THE COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Mrs Juliet E. Nichols Position, Keeper

Legal residence, California Station, Angel Island Lightstation, Cal.

Salary, $750 per annum

The acceptance of this resignation is recommended effective at the close of December 15 1914.

This employee has not taken leave in excess of the accrued rate.

Remarks:

It is recommended that the Department be requested to authorize the position of Additional Keeper at Angel Island Lightstation, California, for a period of one month from November 16 1914, with pay at the rate of $720 per annum, and that Mrs Nichols be granted 30 days leave of absence from that date.

This recommendation is made owing to the fact that during twelve years service Mrs Nichols has had no annual leave; and when absent on sick leave she has furnished a substitute at her own expense. She now resigns owing to disabilities incurred in the line of duty.

Secretary of Commerce:

Attention is invited to the resignation of Mrs. Juliet E. Nichols, keeper of Angel Island Light Station, Cal., at $750 per annum, effective at the close of December 15, 1914, submitted to the Department today under separate cover.

In view of the recommendation of the Inspector contained in the Form 93 submitting the resignation in question, it is recommended that the temporary additional position of keeper of Angel Island Light Station, Cal., at $720 per annum, (see Equalization of Pay Report, 1908), be authorized for a period not to exceed one month from November 16, 1914, or date of entrance on duty of the person to be appointed thereto.

The Bureau also recommends that it be authorized to grant Mrs. Nichols thirty days leave of absence with pay, effective beginning November 16, 1914. She will have actually earned 28¾ days of leave by December 15, 1914, and by granting her thirty days she may be absent continuously from November 16, 1914, until the date of effect of her resignation.

The above recommendation is submitted for the reason that under the Regulations, 1914, Par. 469, Mrs. Nichols would be entitled to practically thirty days leave on December 15, 1914, when she desires to resign, and it is thought she is entitled to the consideration recommended without being required to furnish a substitute at her

own expense, in view of her twelve years of faithful service and the fact that during that time she did not take any annual leave. When it was necessary for her to be absent on sick leave during that period, she furnished a substitute at her own expense. The Inspector reports that her health is now broken owing to long watches alone during fog. Inclosed is a copy of the Inspector's telegram of November 5, 1914, in regard to the state of health of Mrs. Nichols. If the above recommendation is approved, nomination will be submitted in due course for the filling of the temporary additional position.

Appropriation: Salaries, Keepers of Lighthouses.

The 30 days of leave with pay recommended in the case of Mrs.Nichols is in addition to any leave which may have been granted her during the present calendar year. The Inspector states that she has not taken leave in excess of the accrued rate, that any leave taken was due to sickness, and that a substitute was furnished at her own expense.

Dear Congressman Panetta:

I am writing a history of the Point Pinos Lighthouse, located in Pacific Grove, California. Evidence I have on hand suggests that one of the Point Pinos keepers was related to the keeper of the Angel Island Lighthouse in San Francisco Bay.

Emily A. Fish, the keeper of the Point Pinos light from 1893 to 1914, was the widow of Dr. Melancthon William Fish who was in China from 1856 to 1862 and for some time was Vice-Consul in Shanghaii. Dr. Fish had married Juliet Maitland, who was Emily's sister and a child Juliet E. Fish was born to them on August 12, 1859. At this time or shortly afterward Juliet Fish died. Within a year Emily A. Maitland became the second Mrs. Fish and the stepmother of Juliet E. Fish. Juliet E. Fish, eventually married Henry E. Nichols who was a Captain in the U.S.Navy at the time of his death in Manila in 1899.

Now the parallel: Juliet E. Nichols was the lightkeeper at Angel Island, Point Knox lighthouse, located on San Francisco Bay from 1902 to 1914. She was born in China and was the widow of a naval officer who died at Manila.

It would be interesting if we could establish that the stepmother and stepdaughter became lightkeepers after being widowed.

Can you furnish the name of the husband and the names of the parents of Juliet E. Nichols of Angel Island Light.

Sincerely,

J. Clifford Gallant

Dear Mr. Panetta:

This is in further response to your letter of June 6, 1978, to the United States Coast Guard, concerning the keepers of the Angel Island Lighthouse, California, in the late 1800's and early 1900's.

We have examined registers of appointments of lighthouse keepers and assistant keepers among the records of the U.S. Coast Guard, and found that John Ross was the first keeper at Angel Island. He was appointed on October 13, 1886, and served until September 16, 1902. The second keeper was Juliet E. Nichols who served from September 18, 1902, until after 1912.

Personnel records for lighthouse keepers who served after 1912 are in the Civilian Personnel Records Center (GSA), 111 Winnebago Street, St. Louis, Missouri 63118.

If we can be of any further assistance, please let us know.

Dear Sir:

Reference is made to your letter of 8 November, 1939. According to available records, Mrs. Juliet E. Nichols was the Keeper of Angel Island Light Station, California, at the time the incident that you mention occurred. The station was equipped with a light and fog bell, operated by a fog bell striking apparatus. The power for striking the bell was obtained by a weight suspended on a wire cable wound on a drum. Periodically the Keeper wound up the cable by means of a hand crank.

The fog signal mechanism became disabled, probably through the breaking of the hammer spring, and the Keeper then struck the bell by hand with a hammer throughout the long run of fog, to warn ferry boats and other vessels navigating in the vicinity.

This office has no copy of Mrs. Nichols' report of the incident, but it is believed that a copy will be on file in the office of the Commandant, U. S. Coast Guard, Washington.

Mrs. Nichols was the wife of an ex-Navy officer. She was born on August 12, 1859. She entered the Service on September 11, 1902, and resigned on December 15, 1914. She had no assistant and it is believed that she served through the long fog run without relief. This office has no photograph of Mrs. Nichols; possibly there is one on file in the office of the Commandant at Washington, D. C.

Angel Island Light Station is located on the westerly side of Angel Island, in the northern part of San Francisco Bay, and ferry boats running between San Francisco and Tiburon in Marin county passed close to the station, as did vessels running through Racoon Straits between Marine County and Angel Island.

Very truly yours,

THE COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation of the following-named employee:

Name, Juliet E. Nichols Position, Keeper

Legal residence, California Station, Angel Island Lightstation, Cal.

Salary, $750 per annum

The acceptance of this resignation is recommended effective at the close of December 15 1914.

This employee has not taken leave in excess of the accrued rate.

Remarks:

It is recommended that the Department be requested to authorize the position of Additional Keeper at Angel Island Lightstation, California, for a period of one month from November 16 1914, with pay at the rate of $720 per annum, and that Mrs Nichols be granted 30 days leave of absence from that date.

This recommendation is made owing to the fact that during twelve years service Mrs Nichols has had no annual leave; and when absent on sick leave she has furnished a substitute at her own expense. She now resigns owing to disabilities incurred in the line of duty.

Juliet E. Nichols,
leave.

November 6, 1914.

Secretary of Commerce:

Attention is invited to the resignation of Mrs. Juliet E. Nichols, keeper of Angel Island Light Station, Cal., at $750 per annum, effective at the close of December 15, 1914, submitted to The Department today under separate cover.

In view of the recommendation of the Inspector contained in the Form 93 submitting the resignation in question, it is recommended that the temporary additional position of keeper of Angel Island Light Station, Cal., at $720 per annum, (see Equalization of Pay Report, 1908), be authorized for a period not to exceed one month from November 16, 1914, or date of entrance on duty of the person to be appointed thereto.

The Bureau also recommends that it be authorized to grant Mrs. Nichols thirty days leave of absence with pay, effective beginning November 16, 1914. She will have actually earned 28½ days of leave by December 15, 1914, and by granting her thirty days she may be absent continuously from November 16, 1914, until the date of the effect of her resignation.

The above recommendation is submitted for the reason that under the Regulations, 1914, Par. 469, Mrs. Nichols would be entitled to practically thirty days leave on December 15, 1914, when she desires to resign, and it is thought she is entitled to the consideration recommended without being required to furnish a substitute at her

own expense, in view of her twelve years of faithful service and the fact that during that time she did not take any annual leave. When it was necessary for her to be absent on sick leave during that period, she furnished a substitute at her own expense. The Inspector reports that her health is now broken owing to long watches alone during fog. Inclosed is a copy of the Inspector's telegram of November 5, 1914, in regard to the state of health of Mrs. Nichols. If the above recommendation is approved, nomination will be submitted in due course for the filling of the temporary additional position.

Appropriation: Salaries, Keepers of Lighthouses.

The 30 days of leave with pay recommended in the case of Mrs. Nichols is in addition to any leave which may have been granted her during the present calendar year. The Inspector states that she has not taken leave in excess of the accrued rate, that any leave taken was due to sickness, and that a substitute was furnished at her own expense.

Dear Sir:

I am interested in obtaining information with regard to an incident which is supposed to have taken place at the Angel Island lighthouse back in 1906. Lieutenant Commander G. B. Gelly, Public Relations Officer for the U. S. Coast Guard in Washington, has suggested I communicate directly with you.

I understand at the time mentioned above a woman was acting as lighthouse keeper at Angel Island. On July 2, 1906, it is said the machinery operating the fog signal became disabled. The keeper struck the bell by hand for 20 hours and 35 minutes.

Can you tell me whether or not this information is authentic? If it is, what was the lighthouse keeper's name? Was she alone on the island at the time? What was her age? Was she relieved before the fog lifted? Do you know where I might obtain a picture of this lady?

If your department cannot furnish this data, will you be kind enough to refer me to the proper source?

I shall appreciate any courtesy you can extend in response to this request.
