(Attach additional sheets as necessary to a full detailed statement. If Federal constitutional privilege is claimed, state such claim, as described above.)

I understand that false representation concerning, or failure to fully disclose (in the absence of an express claim of privilege), detail of association with, or activities in connection with, any of the associations, movements, groups, or combinations listed on the attached sheet which I have initialed, or any detail of present or past conduct or associations of or similar to the character of those copies above shall constitute grounds for bringing me to trial before a general court-martial with possible consequent conviction and imprisonment, or for subsequently separating me from the Coast Guard under conditions other than honorable with or without any precedent court-martial procedure. I further understand that even though I am not accepted for enlistment or appointment in the Coast Guard, I may be subject to civil prosecutions for false certification in any of the foregoing respects. Fully appreciating the foregoing, I hereby certify that the statements above constitute a correct and full disclosure (to the extent that privilege has not been expressly claimed) of all my present and past connections of any nature with any one or more of the groups named on the attached list, and of any and all conduct or associations of or similar to the character of those set forth in paragraph 2 of reference (a), copied above, in which I am now engaging or have at any time engaged.

With reference to your letter (p) of 29 October, 1945, file CG-700, it is stated that subject boat from the early stages of the war until 4 November, 1944 was operated exclusively by the Navy. Since it is known to have been engaged in anti-submarine duty, it is deemed a safe assumption that it was considered a sea-going vessel, however, the inclusive dates of duty outside the continental limits of the U.S. for subject vessel are not known to this office. Since 4 November, 1944 it has operated under the supervision of DCGO, 5ND and has been employed on inland waters.

Tell them that svc from 8-27-23 to 9-15-23 + 7-1-30 to 9-30-54 was verified 12-6-74 on prior 3101. CK to see if vet had any AD between 9-15-23 + 7-1-30 (since it appears they are questioning this break in svc by asking us to reverify everything after 9-15-23.)

Subj: National Service Life Insurance, termination of waiver of premiums, Public Law 23, 82nd Congress, re-establish of allotment upon retirement 1 October 1954

1. The records at Headquarters indicate that you applied for a waiver of premiums on $10,000 National Service Life Insurance and authorized discontinuance of the allotment in the amount of $9.42 with month of last payment May 1951.

2. Under the provisions of Public Law 23, 82nd Congress payment of premiums on this insurance must be resumed by the insured within 120 days after the date of separation from active service. To guard against any possible lapse of your insurance, it will be necessary that you authorize the establishment of allotment in the amount of $10.17 effective with the month of first payment January 1955.

3. Your attention is called to the fact that while on waiver of premiums the term period of your of your $3,000 National Service Life Insurance issued under policy number N 14 239 008 expired on 31 August 1951 and was automatically renewed for an additional 5-year period. This accounts for the increase in premium rates noted above.

4. The necessary Allotment Authorization, NAV. S. & A. Form 545 is enclosed. It is requested that you sign this form at the place indicated and return it promptly to Commandant (PS). A pre-addressed envelope is enclosed for your convenience.

Subj: National Service Life Insurance, correction of allotment adjustment

1. The Veterans Administration has advised this office that there is a discrepancy in your National Service Life Insurance account. This discrepancy occurred at the time you authorized the re-establishment of allotment upon retirement in the amount of $10.17 effective January 1955, which should have been established in the amount of $12.13 with month of first payment January 1955 to cover payment of premiums on the following insurance policies:

$8.99 - $7,000 Level Term Insurance V 1413 51 91 ren. effective 1 November 1954
$3.24 - $3,000 Level Term Insurance N 1423 90 08 ren. effective 1 September 1951

2. In order to correct this discrepancy it is requested that the following allotment adjustment be authorized:

$10.17 Allotment discontinued with month of last payment "NO PAYMENT"
$12.13 Allotment established with month of first payment January 1955

3. Allotment Authorization, Nav. S. and A. Form 545 has been prepared for your convenience. It is requested that this form be signed where indicated and returned to Commandant (PS) in the enclosed pre-addressed envelope.

A recent policy change prescribed that retired members of all the Armed Forces be issued DD Form 1173, Uniformed Services Identification and Privilege Card in place of the Identification Cards previously issued.

You may go to any military installation that is a card issuing activity with your present card and a copy of your retirement orders. Most larger commands of the Army, Navy, Marine Corps and Air Force have card issuing facilities. All Coast Guard District Offices and larger units also have such facilities. The card issuing activity is not satisfied as to your status they may request an Application Blank DD Form 1171 to be verified. From: Commandant
To: MIDGETT, John L. (107-293) BM1(BSG), USCG, Retired
203 South 21st Street, Morehead, North Carolina

Subj: National Service Life Insurance, termination of waiver of premiums, Public Law 23, 82nd Congress, re-establish of allotment upon retirement 1 October 1954

1. The records at Headquarters indicate that you applied for a waiver of premiums on $10,000 National Service Life Insurance and authorized discontinuance of the allotment in the amount of $9.42 with month of last payment May 1951.

2. Under the provisions of Public Law 23, 82nd Congress payment of premiums on this insurance must be resumed by the insured within 120 days after the date of separation from active service. To guard against any possible lapse of your insurance, it will be necessary that you authorize the establishment of allotment in the amount of $10.17 effective with the month of first payment January 1955.

3. Your attention is called to the fact that while on waiver of premiums the term period of your of your $3,000 National Service Life Insurance issued under policy number N 14 239 008 expired on 31 August 1951 and was automatically renewed for an additional 5-year period. This accounts for the increase in premium rates noted above.

4. The necessary Allotment Authorization, NAV. S. & A. Form 545 is enclosed. It is requested that you sign this form at the place indicated and return it promptly to Commandant (PS). A pre-addressed envelope is enclosed for your convenience.

Subject: Refund of difference in first-class and coach fares.

Reference: (a) Your letter 24 August, 1936 to Officer in-Charge, Gilberts Bar Station.

1. In reply to reference (a), you are advised that my reason for not paying this bill is that it is an unjust bill, my transportation was paid by the Government from Charleston, South Carolina, to Jensen, Florida, and my wife purchased her own ticket and I had nothing to do with whether she traveled in a pullman car or a coach, and I was not ask to pay any additional fare while traveling on the train. Rather than have any futher trouble about this bill the amount of $8.09 is being forwarded this date to the Atlantic Coast Line Railroad, Wilmington, Noth Carolina.

1. It is requested that I be given a transfer from the Gilberts Bar Station Second District to the Seventh District. My reason for the above request is that my child is in ill health and have been advised by Dr. Parker, Stuart, Florida, for to take her to North Carolina, and also have been advised by Dr. Swindell, of Ocracoke, North Carolina, that she could not stand this climate.

2. Owing to the fact that I have to keep my family in North Carolina, and I being stationed in Florida, it is hard for me to keep both ends togeather at my present pay. My child has to be under a doctors care at all times. I would appreciate very much if I could be given this transfer as near to my family as possible. Dear Commander:

I am at the present time assigned to the Gilberts Bar station in Floride, I very much like this station and section, but the Drs in this section informed me that our little girl could not live in the state of Florida, her health has been very poor ever since we went to that section, on our return back home in North Carolina on leave I took our daughter to the Dr, and was advised by him that the little girl could not live in Floride, I now have to leave my family in North Carolina and with the small salery that I receive as you well know will just make matters a little bad for us, I forwarded my request for transfer several months ago, this went through Offical channels, I also received your letter with the information that the request would be given consideration; If there is any thing that you could do to assist me in this transfer I assure you it would be greatly appreciated. I am now at Rodanthe, N.C. but will be leaving for Florida around the 12,of this month.

Very respectfully,

John L. Midgett

Dear Sir:-

Your letter of November 12th, file FA 32-533 73 in which you furnished the address of Surfman J. L. Midgett, U. S. Coast Guard.

Surfman J. L. Midgett was a passenger on our train #75 of March 18th, 1935, travelling on A. C. L. ticket form EJ 1 No. 98332, reading from Charleston, S. C. to Jensen, Fla. This ticket was issued in exchange for Government request T 947101 and was good for use in Pullman cars. Surfman Midgett was accompanied by Mrs. Midgett, who held A. C. L. ticket form EJ 1 No. 98334, reading Charleston to Jansen which was issued for use in coaches only. These passengers occupied lower 6, carK87. Inasmuch as there is a difference in rate applying between fares good in Pullman and those good in coaches of $8.09 in connection with this travel the conductor honoring these tickets endeavored to collect this difference in rate but the passengers refused to pay. This conductor has tried on numerous occasions to contact Mr. Midgett to make the additional collection and on each occasion has received no reply.

I will be glad if you will bring this matter to the attention of Surfman Midgett and assist us in making the necessary collection, in order that the account of this conductor may be cleared.

Subj: National Service Life Insurance, Policy No. N-688 110
Expiration of Term Insurance

1. There is herewith forwarded a notification from the Veterans Administration that the level term insurance issued to you will expire on 31 October, 1949. In order that you may continue to have the protection of this insurance, it must be renewed or converted to one of the six permanent plans, i. e., Ordinary Life, 30-Payment Life, 20-Payment Life, 20-Year Endowment, Endowment at Age 60 or Endowment at Age 65.

2. In view of the fact that the application for renewal of insurance on the five-year level premium term plan or application for converted insurance must reach the Veterans Administration before the expiration of the current term period, you are urged to take immediate steps toward completing the application and making the necessary allotment adjustment. If insurance is renewed, the application for renewal must be completed and the authorized certifying officer should complete the certification that the allotment has been registered. (Reference Article 260 P &SI).

3. There is in effect at the present time an allotment of your pay in the amount of $7.96 per month for the payment of National Service Life Insurance premiums as follows:

$5.53 premiums on policy N 688 110, $7,000, effective 11/1/41
$2.43 premiums on policy N 14,239,008, $3,000, effective 9/1/43

With reference to the premiums being paid on the insurance issued under policy N 14,239,008 your attention is called to a discrepancy on the application for this insurance in the date of your birth. On the application the date is given as 12 May, 1905 whereas all other records at Headquarters as well as the original application for the $7,000 policy, give the date of birth as 12 May, 1904.

4. In accordance with their policy, the Veterans Administration is using the earlier date of birth, and consequesntly their records show a shortage of 6¢ per month in the payment of premiums on policy N 14 239 008 which by 1 November, 1949 will total $4.44. If the correct date of your birth is 12 May, 1905 a certified copy of the public record of birth should be forwarded to Commandant (PMM) in order that the records may be corrected. Otherwise it will be necessary to forward a money order in the amount of $4.44 payable to the Treasurer of the United States to cover the existing premium shortage and make the necessary provision to include the additional amount in the new allotment to be established.

From Commandant (PMM)
to: John Lora Midgett (107-293) BM1(L) USCG

Via: CO, Fort Macon Lifeboat Station -2- 26 September, 1949

5. If the insurance is renewed, the new allotment will be $9.42. Your authorized certifying officer should be instructed to discontinue the present allotment of $7.96 after payment for the month of September 1949 and to establish the new allotment, reflecting the increase in premium, effective with the month of first payment October, 1949.

6. The completed application, necessary allotment adjustment (forms CG* 2528 and 2528-A) together with the money order should be forwarded to Commandant (PMM) for transmittal to the Veterans Administration.

7. Advise Commandant (PMM) of action that will be taken by you in connection with your National Service Life Insurance.

2. It is understood that you have had to discharge several men recently, for the convenience of the Government. It is assumed that some of these men have the necessary qualifications and would desire to reenlist. If possible for you to do so, it is requested you get in touch with a man whom you consider best qualified for reenlistment and ascertain whether or not he would be willing to go to Charleston, S.C., at his own expense, and reenlist for service at the above named station. In order to avoid any unnecessary expense to the man it can be arranged to have him undergo the required physical examination prior to his departure. If you can locate such a man, this office will make arrangements whereby the Commander, Base Three will enlist him and immediately transfer him to the Sullivans Island Station.

Honorable Charles L. Abernethy,
House of Representatives,
Washington, D. C.

My dear Mr. Abernethy:

With further reference to the conversation this date between your secretary and the Chief, Personnel Section, Coast Guard Headquarters, you are advised that John Lora Midgett, surfman, attached to Fort Macon Station, Beaufort, N. C., has never been discharged from the Coast Guard for undesirability. On the contrary his record is clear.

John A. Midgett, a former surfman, U. S. Coast Guard, was discharged from the Coast Guard for undesirability on 2 June, 1932. This Midgett has not been reenlisted. It is apparent that the case of John Lora Midgett has been confused with that of John A. Midgett.

Very truly yours,

H. G. HAMLET,
Rear Admiral, U. S. Coast Guard,
Commandant.
