6140 OFFICE OF THE SECRETARY

Washington

November 22, 1909.

Gentlemen:

The nomination of Samuel B. Morris to be assistant keeper of Semiamoo Harbor Light-Station, Washington, forwarded, approved, by the Board on the 18th instant, is received.

The Department notes the statement that this is Mr. Morris' third consideration without selection and adverts to the Board's comment of July 27, 1909, on the Thirteenth Inspector's nomination of Loring B. Parrott to be assistant keeper of Desdemona Sands Light-Station, dated July 6, 1909, that Mr. Morris should not be considered for that station, as he already had three considerations and that the Inspector would be instructed to that effect.

The Board now states that this nomination for Semiamoo Harbor Light-Station, Washington, is Mr. Morris' third consideration without selection, whereas the records of the Appointment Division show that he was considered for third assistant keeper of Cape Flattery, second assistant keeper of Southeast Five Finger Islands, and second assistant keeper of Grays Harbor Light-Stations, in addition to this present consideration.

The Department therefore desires to be informed of the exact facts in the case and also whether the Inspector of the Thirteenth

Light-House District was aware, in nominating Mr. Morris for Semiamoo Harbor, that it was his fourth consideration.

Respectfully,

Acting Secretary.

The Light-House Board.

The Honorable

Sir:

Referring to Department letter of the 22nd ultimo inviting attention to the fact that Samuel B. Morris, who was nominated by the Inspector of the Thirteenth Light-House District, on the 11th ultimo for the position of assistant keeper at Semiamoo Harbor Light-Station, Wash., already had three considerations without selection prior to his nomination for appointment at Semiamoo Harbor, and requesting to be informed of the exact facts in the case, and also whether the Inspector of the Thirteenth Light-House District was aware, in nominating Mr. Morris for Semiamoo Harbor, that it was his fourth consideration, the Board has the honor to state that, by letter of the 1st instant, the Inspector states as follows:

> "Mr. Morris was considered for third assistant keeper of Cape Flattery Light-Station, second assistant keeper of Southeast Five Finger Islands, and second assistant keeper of Grays Harbor, but declined the position at Southeast Five Finger Islands Light-Station for reasons which were considered valid by this office, and was continued on the list, which would make him eligible for the position for which he has recently been nominated."

OFFICE OF THE CHIEF CLERK

Mr. Morris' reason for declining the latter position was on account of his wife's health and the fact that his family would not permit his going away so far.

2. In view of the fact that, as stated by the Department, Mr. Morris already had three considerations without selection prior to this nomination, and in further view of the fact that he has actually entered upon duty and is now rendering service, the Board respectfully suggests that the Civil Service Commission be requested to authorize his probationary appointment, he being the first man on the list and the list having not changed in such a degree as to put him without reach of certification.

The Commission is requested to approve the selection of Samuel B. Morris for probationary appointment as assistant keeper of Semiamoo Harbor Light-Station, Washington, effective beginning November 4, 1909.

Mr. Morris, whose name is on the eligible register of Class I, Thirteenth Light-House District, has already had three considerations, but as the condition of the register has not so changed since his third consideration as to place him in other respects beyond the reach of certification, the Inspector of the Thirteenth Light-House District desiring to secure his services, placed him on duty on the 4th ultimo and requested the Department's approval of his action.

The Honorable

The Secretary of Commerce and Labor.

Sir:

In relation to the case of Mr. Samuel B. Morris, considered three times for appointment as assistant keeper of the Semiamoo Harbor Light Station, Washington, the Commission notes the statement that as the condition of the register had not so changed since his third consideration as to place him in other respects beyond the reach of certification, the inspector of the Thirteenth Light-House District placed him on duty on November 4, 1909, and requested the Department's approval of the action.

The practice of the Commission is to permit the appointment of an eligible, if such is the wish of the appointing officer, after he has had three considerations, provided he is within reach of certification. If, however, since the third consideration, the names of one or two eligibles have been added to the register with higher ratings, such eligibles should be considered, and if after such consideration the Department still desires the eligible who was three times considered, it may appoint him.

The appointment of Mr. Morris is hereby approved.

By direction of the Commission,

Very respectfully,

President.

Commissioner of Lighthouses:

The Department is in receipt of copy of the Seventeenth Inspector's telegram of the 13th instant recommending a number of transfers and promotions as a result of the filling of the position of keeper of Admiralty Head Light Station, Washington.

Instead of authorizing the assignment to duty of the persons named in the Inspector's telegram as recommended by the Bureau on the 14th instant, the Department has issued an appointment in each instance as there is no apparent necessity for awaiting the receipt of the usual form of nomination.

In this connection the Department has to state that Edward Scannell has been given an appointment vice W. W. Gelser whose temporary assignment to duty was authorized on January 10, 1914. Should it later develop that it will not be necessary to issue an appointment to Mr. Gelser, Mr. Scannell's appointment can be amended so as to read vice Charles H. Davis.

William H. Cary has been appointed to the position of keeper of Point No Point Light Station, Washington, at $756 per annum, the rate of pay fixed by the Equalization of Pay Report of 1908.

Jacob Hall & Samuel B. Morris, exchanges.

February 10, 1916.

Lighthouse Inspector, Portland, Oregon:

The Bureau is in receipt of forms 73 and 73a, showing exchanges of positions between Jacob Hall, assistant keeper, Robinson Point Light Station, and Samuel B. Morris, assistant keeper, Point No Point Light Station, was consummated February 1, 1916.

In disciplinary matters the procedure is usually governed by the Regulations, 1914, par. 397, namely, that the accused be furnished a copy of the charges, that he be given an opportunity to personally answer the same in writing, that copies of the charges, answer, and other pertinent papers, be forwarded to the Commissioner, with your recommendation. The authority of passing finally upon charges against an appointed employee is vested in the Secretary, not in the Bureau, nor the Inspector. It is requested therefore in future disciplinary matters of this kind that you comply with the regulation cited. You are requested to advise the Bureau why you did not do so in this instance.

The Bureau, however, has today submitted a favorable recommendation to the Department, in view of the fact that your action in separating these employees was the only desirable action to take, in its opinion, because of your inability to secure any evidence sustaining the charge of insubordination and the strong personal feeling existing between the men. You will be advised in due time of the action taken by the Department.

The Bureau does not concur in your recommendation that Morris be given appointment at $636 effective from February 1, 1916, as it is not

likely that the Department would approve a prior date appointment in a case of this kind. Should the Department favorably consider the Bureau's recommendation, Morris should be paid at $636 from the date of the Department appointment in his case.

The Bureau has formally reported the transfer of Morris to the position of assistant keeper, Robinson Point Light Station, vice Jacob Hall, effective February 1, 1916, without change in rate of pay.

Jacob Hall,
charges.

January 25, 1916.

Commissioner of Lighthouses:-

Having investigated charges of insubordination by Keeper W. S. Denning of Robinson Point Light Station, Wash., against Assistant Keeper Jacob Hall of that station, I find the statements so absolutely contradictory that I am unable to determine the exact facts in the case.

The personal feeling between the men is so strong that the transfer of Assistant Keeper Hall to Point No Point Light Station is recommended for the good of the Service. Assistant Keeper Samuel B. Morris of Point No Point Light Station has previously requested transfer to Robinson Point Light Station.

It is requested that the recommendation for the increase of pay of Assistant Keeper Jacob Hall, forwarded Dec. 21, 1915, be cancelled.

These transfers will be made under authority of fourth sub-paragraph of paragraph 432, Regulations, 1914.

BUREAU OF LIGHTHOUSES
WASHINGTON

February 10, 1916.

Submitted to the Secretary of Commerce, approved. The Department's attention is invited to copy of letter from the 17th Inspector of Jan. 25,1916,and to copy of Bureau letter to him of Feb. 10, 1916, upon receipt of the Inspector's forms 73 and 73a in these cases. In view of the fact that the Inspector was unable to secure any evidence which would sustain the keeper's charges of insubordination, and that the trouble between the employees appears to be traceable to strong personal feeling, it is believed that the action taken by the Inspector in separating these employees was the most desirable course to pursue under the circumstances, and approval of his action is therefore recommended, and that Morris be given an appointment as assistant keeper at $636 per annum to date from Feb. 12, 1916. The Bureau hereby formally reports the transfer of Morris to position of asst. keeper, Robinson Point L.S., on Feb. 1st without change in pay.
