COMMISSIONER OF LIGHTHOUSES:

12/31/34 Form 93 to Dept

1. Herewith is Mr. Joseph B. Medeiros' resignation of Nov. 30th from the position of Additional Keeper, together with notice of resignation, Form 93. It will be noted that Mr. Medeiros states in his letter of resignation of Nov. 30th that same is to take effect forthwith or at a date most convenient to the Service.

2. Actually Mr. Medeiros arrived in Honolulu from the Island of Hawaii and called at the Superintendent's residence early on the morning of Nov. 29th, Thanksgiving Day. Mr. Medeiros had unexpectedly been sent by this office from Molokai to Hawaii and then directed several days in advance of leaving Hawaii to report immediately at the Makapuu Point Light Station on the 29th of Nov., due to the fact that this station had been operating with two Keepers only.

3. He stated to the Superintendent on the morning of the 29th that he did not wish to go on duty and that he had thought of resigning previously and wanted to resign immediately. The Superintendent thereupon advised him if he so felt that he had better resign. He was then told that he must report for duty before 3:00 P.M. on Nov. 29th, or submit a written resignation. He thereupon indicated that he would not go on duty, and left the Superintendent's residence.

4. During the brief conversation, Mr. Medeiros intimated that he had also had some personal difficulties with members of the Lighthouse personnel, and therefore thought he had better get out.

5. On submitting his resignation on the morning of Nov. 30th, the Superintendent called his attention to the fact that a reason for resigning was in order and that as he had refused to go on duty on the 29th, his resignation would be forwarded, but with the recommendation that same be accepted with prejudice. His attention was invited to Article 435(a), indicating that a person leaving on short notice could be recommended for dismissal. He still indicated that he did not care to offer a reason for resigning.

6. It is therefore recommended that in view of the above facts, that the resignation of Mr. Medeiros be accepted with prejudice.

Encls. 3 as stated

LIGHTHOUSES

1934 DEC - 24 AM 9:29

OFFICE OF SUPERINTENDENT, 19TH DISTRICT
HONOLULU, HAWAII

December 11, 1934.

COMMISSIONER OF LIGHTHOUSES:

1. Herewith is Mr. Joseph B. Medeiros' resignation of Nov. 30th from the position of Additional Keeper, together with notice of resignation, Form 93. It will be noted that Mr. Medeiros states in his letter of resignation of Nov. 30th that same is to take effect forthwith or at a date most convenient to the Service.

2. Actually Mr. Medeiros arrived in Honolulu from the Island of Hawaii and called at the Superintendent's residence early on the morning of Nov. 29th, Thanksgiving Day. Mr. Medeiros had unexpectedly been sent by this office from Molokai to Hawaii and then directed several days in advance of leaving Hawaii to report immediately at the Makapuu Point Light Station on the 29th of Nov., due to the fact that this station had been operating with two Keepers only.

3. He stated to the Superintendent on the morning of the 29th that he did not wish to go on duty and that he had thought of resigning previously and wanted to resign immediately. The Superintendent thereupon advised him if he so felt that he had better resign. He was then told that he must report for duty before 3:00 P.M. on Nov. 29th, or submit a written resignation. He thereupon indicated that he would not go on duty, and left the Superintendent's residence.

4. During the brief conversation, Mr. Medeiros intimated that he had also had some personal difficulties with members of the Lighthouse personnel, and therefore thought he had better get out.

5. On submitting his resignation on the morning of Nov. 30th, the Superintendent called his attention to the fact that a reason for resigning was in order and that as he had refused to go on duty on the 29th, his resignation would be forwarded, but with the recommendation that same be accepted with prejudice. His attention was invited to Article 435(a), indicating that a person leaving on short notice could be recommended for dismissal. He still indicated that he did not care to offer a reason for resigning.

6. It is therefore recommended that in view of the above facts, that the resignation of Mr. Medeiros be accepted with prejudice.

1. With reference to reports which have reached this office re statements which have been made by Mr. Medeiros throughout the district concerning different personnel, following is brief resume of such statements and to whom made:

KILAUEA PT LT STATION

Mr. Medeiros in presence of Messrs. Jordan, Keanu, Watkins and Haleamau, as follows: " When he would be sent to relieve at Barbers Point Light Station, he was going to be boss there and when sent out to Makapuu Point Light Station he was going to do Ferreira out of his Xmas. vacation there. He would have something else to do besides relieve him and this would be one year he would have his holiday at Xmas. I am following the regulations regardless of what Mr. Rondeau and Mr. Edgecomb tells me. When I go out to Makapuu I am going to force the Keeper off the reservation when he is on annual leave."

Note: Foregoing from letter received November 22nd from Mr. Jordan and conversation of November 17th on same subject.

CAPE KUMUKAHI LT STATION

By letter of November 17 Mr. Watkins advised that the only statement he heard Medeiros make was that Mr. Ferreira was not a citizen. By separate report he advised that on Tuesday Nov. 13th at 11:25 pm, 11:30 pm and 12:10 am he rang the call bell but received no response from Medeiros: at 5:30 Medeiros came to the door but said he did not hear the bell. He was advised by Mr. Watkins to write a letter to the officer concerning such byt no such letter has been received. Watkins signed the watch book from 5 pm to 12 midnight, the remaining hours of which he left blank. However, upon later check it was discovered that Medeiros had signed for the time he was not on duty.

MOLOKAI LIGHT STATION

tell me to do anything, I tell him to put it in writing, I egulations".

2. The foregoing covers only statements of an official nature, made by Medeiros. In addition to the above he has made statements of a personal nature regarding persons mentioned in this letter but which it is not deemed desirable to incorporate herein. The Superintendent has seen the personal letters from which these statements are quoted and the Chief Clerk still has same in case it is desired to further review them.

3. On the morning of November 29th the Chief Clerk met Mr. Medeiros at the Hilo boat in order to take him out to Makapuu, of which Medeiros had been advised and ordered by the Superintendent by letter telling of this necessary action. The first thing Mr. Medeiros said to the undersigned was "What's Fred Nihoa shooting his mouth off about? I wish he were here I'd punch him in the jaw" When asked what he meant Medeiros advised that he knew about what was said; that one of his friends had met him at the boat upon his return from Molokai and told him all about it. Mr. Medeiros must indeed be psychic as this situation did not develop until after he was on Hawaii, at Cape Kumukahi Light Station, that is, upon the return of Machinist Helper Maria from Molokai. Mr. Maria arrived at Molokai after Medeiros' had departed and it was during Mr. Maria's stay at Molokai that Mr. Nihoa advised Maria of Medeiros' activities. Mr. Medeiros advised the writer that he desired to see the Superintendent as he wanted leave. He was told that it was necessary that he go out to Makapuu as Mr. Pate had gone on leave the day before. His attitude was insolent, sarcastic and impudent. In order that he would have no complaint the Chief Clerk drove him to Diamond Head. He was advised if the Superintendent was up he could go in but upon arrival at 6:45 it was apparent from the roadway that the Superintendent had not arisen and Medeiros was advised that he could not see him. He was also informed that if he had means of transportation (which he said he had) it would be alright for him to remain until 3:00 pm reporting at that time to the Keeper at Makapuu. This seemed to be agreeable to him and the Chief Clerk drove him to his residence. Upon arriving there after he took his bags out of the car he turned and said, " and what if I do not go out to Makapuu? The Chief Clerk advised him if he did not go out he would have to hand in his resignation. To which he replied, "Well, I am going out to take care of certain matters but I am not going out for relief duty." This ended the conversation, as far as the Chief Clerk was concerned. Whereupon, the Chief Clerk immediately advised Mr. Ferreira by telephone of Medeiros' orders and cautioned him that he wasn't to allow any disturbance on the Reservation and if Mr. Medeiros went out for such purpose he was to be put off the Reservation.

Memo to Superintendent:

1. At the time of Mr. Medeiros' tendering his resignation, the Chief Clerk read same and noticed that he gave no reason in said resignation. The Chief Clerk then asked if he cared to give a reason for tendering his resignation and Mr. Medeiros replied that he did not. Although Mrs. Wilkins, Miss Burnett and Mr. Inman were at their desks, only Mr. Inman heard the conversation.

Memo.

The following memo is furnished relative to Mr. Joseph B. Medeiros's resignation as Additional Keeper in the Lighthouse Service.

Mr. Medeiros called at the Superintendent's residence on the morning of Nov. 29th and in a very brief conversation stated he wished to resign from the Lighthouse Service. When asked for reasons, he was rather vague in his statements, but indicated that he did not care to go to work on the 29th, and that he had for some time past considered resigning. The Superintendent stated that insofar as he had been dispatched to Cape Kumukahi from Molokai under unusual circumstances, and had been requested by letter of Nov. 23rd to report to Makapuu Pt Lt Station on the 29th, to take the place of an Assistant Keeper who had already gone on leave, it was suggested that in event he did not care to report for duty at Makapuu by 3 o'clock in the afternoon, it would probably be desirable that he submit his resignation.

Mr. Medeiros inferred that he had had some misunderstanding with certain Lighthouse personnel, but the principal difficulty seemed to be that he did not care to report for duty on the 29th. Mr. Medeiros was advised that he should submit his written resignation.

On the morning of Nov. 30th, Mr. Medeiros presented his written resignation as of Nov. 30th, without stating any reason for resigning. He was advised by the Superintendent at the presenting of his resignation that should he desire, a reason should be submitted for submission of his resignation, but he stated at the time that he did not care to offer any reason. His attention was called to the inconsistency of his second paragraph of his resignation, which stated same to take effect forthwith or at a date most convenient to the Service, in that on the 29th he had been advised that his resignation should be submitted in event he did not report for duty at Makapuu.

On the morning of the 30th, the Superintendent called his attention to article 435 of the Regulations, relative to notice of resignation, and particularly to paragraph (a) relative to short notice, permitting a dismissal unless certain reasons were given. He was advised that his resignation would be accepted with recommendation of the Superintendent that same be accepted but not without prejudice, and it was explained that this would mean that he would have difficulty in returning to the Lighthouse Service in event he should later so desire, and he was again asked to state any reason for resigning if he so desired, but he again indicated that he did not care to offer any written reason for resigning.
