1. Reference is made to your letter of 18 August, 1943, relative to the reduction in your retired pay for the month of July 1943.

2. The reduction of $22.00, as provided in the tables furnished by the Bureau of Internal Revenue, was based on information contained in your U. S. Treasury Department Form W-4. This form showed your status to be that of a married person living with husband or wife but claiming none of the personal exemption, which appears to have been incorrect.

3. Future deduction will be based on the revised form which was inclosed in your letter.

Very truly yours,

ALLOTMENT DISBURSING OFFICER,

Dear Sir:

I have just received my retirement pay check for the month of July, 1943, and believe that some error has been made in its preparation. My Check No. 905368 dated August 9, 1943, is only for $81.55. My retired pay is $1242.70 per annum and since I am a married man living with my wife and am her total support and claim all of the personal exemption, I believe that too much money has been deducted from my pay. I am enclosing Form W-4 filled out.

Will you please advise me how my retired pay for the month of July, 1943, was computed and if there is not some mistake.

Very truly yours,

Oscar Newlin.

1. Oscar Newlin, Keeper of Roe Island Light Station, filed a Report of Injury incurred in the line of duty at Roe Island Light Station on March 29, 1927, with the U. S. Employees Compensation Commission on April 13, 1927. Newlin claims that he was ruptured while handling heavy weights at Roe Island Light Station but the U. S. Employees Compensation Commission has disallowed his claim based on the U. S. Public Health Service Physician's report. Newlin has been in the hospital for many weeks.

2. Newlin has had over 29 years continuous and faithful Lighthouse Service. Up to and including this date he has had 47 days of annual leave. The U. S. Public Health Service reports that Newlin will not be able to return to duty until about July 1st.

3. It is recommended that Newlin be granted additional leave with pay not to exceed sixty days during the calendar year 1927.

My dear Mrs. Newlin:

Headquarters has been advised of the death of your husband, Oscar Newlin, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 17 March, 1949. Please accept my sincere sympathy.

At the time of death, there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin or the person who paid, or will pay the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with your claim for the retired pay due on date of death.

When the inclosed forms have been completed, please return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

By direction of the Commandant.

Very truly yours,

Incls.

Gentlemen:

Reference your file Misc-2881360. Inclosed is a letter of Mr. Oscar Newlin, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period August 1, 1933 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1422.70 per annum, whereas, for the period August 1, 1933 to June 30, 1947, Mr. Newlin was paid at the rate of $1242.70 per annum - an underpayment of $180.00 per year, or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

In accordance with the Comptroller General's Decision B-70029 dated 10-23-47, which reversed Decision A-31584 of 5-28-30, your retirement pay has been recomputed on the basis of the average gross pay (which includes the valuation of quarters for the period occupied) received during the last five years of your active duty. The computation on this basis changes the rate of your retirement pay from $1242.70 to $1422.70, and this notice is issued in order that you may have accurate information as to the rate of retirement pay which you are authorized to receive.

Total Service: 35 years, 3 months, 29 days

Dear Sir:

Reference is made to my letter to you of 18 August,1943, advising you that since I was a married man and claiming all exemption, too much money was being deducted from my monthly pay check. In reply to this letter, Coast Guard Headquarters advised me on 30 August that $22.00 reduction was based on erroneous information and that future deductions would be based on information furnished with my letter of 18 August.

I was informed by an income tax expert that I would receive the money back that had erroneously been deducted from my pay but to date I have not received it. Will you please advise when I may expect this money and to whom I should write to obtain the refund.

Very truly yours,

Oscar Newlin.
