HEMPA CO OF D C

Commissioner of Lighthouses:

1. Referring to the resignation of Stephen E. Mozier, Assistant Keeper, Pass A Loutre Light Station, Louisiana, and his remarks about boats:

2. The Bureau is informed that this district has been crippled somewhat for spare boats since the beginning of the War. All stations are furnished catalogs of spare parts for engines in order that keepers may make requisitions for parts which wear out and require renewing. Recently a boat which had been sent to the Mobile Depot for repair and to be put in order was delivered to Pass A Loutre Light Station, it having been reported in order by the Keeper of the Depot. The keepers at the Pass A Loutre Light Station have since reported that the pump on the engine did not work satisfactorily although it was a new pump furnished by the manufacturer of the engine.

3. Assistant Keeper Mozier stated to the First Assistant Superintendent at the station on March 17, 1920, when asked why the former boat was not kept in order and used; that he preferred to use his own boat. The keepers were then directed to make requisition for necessary engine parts required to put engine of former boat in good condition. However, as there was no success in this undertaking, it was decided to furnish another boat and remove the former boat to Mobile Depot for engine repairs.

4. The statement of the Assistant Keeper, that he is resigning on account of the boats, is not given credence by this office.

We can find no record of employment under the name Steve Mosier. However, one Stephen Edward Mozier was employed with the Lighthouse Service from May 7, 1918 until August 31, 1920.

The records show that Mr. Mozier was born at Pilot Town, Louisiana on September 16, 1873. He was married and had children. The names of his wife and children are not shown. His home address was Pilot Town, Louisiana.

We have no information regarding the place or dateof his death.

Gentlemen: M-260

I am endeavoring to find where I can secure a death certificate for one Steve Mosier. He was a light housekeeper for the Coast Guard at Pilot Town and Port Eads some 40 or 45 years ago. Mr. Mosier is supposed to have died in 1921 in New Orleans. However I have been unable to locate a death certificate either in the state or city records.

I am seeking this death certificate in behalf of his daughter, Edna Mosier. She was born August 27, 1910 but is unable to get a birth certificate because she does not know in what state she was born.

Any information you can give me on the above will be greatly appreciated.

Thanking you in advance, I am

Yours very truly,
