Sir:

There is returned herewith copy of your Form No. 3104 dated July 24, 1941, in which you requested information regarding the service record of Charles P. Morgan, retired lighthouse keeper who died on March 9, 1941.

The record shows that while Mr. Morgan was employed as seaman on Lightships Nos. 2 and 46 in the former Fifth Lighthouse District during the latter part of the World War period, the ships on which he was employed were not transferred to the jurisdiction of the War Department or Navy Department during the period of the World War. Therefore Mr. Morgan did not acquire the status of a veteran such as employees who served on lightships and lighthouse tenders which were transferred to the jurisdiction of the War Department or Navy Department during the World War.

By direction of the Commandant.

1. Respectfully returned to the Commissioner of Lighthouses, Washington, D.C. for amendment to read "effective on the date on which you entered" in lieu of "enter" on duty, inasmuch as Mr. Morgan actually entered on duty on September 20, as reported by the Keeper of Thimble Shoal Light Station in letter of September 22, received September 26.

2. In this connection reference is made to my endorsement September 25 on Bureau letter September 23, and my letter September 29, subject "Form 73 September 9, C.P. Morgan". After receipt of letter from Keeper of Thimble Shoal Light Station further investigation was made in files to see why Morgan reported to duty before appointed. It was found that he was advised to report, pending receipt of his appointment, inasmuch as vacancy had actually existed at Thimble Shoal since September 8 and it was believed in the best interests of the Service for nominee to report for duty at an early date.

Office of Superintendent of Lighthouses
Baltimore, Md., September 25, 1920.

1. Respectfully returned to the Commissioner of Lighthouses, Washington, D.C., reference being made to date of nomination. It will be noted that Mr. Morgan was nominated on September 9 and that such nomination was held in the office of the Secretary, Fourth Civil Service District until September 22, thus delaying action by the Bureau on recommendation contained thereon. The Bureau is further advised that vacancy in position of Second Assistant Keeper, Thimble Shoal Light Station, still exists and Mr. Morgan has not yet been advised to report for duty, pending action on his nomination. It will be necessary, however, to notify him to report at an early date, for and in the best interests of the Service.

Superintendent of Lighthouses.
