Subj: Gratuitous social security wage credits based on military service

Ref: (a) Your letter dtd 20 December 1962

1. In answer to reference (a) you are advised that active service performed during the period 16 September 1940 through 24 July 1947 and from 25 July 1947 through 31 December 1956 is available for free social security wage credits provided no part of this service is used to establish entitlement to retirement or in the computation of retired pay. These free wage credits do not provide a monthly social security benefit of $160.00, but are counted the same as wages in civilian employment.

2. According to Coast Guard records, you were retired on 1 September 1948 for thirty years service and all of your service was used in computing the amount of your retired pay. Therefore, none of your active service is available to provide these free social security wage credits.

3. Pamphlet OASI-35 entitled, "Your Social Security" is enclosed for your information.

Gentlemen:

SS #580-96-3175

The writer is a Coast Guard Quartermaster, First Class, retired on September 1948 after over 30 years of active service. I am now receiving a Coast Guard retired annuity.

I understand that military personnel were allowed, for Social Security benefits, free wage credits of $160.00 per month, provided for each month of active service during World War II period, September 16, 1940 through July 24, 1947.

As my active service falls in above-mentioned dates, I believe I am entitled to benefits as provided by law. Also I am 77 years old.

I would appreciate your written official opinion on this matter as to whether or not I am entitled to any Social Security benefits.

Hoping to hear from you, I remain

Very truly yours,

RE: QM1 Elias MUSKUS
219 519, USCG, Retired

My dear Mrs. Muskus:

Information has been received at Coast Guard Headquarters of the death of your husband. I wish to extend to you and your family my sincere sympathy in your great loss.

It is realized thatyyou will be faced with many problems as a result of your recent bereavement. However, experience indicates it is best to handle these matters as expeditiously as possible. Be assured that we at Coast Guard Headquarters will help you in every way possible to facilitate applying for Federal benefits that may be available to you.

The enclosed benefit guide briefly explains the assistance and survivor benefits furnished by the Coast Guard as well as the other governmental agencies. The enclosed forms are forwarded to aid you in promptly filing for Veterans Administration benefits, Uniformed Services Identification and Privilege Card and a headstone or marker to which there may be entitlement.

An annuity was provided for you by your husband under the Survivor Benefit Plan. In order that the Coast Guard may begin immediate full payment of your annuity, it is requested that you sign forms No. DD-1884, "Application for Annuity," on the front and back and return the forms to this office with a copy of your marriage certificate and a copy of your husband's death certificate. VA Form No. 21-534, "Application for Dependency and Indemnity Compensation by Widow or Child," should also be completed as soon as possible and forwarded to the Veterans Administration in order for them to adjudicate your claim for a possible entitlement to Dependency and Indemnity Compensation.

Sincere sympathy is again extended to you.

Hon. Sir:

With regard to memorandum regarding filling of Form 1040 or 1040-A, I do not fill this form as I am not making any claim for income tax return, and I have never made such a claim.

I wish also to inform that my original extenses papers were wrongly filled, as the one who filled them showed only two (2) dependents. I have seven (7) dependents besides myself, and I am being discounted $11.22 out of my pay each month, and this should be revised as it is believed that with 7 dependents I should not be discounted such amount. So I hope that instructions be given to the office having to do with my account to revise same for the reason above stated.

I want to inform also that Form 9671 for the month of June has not been received yet. Will you please send me one as soon as possible, if needed.

Respectfully,

Elias Muskus

Subj: MUSKUS, Elias (219-519)QM1; retirement, forwarding of request

1. Reference is made to letter, copy attached, dated 16 October, 1947, from the above-named man requesting retirement in accordance with 20 year enlisted retirement Coast Guard Regulations, which bears indorsement of the Commander at the former Tenth Coast Guard District.

2. Paragraph 2 of Muskus' letter indicates that he is applying for, or is interested in, retirement by reason of completion of thirty or more years of service. However, after a careful check of his record, it is found that, as of current date, he has 29 years, 8 months and 14 days creditable time. Therefore, providing no deductible time occurs, he will be eligible for retirement by reason of thirty years service 2 August, 1948.

3. Please instruct Muskus to submit a new application on 3 August, 1948, for 30 year service retirement since applications cannot properly be submitted prior to completion of such service.

The effective date of classification in this and other cases of petty officers or light attendants authorized pursuant to Executive Order No. 7852 of March 29, 1938, are to be reported on Form 4a as "Classified March 29, 1938", Circular Letter No. 778 of April 13, 1939, issued by the Bureau of Lighthouses on this subject to the contrary notwithstanding. Instructions contained in that circular were based on the Civil Service Commission's Departmental Circular No. 181, which it is now understood does not apply to cases under Executive Order No. 7852, the Commission having indicated at the time of the issuance of that Executive Order that the effective date of any cases classified thereunder could be reported as retroactive to the date of the Order. However, the instructions in Circular No. 778 above referred to are to be followed in reporting the effective dates of classification of stewards, when the latter cases have been acted upon by the Commission.

By direction,

CHAS. W. DEAN,
Acting Chief Personnel Officer.

REFER TO FILE:

UNITED STATES COAST GUARD

SAN JUAN, PUERTO RICO

22 January 1946

I, BURGOS, Alejandro (219-515) Cox, at Port San Juan Lighthouse, desire to make the following explanation in connection with the outage of the light at the lighthouse yesterday, at about 211745.

That about 1745 I put the light on and proceeded to clean the engine, etc. The first knowledge that the light was out came to me through some soldiers who appeared to ask me why the light was out. As I was under the impression that I had connected the alarm, I was surprised that it did not sound. Therefore, the first thing I did was to check on it, and I found out that the switch was not connected, due to an oversight of mine.

As there was no time to lose, I proceeded immediately to check the plugs in and outside the lighthouse and other apparatus and everything was in order, and when I checked the bulb, I could convinced myself it was out of order, and this was the only cause of the outage. I replaced it with a new bulb, and the light was immediatdyre stored. I figure that this took me about 15 minutes to fix.
