay status and whether he was on leave with pay at the time the medical services were furnished.

5. In connection with the furnishing of medical services to Lighthouse Keepers at the expense of the Government, you are requested to advise all of the Assistant Keepers that the practice of calling in a doctor for every little ailment is not to be encouraged.

C. G. McMonigal,
First Assistant Keeper,
Point Reyes Light Station.

(Through the Keeper)

1. It has come to the attention of this office that on the evening of June 27th you were involved in a rough and tumble fight with Third Assistant Keeper Willson at your station.

2. Evidence is not available to ascertain who was chiefly to blame for this encounter, but from evidence at hand it is clear that both parties were to blame to some extent.

3. You are hereby reprimanded for your part in this affair, and you are directed in future to refrain from participating in any affairs of this character. You are warned that any further delinquency on your part will result in more drastic action being taken.

4. The fact that it has been necessary to reprimand you in this matter will be noted on your official record.

CHIEF CLERK

C. G. McMonigal,
First Assistant Keeper,
Point Reyes Light Station.

(Through the Keeper)

1. It has come to the attention of this office that on the evening of June 27th you were involved in a rough and tumble fight with Third Assistant Keeper Willson at your station.

2. Evidence is not available to ascertain who was chiefly to blame for this encounter, but from evidence at hand it is clear that both parties were to blame to some extent.

3. You are hereby reprimanded for your part in this affair, and you are directed in future to refrain from participating in any affairs of this character. You are warned that any further delinquency on your part will result in more drastic action being taken.

4. The fact that it has been necessary to reprimand you in this matter will be noted on your official record.
