1. This office is in receipt of report from Medical Officer in Charge, U.S.Public Health Service, Anacortes, Wash., that Teofil Milkowski, Additional Keeper, in this District, is confined in the U.S. Naval Hospital, Bremerton, Wash., with cancer of the liver. At the close of November 30, Mr. Milkowski had exceeded leave authorized by Regulations by twenty-six days. It is recommended that this excess leave be waived.

2. In view of his condition, it is not expected that he will be able to return to duty in the near future. He will, therefore, be placed on leave without pay, effective December 1, 1930. The records of this office indicate that he had six months seven days of military service and that he entered on duty as keeper in this District on August 8, 1925. This would give him approximately eight years of Government service which would not entitle him to privilege of disability retirement under Lighthouse Service Retirement Act.

3. Mr. Milkowski states that he receives a pension of $50.00 per month from the Government on account of his Spanish-American War service.

R.R.Tinkham
Superintendent of Lighthouses

Washington, D.C.

1. This office is in receipt of report from Medical Officer in Charge, U.S.Public Health Service, Anacortes, Wash., that Teofil Milkowski, Additional Keeper, in this District, is confined in the U.S. Naval Hospital, Bremerton, Wash., with cancer of the liver. At the close of November 30, Mr. Milkowski had exceeded leave authorized by Regulations by twenty-six days. It is recommended that this excess leave be waived.

2. In view of his condition, it is not expected that he will be able to return to duty in the near future. He will, therefore, be placed on leave without pay, effective December 1, 1930. The records of this office indicate that he had six months seven days of military service and that he entered on duty as keeper in this District on August 8, 1923. This would give him approximately eight years of Government service which would not entitle him to privilege of disability retirement under Lighthouse Service Retirement Act.

3. Mr. Milkowski states that he receives a pension of $50.00 per month from the Government on account of his Spanish-American War service.

R.R.Tinkham
Superintendent of Lighthouses

Bureau of Lighthouses, Washington, D. C.
December 26, 1930.

Submitted to Secretary of Commerce recommending that the excess leave be waived as indicated in paragraph one, it being considered that the case is an exceptionally meritorious one. Mr. Milkowski's leave record, inclusive of annual and sick leave is listed below. Mr. Milkowski's service during the period shown at a class one lightstation at which the regulations provide for not to exceed 96 days leave in a calendar year. The attached copy of radiogram explains the excess leave in 1928.
