Division: Claims

Claim No.: 3019136

APR 28 1949
(Date)

Mrs. Charles Miller,
409 East 5th Street,
Tillamook, Oregon.

Madam:

Your claim for an amount due the estate of Charles Miller, deceased, for the difference between retirement pay received, based on net salary, and that alleged to be due based on gross salary, as a former employee of the United States Lighthouse Service, has been carefully examined and it is found that no part thereof may be allowed for the reasons hereinafter stated.

The records on file in this office indicate that Mr. Miller did not occupy quarters for any portion of the last five years (the period upon which his annual rate of retired pay was based). Therefore there will be no change in his retired pay as a result of the Comptroller General's decision (B-70029 dated October 23, 1947). Therefore the settlement made to you on Certificate No. 1680097, on September 3, 1948, in the amount of $47.18 is all that is due the estate of Mr. Miller.

I therefore certify that no balance is found due you from the United States Government.

Respectfully,

LINDSAY C. WARREN

Comptroller General
of the United States.

April 4, 1925.

Commissioner of Lighthouses,
Washington, D.C.

1. Referring to paragraph 6 of Superintendent's letter of March 31, 1925, disability retirement, in regard to Emil Hammarstrom (tender HEATER) and Bernard B. Meagher, Keeper Smith Island Light Station, (Bureau file 2775).

2. The Medical Officer in charge of the U.S. Marine Hospital at Port Townsend, Wash., where Meagher was sent on March 26, 1925, for treatment reported, under date of March 30, as follows:

> "This man suffered an apoplectic stroke (Hemmorhage into the brain) and, as sometimes happens, in those cases, his mental condition became enfebbled. He has a mild dementia but is not at all troublesome and it is hoped that it will be possible to continue him under treatment here.
>
> It is very improbable that he will be physically able to resume his duties of lighthouse keeper. In the event of any developments I shall be glad to notify you at once."

3. The complement at Smith Island Light Station consists of a keeper and a laborer, the latter at an annual compensation of $300.00. The laborer is Meagher's wife. Owing to the possibility that Meagher may not be physically able to resume his duties as Lighthouse Keeper, and to the Superintendent's desire to have an experienced and competent employee at the station at this time for safeguarding life and property, the Bureau is informed that Charles Miller, First Assistant Keeper, Cape Meares Light Station at $1200.00 per annum, was on April 2, 1925, detailed temporarily to Smith Island Light Station, to take charge of that station for the present, pending developments in Meagher's case. It is impracticable to state at present how long this detail will last. The date of termination will be reported to the Bureau. Meagher's rate of pay is $1380.00 per annum.

4. Miller's detail is necessary in the interests of the Service. It does not appear necessary at present to detail an Assistant Keeper, nor to request the authorization of an additional position to fill Miller's position at Cape Meares.

5. Approval of action taken is requested.

6. The Superintendent will communicate with the Bureau within a day or so with reference to considering Meagher's retirement for disability, (Bureau letter of March 11, 1925, Bureau file 2775).

Mr. Charles Miller,
Third Assistant Keeper, Tillamook Rock Light Station, Ore.,
(Through Seventeenth Inspector).

The Bureau is in receipt of a letter from the Lighthouse Inspector, Portland, Oregon, making report in regard to the meritorious service performed by you toward restoring to service condition the light and fog signal at Tillamook Rock Light Station, Oregon, during the storm of October 18 and 19, 1912.

The Bureau is gratified to learn that it has in its service men who perform their duty under such adverse conditions, and you are commended therefor.

The fact that you have been commended will be noted on the records of the Department, this office, and those of the Inspector, as part of your official history.

December 2, 1912.

Commissioner of Lighthouses:

On October 30 the Department requested the return of the notices of appointment addressed to Guy C. Martin and Charles Miller on September 14, and the notice of appointment addressed to Olof Dahlin on September 17, in order that they might be amended in accordance with the provisions of that letter. It does not appear that the communications have yet been returned to the Department.

By direction of the Secretary:

W R Blackford
Act Chief Clerk

October 30, 1912.

Commissioner of Lighthouses:

Referring to the Seventeenth Inspector's letter of the 9th instant addressed to the Commissioner of Lighthouses, relative to the suspension of $5.00 in the September salary of Mr. Guy C. Martin, assistant keeper of Patos Island Light Station, Washington, in which he reports:

> "I have to state that Mr. Martin entered on duty in the position August 5, 1912, the date from which he was paid $600.00 per annum, his assignment to Patos Island having been approved by Bureau telegram August 28, 1912,"

the Department states that it does not appear that Mr. Martin's transfer was authorized prior to the date of its letter of September 14 but that, in accordance with the Bureau's recommendation, he was detailed, on August 28, for a period not to exceed two months, without change in title or compensation, effective August 6, 1912.

As the Inspector could not determine with a certainty that Mr. William H. Stark, assistant keeper of Patos Island Light Station would be dismissed as recommended, until he was advised of the Department's action in the case, it seems that he was in error in paying Mr. Martin as assistant keeper of that station before the Department acted in his (Martin's) case. In view of the fact, however, that the Department, on August 28, authorized Mr. Martin's detail on the same day it dismissed Mr. Stark from the service, it believes that Mr. Martin's transfer should date from that date.

The Department has therefore amended its order transferring Mr. Martin to the position of assistant keeper of Patos Island Light Station so as to make his transfer effective August 28, andit has also amended its orders promoting Mr. Charles Miller from fourth assistant keeper to third assistant keeper of Tillamook Rock Light Station and appointment Mr. Olof Dahlin as fourth assistant keeper of Tillamook Rock Light Station so as to make the same effective on September 1 and September 6, respectively.

It is requested that the notices of appointment addressed to these employees be returned to the Department for amendment accordingly.

(Signed) Benj. S. Cable,

Acting Secretary.

CROSS REFERENCE.

October 28, 1912.

The Acting Secretary:

On August 6 the Inspector of the Seventeenth Lighthouse District telegraphed that William H. Stark, assistant keeper of Patos Island Light Station, Washington, was suspended at the close of August 4 and that Guy C. Martin, third assistant keeper of Tillamook Rock Light Station, Oregon, was filling the vacancy pending Department action on charges. The Bureau recommended approval of the Inspector's action and the Department, on August 9, suspended Mr. Stark as recommended.

On August 28 the Department, in compliance with the Bureau's recommendation, detailed Mr. Martin for a period not to exceed two months from August 6, without change in title or compensation. On the same date the Department dismissed Mr. Stark effective at the close of August 4, in accordance with the Bureau's recommendation.

On August 28 the Department also authorized the temporary promotion of Mr. Charles Miller from fourth assistant keeper to third assistant keeper of Tillamook Rock Light Station and the temporary appointment of Harvey G. Bostwick as fourth assistant keeper, vice Miller, the appointments in each case not to exceed two months pending the permanent filling of the positions. These appointments were contingent, of course, upon the detail of Mr. Martin, and were made in view of the exceptional conditions connected with the Tillamook Rock station. Bostwick having declined appointment, the Department

Original mine
file Guy C. Martin

on September 4, authorized the assignment of Olof Dahlin to duty as fourth assistant keeper.

On September 13 the Department received the Inspector's letters nominating Martin, Miller, and Dahlin, Martin's transfer to be effective August 5, Miller's promotion September 1, and Dahlin's appointment September 6. As Martin's transfer had not been authorized, the Department transferred him as of a current date, his notice of appointment being dated September 14.

It appears that the Inspector, notwithstanding the terms of the Department's letter detailing Mr. Martin, paid him as assistant keeper of Patos Island from August 5, the date of the beginning of his detail and that the Disbursing Office suspended $5.00 in his account for September, that being the difference between the pay of the position of third assistant keeper of Tillamook Rock and the position of assistant keeper of Patos Island.

As the Inspector could not determine with a certainty that Mr. Stark would be dismissed as recommended, until he was advised of the Department's action in the case, it appears that he was in error in paying Mr. Martin as assistant keeper of Patos Island before his appointment to that position. It seems, however, that acting upon the Department's authorization of September 4, the Inspector placed Mr. Dahlin upon duty as fourth assistant keeper of Tillamook Rock Light Station on September 6. It is believed therefore that Mr. Martin's transfer should date from August 28, the promotion of Mr. Miller from September 1, and the appointment of Dahlin from September 6, the day he entered upon duty at Tillamook Rock Light Station.
