OFFICE OF SUPERINTENDENT OF LIGHTHOUSES, First DISTRICT,

Portland, Maine, December 6, 1929. , 19

COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Everett E Moore — Position, (Assistant) Keeper

Legal residence, Maine — Station, Lubec Channel Lighthouse, Me.

Salary, $1380 - per annum
(Range: $1380-$1680 p.a.)

The acceptance of this resignation is recommended effective at [redacted] Dec. 5, 1929.

(a) This employee has not taken leave in excess of the accrued rate according to present records.

Remarks:

1. It is respectfully recommended that this resignation be accepted, but not without prejudice for the reason that this employee has wilfully made false statements to this office, both orally and in writing, as to non-payment of his just and legal debts. His conduct at the station has recently been generally unsatisfactory, and his local reputation, as investigated by this office on the 4th and 5th instants, has been found to be bad. He resigned rather than to face charges leading to his dismissal.

(a) 2. If it is later found that excess leave has been taken, proper deduction therefor will be made in settlement of his pay account.

3. Section 2 of Civil Service Rule I, relative to political or religious opinions or affiliations, will not be violated by the action recommended.

OFFICE OF SUPERINTENDENT OF LIGHTHOUSES, First DISTRICT,

Portland, Maine, December 6, 1929. , 19

COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Everett E Moore — Position, Assistant Keeper

Legal residence, Maine — Station, Lubec Channel Lighthouse, Me.

Salary, $1380 per annum
(Range: $1380-$1680 p.a.)

The acceptance of this resignation is recommended effective at the close of ~~business~~ 10 A.M.Dec. 5, 1929.

(a) This employee has not taken leave in excess of the accrued rate. according to present records.

Remarks:

1. It is respectfully recommended that this resignation be accepted, but not without prejudice for the reason that this employee has wilfully made false statements to this office, both orally and in writing, as to non-payment of his just and legal debts. His conduct at the station has recently been generally unsatisfactory, and his local reputation, as investigated by this office on the 4th and 5th instants, has been found to be bad. He resigned rather than to face charges leading to his dismissal.

3. Section 2 of Civil Service Rule I, relative to political or religious opinions or affiliations, will not be violated by the action recommended.

Portland, Maine, December 9, 1929.

Superintendent:

Referring to investigation made of the conduct of Assistant Keeper Moore of Lubec Channel Lighthouse:

Arrived at Lubec December 4 and interviewed Mr. R I Greene, a local undertaker, who showed me his account with Mr. Moore. The account shows that Mr. Greene was the undertaker who buried Mrs. Moore in October, 1928. The bill against Mr. Moore for casket, embalming, hire of car and other services rendered by Mr. Greene at that time totalled $129.00.

Mr. Moore had made a payment in October, 1928, of $10.00, one in December, 1928, of $20.00, one in January, 1929 of $10.00, one in March, 1929 of $10.00, one in June, 1929 of $10.00 and one in August, 1929 of $10.00; total $70.00, still leaving $59.00.

Mr. Greene stated that he had not seen Mr. Moore since the date of the last payment, nor has he been able to collect any more, or get any satisfaction from Mr. Moore.

The Deputy Sheriff, Mr. McCurdy, stated that Mr. Moore's reputation at Lubec was very poor. He did not take care of his two little children (two little girls - 4 and 6 years of age), did not pay their board, and owed money in many places in Lubec, but had purchased two different automobiles during the last year, and has been around spending his money with a fast gang, whom all are suspected of rum running.

Mr, McCurdy also stated that Mr. Moore had had illicit relations with a young girl 13-14 years old, whom he had to send to the Industrial Home at Hallowell a few days ago.

On December 5, 1929 Lubec Channel Light Station was inspected; only the Keeper was present. Mr. Moore had gone ashore on liberty the evening before. The Keeper's story was practically the same as that he told in his letter of November 30th. He said his assistant's conduct had been very unsatisfactory both on and off the station. He had forbid Mr. Moore to use the new light station boat, as he suspected Mr. Moore had used the boat to go to Campbello for liquor, but he said he could not prove this.

Upon leaving the light station, I went back to Lubec and found Mr. Moore. He was riding in a new automobile. When questioned about owing money to several people in Lubec he stated that he did not owe any money to anyone. I then took him to Mr. Greene where he admitted Mr. Greene's bill was correct, but said he had paid Mr. Greene's daughter $10.00 on November 1st, but had no receipt or any witnesses to this. Mr. Greene denied this. Mr. Moore also admitted that he had not seen Mr. Greene since he had letter from District Office and also admitted he had made a false statement when he wrote that Mr. Greene had said he was wrong and mistaken in his bill.

I then took Mr. Moore to the telephone station and called the District Office and talked with Superintendent as directed.

Mr. Moore, after talking to Superintendent wrote out his resignation to take effect at once. This was forwarded to the office.

A temporary substitute keeper was sent to the light station the same day.

Respectfully,

Sir:

In regards to E. E. Moore's conduct, Deputy Sheriff McCurdy of Lubec has written to U. S. Marshall Woodman, in regards to Moore buying liquor from John Ramsdell who is under indictment before the Federal Court and is now awaiting sentence at the June term of the U. S. Court at Bangor.

Mr. McCurdy has lately taken a girl by the name of Ruby Daggett to the State School for girls at Wallowell and Moore is instrumental in her being sent there. She is the grand daughter of a former Mrs. Wilcox who married Moores Father. On either the 3 or 5 day of November Moore forced this girl to accompany him and two other men, one who was drunk, by making her get into his Car, there were two other girls in the Car who have a very unsatisfactory reputation.

Sir:

They went to North Lubec and Moores went into John Ramsdell's and as she says bought five dollars worth of liquor and mixed it with ginger ale and made her drink some. Moores brother told the Officers that the Dagget girl was brought home at 3 o'clock in the morning by Moores and one of the girls, and she was intoxicated and the young man made the accusion as a complaint about how the girl was acting. The Officers asked her in the presence of I. H. Case first selectman of Lubec, H. E. Saunders, Judge of the Western Washington County Municipal Court, a Mrs. McPhail and a Mrs. Kelley of Perry if she had been attacked and said that she was not, but I know the gang that she was with and I am not certain that she did not lie.

Dear Sir:

As a citizen I wish to complain to you about the way Everett Moores uses his motherless children; I know that it is not the proper way to make a complaint as it is not your duty to look after the actions of you men who are employed in lighthouses, but this fellow has his children at either his fathers or grandfathers and they are overtaxed and unfed and the old people are not able to care for them as both are old people and also very poor. The children are hungry and are almost naked and he spends his money on a girl here who is of a very loose calibre.

He has a car and is driving it in a drunken condition a great deal but keeps out of the village when in that condition.

He left the lighthouse yesterday and stayed away all day and no one was in charge until last night and he does it a lot and the other keeper knows that he is unfit to be where he is, but I am interested in his children and this man who is in the employ of the U. S. should support his children.

There is a number who know how he is
eting and say that the goverment should know
bout it and I have stood [redacted] as long as I
an and do not know who to take the matter
up with and so I am writing to you.

I belong in some other country, Grand Havana,
but it makes my heart bleed to see the way
this man uses those motherless children

Yours truly

Oct. 15, 1929.

SUPERINTENDENT OF LIGHTHOUSES,
Portland, Maine.

Sir:

In reply to your letter of Oct 11-1929.
Why I thought that the Employee had not lived up to instructions, is that he is associating with unrespectful company, and also he is drinking hard and he does not respect the public as he should.
He is not trying to pay his debts, as I have been told by parties that he owes.
In regards to his duties on Station, if I give him some work while I am absent from the Station, such as washing and painting etc. Which he tells me he had done, I find that he fails to do so. In fact, he slights his work, and I have to watch him all the time, and therefore I can not trust him.
In regards to the dates I can not give them.

N. S. Alley
Keeper.

(a) This employee has not taken leave in excess of the accrued rate. according to present records.

Remarks:
