SUBJECT: 3d Dist. let. 7/27/27 to Keeper R. J. Moore, re transfer to 3d Dist., copy of which was sent to 7th Supt. for advice whether transfer would meet with approval of 7th Supt. and whether Moore's services have been satisfactory.

This employee is one of the most inefficient in the district, of a rather shiftless disposition and is having domestic difficulties for which it appears he is responsible in a great measure. He is retained only because of the difficulty in getting anyone at all to go to our isolated stations. He was suspected of being responsible for the disappearance of money belonging to a shipmate when in the Navy, and while it could not be proven, he was discharged "not under honorable conditions". This office has no objections to his transfer.

Sir:-

I wish very much to be considered if possable for one of the first vacancys that may occur in one of the Lighthouses in your District near New York or between there and New Haven, Conn., if possable.

My reason for this request is that my people are in both places and I haven't seen neather in five years and as they are getting on in years I would like to be near them as well as that I would also like to get back in the North.

I am now 26 years old and have had about two years experience in this District and could fill first Asst., place if asked and I expect to be giving the chance in a month or two.

Sir I thank you for what ever consideration you may give this request.

Respectfully Yours,
