RE: MM1 Edgar H. ORSBURNE 108 029
USCG, Retired

Dear Mrs. Orsburne:

Further reference is made to our letter of recent date in which you were informed that additional forms, if applicable, would be forwarded to you upon the receipt of your husband's service record from the National Personnel Records Center at St. Louis.

This record has now been received and a review of it indicates that your husband designated you and his stepson Marvin J. Smithson to receive the retired pay accruing at his death.

Since you have already submitted your forms to claim the sum due, it is only necessary for Marvin to complete the enclosed forms to claim his share of the retired pay due. These forms must be completed in the presence of two witnesses. The original and two copies of the completed claim are to be returned to Commandant (PS-1).

In order that your claim may be approved for payment, it will be necessary for you to forward a copy of your marriage certificate and a copy of your husband's death certificate. Proof of the dissolution of prior marriages of you and your late husband is also required.

A pre-addressed envelope is enclosed for your convenience.

Sincerely yours,

T. H. RUTLEDGE
Commander, U. S. Coast Guard
Assistant Chief, Personnel Services Division

Headquarters has carefully reviewed the information set forth in Report of Board of Medical Survey, U. S. To: Commanding Officer, U.S.S. BRUNSWICK (PF-68).

Subject: ORSBURNE, Edgar H. (108-029) CMM(a), USCG; physical disability of.

1. In view of subject man's age and past health record which shows frequent visits to various marine hospitals, plus the fact that he suffers from severe back changes as substantiated by Xray and by clinical signs, it is felt that this man is unable to properly perform the duties required of his rating.

2. It is therefore recommended that subject man be hospitalized and his case presented to a medical board of survey with a view towards possible retirement for physical disability incident to service. ORSBURNE has more than twenty-two years creditable service in the U.S. Coast Guard and is therefore eligible for retirement on that basis.

Subj: ORSBURNE, Edgar H.(108-029)CMM(a); extension of enlistment.

1. This will acknowledge receipt of Headquarters' letter of 30 April, 1945, with your first indorsement of 16 May, 1945, with reference to illegal voluntary extension of enlistment.

2. It was noted by Headquarters that a voluntary agreement to extendewas made aboard your vessel and dated 9 December, 1944, and accepted by you on 10 December, 1944, when the man reported aboard your vessel 16 February, 1945. In this case the dates shown are retroactive and are illegal, therefore, the agreement to extend has been cancelled by Headquarters. An involuntary extension will now be made, effective from 10 December, 1944.

3. No doubt subject man still intends to remain in the service in view of his previous service in the Regular Establishment, in which case a new agreement will be executed and forms 2500-A returned signed and completed to this office. The effective date will be on the date you accept this agreement, in other words it will be some time after the receipt of this letter.

Subj: ORSBURNE, Edgar H. (108-029) CMM(a); extension of enlistment

1. The Voluntary Agreement to Extend Enlistment in the case of Orsburne is returned herewith for cancellation.

2. This Agreement is dated 9 December, 1944 and indicates that it was executed on 9 December, 1944 and accepted by you on 10 December, 1944.

3. Since the records at Headquarters show that Orsburne did not report on board the LT-20 until 14 February, 1945, he could not have possibly signed the voluntary extension on 9 December, 1944. Therefore, the Voluntary Agreement to Extend Enlistment must have been made retroactive. Such action is illegal.

4. As stated in paragraph 4(c) of Personnel Bulletin No. 103-44, a voluntary extension executed subsequent to the expiration of enlistment becomes effective on the date of acceptance by the Commanding Officer.

1. Three-year enlistment in Regular Establishment of the Coast Guard of subject man expired 9 December, 1944. In this case he has the option of being discharged and reenlisted in the Regular Establishment for FOUR or SIX years or he may voluntarily agree to extend his present enlistment for either a period of THREE or FOUR years. In both cases he will be entitled to the same allowances, and in view of the fact that Headquarters' policy for the duration is to curtail paper work where possible, it is suggested that ORSBURNE voluntarily extend his enlistment for four or three years.

2. In case of voluntary extension, man will fingerprint and sign both copies of 2500-A and forward same to this office, and indicate number of years to be extended.

3. It is also requested that subject man verify certified copy of 2529(Designation of Beneficiaries for Death Gratuity)and advise this detachment office as to its correctness.

1. As a result of an audit of your retired pay account by auditors of the General Accounting Office, Informal Exception No. 3200 has been issued in the sum of $266.50 as follows:

Enlisted man retired 6/1/49 under 20-year law with 25/3/19 years of service plus 10% for good conduct. Pay should be 72½% with over 22 years service.

Present Pay =	72½% of $294.00 =	$213.15
Correct Pay =	72½% of 279.30 =	202.49
	Difference	$ 10.66

Overpaid 10/1/49 - 10/31/51, 25 x $10.66 = $266.50

2. Headquarters has carefully reviewed this exception and finds it correct.

3. Headquarters desires a lump sum payment, but realizes that the above amount represents a considerable sum of money and in the event you are not financially prepared to make a refund of the full amount, a monthly allotment form is inclosed for execution and return to this office. It is suggested that you note on the allotment form in ink, the monthly amount you are able to refund, signing the form prior to return.

Subj: Retired pay: overpayment of

1. As a result of an audit of your retired pay account by auditors of the General Accounting Office, Informal Exception No. 3200 has been issued in the sum of $266.50 as follows:

Enlisted man retired 6/1/49 under 20-year law with 25/3/19 years of service plus 10% for good conduct. Pay should be 72½% with over 22 years service.

Present Pay =	72½% of $294.00 =	$213.15
Correct Pay =	72½% of 279.30 =	202.49
	Difference	$ 10.66

Overpaid 10/1/49 - 10/31/51, 25 x $10.66 = $266.50

2. Headquarters has carefully reviewed this exception and finds it correct.

3. Headquarters desires a lump sum payment, but realizes that the above amount represents a considerable sum of money and in the event you are not financially prepared to make a refund of the full amount, a monthly allotment form is inclosed for execution and return to this office. It is suggested that you note on the allotment form in ink, the monthly amount you are able to refund, signing the form prior to return.

Your letter of 15 July, 1947, in the case of Edgar H. Orsburne (108-209) CMM, USCG, is hereby acknowledged.

Orsburne has been interviewed in the matter and advises that at present he has two wives. His legal wife is Mrs. Lillie Evelyn Orsburne who resides at Route 1, Box 118, Pascagoula, Mississippi. This marriage took place on 17 December, 1931. Orsburne has never applied for a divorce nor has be been notified that she has divorced him. 1. Returned. This office's failure to reply to basic communication sooner is due to subject's hospitalization and his neglect in replying to various letters written him by this office requesting information concerning his marital status. He was finally ordered to this office and interviewed this date.

2. ORSBURNE advises that he has two (2) wives.

(a) Legal wife Lillie Evelyn Orsburne residing at Route 1, Box 118, Pascagoula, Mississippi. That he has never had an allotment in her favor, but has contributed to her support from time to time. That he has never applied for a divorce or has he been notified that she has divorced him. He was married to her on 12-17-31.

(b) Second wife Senna Lena Orsburne residing at 522 Chestnut Street, Berkley, Va.. That he presently does not have an allotment in her favor, but that he did have one for her from 1941 to 1945. That he was married in 1941 (actual date unknown. That he has never attempted to have this marriage annulled.

3. He further states that at the present time he is not living with either wife. He indicated that he was intoxicated when married to Senna Lena Orsburne and as he puts it was "roped in." However, he stated that he lived with her off and on for about two (2) years. He can give no reasonable explanation why he never endeavored to divorce his first wife or why he did not try to have the second marriage annulled

4. This office has received two letters from Mrs. Senna Lena Orsburne's lawyer, copies attached. This lawyer has been advised by letter this date that ORSBURNE's case is being placed in the hands of CG Headquarters. A copy of this letter is inclosed herewith.

5. ORSBURNE states that he has been in and out of the hospital for the past ten (10) years has has just finished 3½ months of outpatient and inpatient treatment at U.S. Marine Hospital, Mobile, Alabama. He has over twenty-three (23) years' CG service.

6. In view of this man's attitude to life in general and apparent state of complete confusion, he was this date sent to the U.S. Marine Hospital, New Orleans, La., for psychiatric observation.

Subj: Retired rate, information concerning

1. Your letter of 5 December, 1949 requests that you be placed on the retired list as a chief petty officer under the provisions of Title 14, US Code as you held the rating of CMM(a) while on active duty.

2. The provisions of Title 14 to which you refer are not applicable to you as they are not retroactive and apply only to personnel retired on or after 1 November, 1949, the effective date of the Act. However, Section 511 of the Career Compensation Act, effective 1 October, 1949, provides that personnel heretofore retired for reasons other than physical disability shall be entitled to receive retired pay **** in the amount whichever is greater, computed by one of the following methods: (a) The monthly retired pay **** in the amount authorized **** on the day immediately preceding the date of enactment of this Act, or (b) monthly retired pay **** equal to 2½ per centum of the monthly basic pay of the highest federally recognized rank, grade or rating, **** satisfactorily held, by such member ****, as determined by the Secretary concerned and which such member **** would be entitled to receive if serving on active duty in such rank, grade or rating, multiplied by the number of years of active service creditable to him ****. Under the provisions of this section it is possible that you may be entitled to increased retired pay, but before any increase to which you may be entitled may be placed in effect it is necessary that a determination be made by the Secretary that your service in the highest rating held was satisfactory. There are a number of other men in the same category and a board will be held in the near future for the purpose of reviewing the records of all personnel concerned and making suitable recommendations to the Secretary.

3. You will be notified further when action is completed and a determination is made as to the status in which you will be carried on the retired list.

Dear Sir:

Subj: ORSBURNE, Edgar Hoile (108-029) MM1, USCG (Ret'd)

I was retired from active service in the U. S. Coast Guard 31 May, 1949 from the USCGC HEATHER at Mobile, Alabama after serving twenty-five years.

During a recent fire at my home I lost my Continuous Service Certificate and other papers and would appreciate your mailing me a duplicate at the address given below. I am particularly interested in having a listing of all the vessels, with dates, on which I have served. This information is necessary in order that I may obtain an Engineer's license.

Your prompt attention will be very much appreciated.

Yours very truly,

Your application for retirement has been approved by the Commandant pursuant to the provisions of Section 2 of the Act of May 24, 1939 (53 Stat. 755), and he has fixed 31 May, 1949, as the effective date of your retirement. Therefore, effective 31 May, 1949, you are detached from all duties previously assigned you. On 1 June, 1949, you will be placed on the inactive retired list of the Coast Guard.

2. Prior to actual detachment, you will be informed of your rights and benefits as a veteran and, upon detachment, issued Form NAVCG-553, Notice of Separation from the U.S. Naval Service - Coast Guard, in accordance with current directives.

3. Travel expenses incident to the execution of this order are chargeable to Headquarters' travel allotment, No. 051-20, under the authorization number indicated above.

Once you notify the Commandant of your arrival at your permanent home, action is final and no further designation may be made.

5. The officer having custody of your pay record is hereby directed to forward it unclosed to the Commandant (FA-P) immediately after your detachment. If final credit entries, such as leave rations, unused leave to be settled for on retirement, etc., have not been posted, a Commanding Officer's Pay Record Order, Form NAVCG-510, covering such credits, will be obtained and forwarded. Upon detachment, you will immediately notify the Commandant (FA-P) of your mailing address and you will thereafter notify the Commandant (FA-P) of any change in that address. Your service and health records will be completed and mailed to the Commandant (PE-PR) on the effective date of your retirement.

Headquarters has carefully reviewed the information set forth in Report of Board of Medical Survey, U. S. Marine Hospital, Mobile, Ala., dated 5 May, 1948, with three indorsements thereon and does not concur with the recommendation therein. In the opinion of Headquarters, there is insufficient disability to warrant retirement board proceedings at this time. Accordingly, OSBURNE will be returned to limited duty for a period of three months, at the expiration of which he will be brought before a Board of Medical Survey for revaluation.

27 January, 1948

Mrs. Sena Orsburne
522 Chestnut Street
Norfolk 6, Virginia

Dear Mrs. Orsburne:

Your letter of 6 January, 1948, to Coast Guard Headquarters in reference to Edgar H. Orsburne (108-029) MMlc, is hereby acknowledged.

Orsburne's file at Headquarters shows that he was married on 17 December, 1931, to Lillie E. Orsburne. This marriage was still legally in effect at the time he was apparently married to you in 1941. It therefore appears that your marriage in 1941 was not valid. Orsburne has recently been divorced from his first wife, which fact however has no effect on the validity of your marriage in 1941. In view of these facts, further action on the part of Coast Guard Headquarters toward requiring Orsburne to furnish support in your case is precluded. For your information, however, Orsburne has established an allotment in the amount of $65 per month in your favor, the first payment of which will be made on the last day of January.

In the matter of your nineteen month's back allotment of $37.50 per month for which you make claim, there is no legal basis for such payment in view of your past and present marital status.

Until such time as the legality of your marriage with Orsburne may be established, all further negotiations in the matter of support must be carried on directly with Orsburne himself.

By direction of the Commandant.

Very truly yours,

L. H. MORINE

Existed prior to enlistment/appointment No If "Yes", was condition aggravated by service - - .
Present condition Fit for full duty Probable future duration Indefinite
Recommendation Returned to full duty.

Facts are as follows:

*asocial and immoral trends. (000-x34)
(2) Degenerative joint disease, multiple, cause unknown, osteo-arthritis.(240-912)

This 48 year old U.S.Coast Guardsman was admitted to this hospital on 23 June, 1947 at the request of the Coast Guard for psychiatric survey pending filing of bigamy charges. Psychiatric studies indicate that this patient has marginal personality resources with below normal intelligence. His maladjustment has been principally in terms of his environment during which he has shown inadequate social consciousness.

The patient's personality study suggests no evidence of psychosis; however, according to the patient's statement he was suffering from delirium tremens at the time of his 1941 marriage. No medical verification of this, however, was in hand. It is felt that patient was able to appreciate the nature and quality of his act, and was able to distinguish right from wrong.

An additional finding during his stay in the hospital was a chronic osteo-arthritis of mild degree which plays little or no part in his psychopathic evaluation.

It is the opinion of the Board that patient was mentally competent and responsible for his act when the alleged offense was committed; that he is mentally competent to stand trial; and that disciplinary action is not likely to have a deleterious effect on his mental or physical health.

1. Headquarters has replied to Bernard Glasser, Attorney and Counsellor at Law, 125 W. Berkley Avenue, Norfolk, Virginia, in subject man's case.

2. It is requested that upon completion of the psychiatric examination referred to in reference letter that Headquarters be advised as to the conclusions deduced therefrom. Dear Sir:

Your letter of 15 July, 1947, in the case of Edgar H. Orsburne (108-209) CMM, USCG, is hereby acknowledged.

Orsburne has been interviewed in the matter and advises that at present he has two wives. His legal wife is Mrs. Lillie Evelyn Orsburne who resides at Route 1, Box 118, Pascagoula, Mississippi. This marriage took place on 17 December, 1931. Orsburne has never applied for a divorce nor has be been notified that she has divorced him. This would appear to make Senna Lena Orsburne's marriage to subject man in 1941 invalid and precludes any action on the part of Headquarters towards requiring Orsburne to furnish support for your client.

At the present time Orsburne has been transferred to the U. S. Marine Hospital in New Orleans, Louisiana, for psychiatric observation.

By direction of the Commandant.

Very truly yours,

N. W. SPROW

Subj: ORSBURNE, Edgar H. (108-029) CMM(a); advancement to chief petty officer, (pay grade one)

1. ORSBURNE reported to this office for the purpose of discharge and reenlistment and it has been noted that his present rating is chief machinist's mate (acting) which rating he has held since 16 July, 1943.

2. The marks assigned ORSBURNE in proficiency in rating for the period 31 December, 1943 to 23 December, 1944, were below the minimum requirements as outlined in Personnel Bulletin No. 76-44, and he was not advanced to pay grade one. However, Headquarters was not advised of the reason ORSBURNE did not meet the requirements for pay grade one and authority to extend his probationary period was not requested from Headquarters.

3. Inasmuch as ORSBURNE has served for a period of more than one year with the required marks in proficiency in rating and conduct, as indicated on the inclosure, it is recommended that his advancement to pay grade one be given favorable consideration by Headquarters. It is further requested that Headquarters specify the effective date of such advancement.

Subj: ORSBURNE, Edgar H. (108-029) CMM(a); advancement to chief petty officer, (pay grade one)

1. ORSBURNE reported to this office for the purpose of discharge and reenlistment and it has been noted that his present rating is chief machinist's mate (acting) which rating he has held since 16 July, 1943.

2. The marks assigned ORSBURNE in proficiency in rating for the period 31 December, 1943 to 23 December, 1944, were below the minimum requirements as outlined in Personnel Bulletin No. 76-44, and he was not advanced to pay grade one. However, Headquarters was not advised of the reason ORSBURNE did not meet ths requirements for pay grade one and authority to extend his probationary period was not requested from Headquarters.

3. Inasmuch as ORSBURNE has served for a period of more than one year with the required marks in proficiency in rating and conduct, as indicated on the inclosure, it is recommended that his advancement to pay grade one be given favorable consideration by Headquarters. It is further requested that Headquarters specify the effective date of such advancement.

1. A thorough check of HQ records does not show that subject man was ever actually advanced to CMM, pay grade one. Personnel records show that his rating is CMM(a) and pay records show that he was credited with pay as a CMM(a) through 30 June, 1945. Therefore, unless definite proof to the contrary can be obtained, it appears that he is currently being credited with pay as a CMM, pay grade one, in error.

2. HQ records show that subject man was hospitalized at Naval Base Hospital #115, Navy 3115 from 8 May, 1945 to 23 May, 1945 on which date he was transferred to the USAT DAVID C. SHANKS for transportation to the US. Upon arrival in the US he reported to the U. S. Navy Receiving Hospital, San Francisco and was subsequently transferred to the USNH, Pensacola. The dates of arrival and departure from USN Receiving Hospital, San Francisco are not available. He was attached to USNH, Pensacola, Florida from 19 June, 1945 to 22 August, 1945.

In reply to your memorandum, 13 February, 1946, (PEA-E-1)(CG-73), you are advised that the film records on file in Central Pay Records Section for the period ending 30 June, 1945, show that Orsburne was credited with pay as CMM(a). There are no records of Orsburne's pay accounts on file in this section subsequent to 30 June, 1945. It appears that the rating shown on the referred to Form 540 is in error.

In reference to paragraph 4 of your memo, the film records show that Orsburne was made CMM(a) from MM1c on 16 July, 1943.

To: Commanding Officer, U.S. Army LT-20, Navy 920

Subj: ORSBURNE, Edgar H. (108-029) CMM(a); extension of enlistment

1. The Voluntary Agreement to Extend Enlistment in the case of Orsburne is returned herewith for cancellation.

2. This Agreement is dated 9 December, 1944 and indicates that it was executed on 9 December, 1944 and accepted by you on 10 December, 1944.

3. Since the records at Headquarters show that Orsburne did not report on board the LT-20 until 14 February, 1945, he could not have possibly signed the voluntary extension on 9 December, 1944. Therefore, the Voluntary Agreement to Extend Enlistment must have been made retroactive. Such action is illegal.

4. As stated in paragraph 4(c) of Personnel Bulletin No. 103-44, a voluntary extension executed subsequent to the expiration of enlistment becomes effective on the date of acceptance by the Commanding Officer.

Madam:-

In reply to your letter of the 15th instant re Edgar H. Orsburne, U.S.Coast Guard, you are advised that the present Commander, Division 8, O.S.P.F. was not attached to this unit on November 16th.

Regarding the $15.00 Orsburne was to have sent to his mother, he states that the money was mailed to her in Atlanta but was not delivered due to his mother having moved to some other address and the letter returned to him. He further states that he was compelled to use this money for necessary living expenses for his wife and himself.

The allotment of $10.00 per month which he has voluntarily executed in favor of his mother is a very severe drain on his finances considering the fact that he is a married man. It is regretted that he cannot contribute more than this amount to the support of his mother but this is much more than he can afford from his pay.

Yours truly,

Roger C. Heimer,
Lieut-Comdr. U.S.Coast Guard

1. Until 17 December 1931 I had supported my mother and brother. On this date I was married in Pascagoula, Miss. This is to acknowledge your recent inquiry to the Coast Guard concerning matters of prior service.

Because of the large volume of service records which have accumulated in recent years, we have made arrangements with the General Services Administration, an agency of the U. S. Government, to store them at the Military Personnel Records Center in St. Louis, Missouri. Your inquiry has been forwarded to that facility.

The Coast Guard has authorized the General Services Administration to hold these records in safekeeping and to search them for information in order to answer inquiries such as yours. Therefore, the answer to your inquiry will come from the St. Louis Records Center, and will be official.

If you need more information, it will save you time to write the Records Center direct, at the following address:
