OFFICE OF SUPERINTENDENT, 16TH DISTRICT

March 1, 1922

Commissioner of Lighthouses,
WASHINGTON, D. C.

1. It is requested that the position of Additional Assistant Keeper at Lincoln Rock Fog Signal station, at $720 per annum base pay (bonus recommended), be authorized, effective for a period of five months beginning March 2, 1922. The present Assistant Keeper at that station has tendered his resignation but is entitled to about five months accumulated leave, which he desires to take before his resignation becomes effective. The Additional Keeper of the district is not available for this duty and will not be for some time, and, as this is a two keeper station, it is essential that another keeper be assigned. The base pay of the regular position of Assistant Keeper at the station is $780 per annum, but, as an untrained man is being assigned, it is believed that $720, the lowest rate in the district for assistant keeper, will be sufficient.

2. On account of the acute shortage in the appropriation Salaries Keepers, 1922, it is proposed to leave unfilled till the end of the fiscal year the present vacancy in the position of Second Assistant Keeper, $720 per annum, at Southeast Five Finger Islands, a three keeper station. If further allotment of funds from the appropriation should later become available, recommendation will be made for filling that position also.

3. See herewith nomination for filling the additional position at Lincoln Rock. This is an emergency matter, as a tender is proceeding to the station within the next day or two to make the changes in the keepers. Earlier recommendation could not be submitted owing to lack of a suitable person for nomination to the position.

Commissioner of Lighthouses,
WASHINGTON. D.C.

In connection with Form 73a of this date reporting the anticipated transfer of Mr. Louis Pace from assistant keeper at Lincoln Rock Lightstation to 2nd. assistant keeper at S.E. Five-Finger Islands Lightstation at the same rate of pay, explanation is offered as below :

In reference to my previous letter requesting the authorization of an additional position at Lincoln Rock Lightstation with the intention of leaving the position of 2nd assistant keeper at the last named station vacant until the end of the present fiscal year, funds will become available about June 1st so that the vacancy at S.E.Five-Finger Islands Lightstation may be filled without requesting additional allotment and it is very important that a full complement be provided for the station, as the keeper has been reported in very poor health and probably will be unable to continue on active duty. The return of Mr. Charles P. Mercer from acrued leave makes it possible to fill the extra position without submitting nomination for the appointment of a new man.

The position of additional assistant keeper at Lincoln Rock Lightstation at $720 per annum, base pay, authorized by Department letter of March 17, 1922, will be vacant after the proposed transfer of the incumbent and will not again be filled or required. The position may be cancelled or allowed to ~~last~~ lapse as may be desired by the Bureau.
