Memorandum for Mr. Kerlin

Herewith is a recommendation from the Bureau of Lighthouses for the demotion, for a period of six months, from $1320 to $1260, of Frank Pate, assistant keeper at Makapuu Lightstation, Hawaii, for the reason that he was found asleep on watch on the morning of April 5, as a result of which the radio beacon was five minutes late in going on the air at 5:30 a. m., on that date.

Mr. Pate was employed as a substitute second assistant keeper at Makapuu Lightstation from December 7, 1929, to April 2, 1930, pending establishment of an eligible register. He was probationally appointed keeper at $1200 on April 3, 1930, and resigned August 14, 1931. He again entered on duty at the same station April 1, 1934, and has served continuously since. His record in this office discloses no dereliction of duty other than that which is the subject of the bureau's accompanying recommendation. Mr. Pate admits the charge.

1. Referring to nomination (form 73) dated April 3, 1930, for probationary appointment of Frank Pate as Keeper (Second Assistant), Makapuu Point Light Station:

The station is a three keeper station, with the light and the radiobeacon duties to be performed, and his employment constituted an emergency.

COMMISSIONER OF LIGHTHOUSES:

1. Herewith is form 73a reporting the proposed transfer of Frank Pate, at present Second Assistant Keeper, Makapuu Point, to the position of Skilled Laborer at the Lighthouse Depot, vice Earl C. Roseborough, resigned. Pate will enter on duty at $120.00 per month. No salary range is at hand covering this position, but as E. C. Roseborough was receiving $150.00, it is assumed that with six $60. per annum steps, the minimum of range would be $120.00, at least. (This employee holding the position, being on emergency night call for duty in and about Honolulu Harbor, is required to have a telephone in his home.)

2. The change in status of Mr. Pate will be reported in the report of changes, with the approval of the Secretary of the Board of U. S. Civil Service Examiners for Hawaii, in accordance with Regulation VII of the Civil Service Regulations of the Lighthouse Service.

3. Mr. Pate's resignation is now at hand (copy herewith), but due to his excellent services, it is the Superintendent's desire to retain him in the Lighthouse Service as Skilled Laborer, which is also agreeable to him.

4. Form 73 in the case of William J. Watkins, who has been nominated as Assistant Keeper, Makapuu Point Light Station, is being forwarded through the local Civil Service Secretary. Mr. Watkins will be assigned to duty at Makapuu Point on Aug. 16, 1931, as temporary substitute laborer (Art. 401, 1927 regulations), in event no advice is received prior to that date relative to his appointment by the Department.

5. It is recommended, in view of delays in several appointments now pending, that this office be advised promptly by radio of Department's appointment in this case, so that an extension beyond the 30-day limit from Aug. 15th will not be necessary.

Subject: Frank Pate, Transfer & Demotion.

Enclosure:
(a) Superintendent's letter Apr.8,1935.
(b) 2nd Asst Keeper Pate's letr Apr. 16, 1935.
(c) Superintendent's letter Apr.24,1935.
(d) Forms 73 and Travel Orders of this date (May 25,1935) for Frank Pate and William K. Nihoa.
(e) Letr of May 23, 1935.

1. In conformity with Article 441 of Regulations and for reasons mentioned in charges preferred in letter of April 24, 1935, the transfer and demotion of Frank Pate, 1st Assistant Keeper, Makapuu Pt Lt & Radiobeacon Station, is recommended for June 20, 1935, or effective upon date of notification by the Department.

2. It is proposed to transfer Mr. Pate to the position of First Assistant Keeper, Molokai Light Station, and transfer William K. Nihoa, 1st Assistant Keeper, Molokai Light Station, to the position of First Assistant Keeper, Makapuu Pt Lt & Radiobeacon Station.

3. This is the only transfer the Superintendent can reasonably affect at the present time in the 19th District, due to the probationary appointment of two Second Assistant Keepers at two of the three-keeper stations in the District, and the probationary service of a First Assistant Keeper at a 3-keeper station, occasioned by previous disciplinary action.

4. The nature of the charges against Mr. Pate, as well as his lack of qualifications, preclude his consideration for any other of the district single keeper stations, or for the position of Additional Keeper.

5. Furthermore for the increased efficiency and morale of the operation of the Molokai Light Station, it is recommended that Mr. William K. Nihoa should be transferred and detached from service under the keeper, Fred E. Nihoa, his brother.

6. Authority for allowance of $40.00 to cover transportation of household effects is respectfully requested in each case, due to the fact that the transfer is being made for the best interests of the Government and not by request of the employee concerned.

1. A telegram has been received stating that your resignation has been approved by the Department. No details were mentioned, but it is presumed that the resignation was accepted with prejudice.

2. Please have the keeper radio this office, utilizing minimum night rate if you desire to leave the station on Tuesday morning, Feb. 11th, or if you prefer to await the receipt of Department's letter of notification of acceptance of your resignation before leaving the Service.

F. A. EDGECOMB,

copy for station files.

The Keeper will radio this office, utilizing the minimum number of words possible, furnishing advice requested above. As previously stated, when Mr. Pate leaves the station, you will read the electric meter in his dwelling in his presence, reporting same to this office. You will also see that Mr. Pate returns his commissary card, ~~local~~ instructions, keys and any other Government property now in his possession. It is probable that the additional keeper will be sent to your station, pending the assignment of a new assistant. On his arrival, you will read the electric meter in the dwelling which he occupies, in his presence, and report this reading to this office.

F.A.Edgecomb,
Supt Lighthouses.

NOTE: Chief Clerk: Please arrange for Estrella to leave on Monday, Feb. 10th, for Molokai, for purpose of duty at that station, pending assignment of a new assistant keeper.

1. With further reference to letter of this date covering charges against you, you are advised that your resignation of Dec. 12th cannot be accepted by this office for the following reasons; first, it is considered the time you mention in your letter covering your resignation is not sufficient for this office to take proper action in filling your position due to the isolation of your station, and because of the requirements of presenting same to the Department of Commerce. See in this connection article 28 of Instructions to Employees, 1927. Furthermore, the Bureau of Lighthouses has recently stated that a resignation cannot be accepted without prejudice where there is a cloud on the record, as will be the case in your present situation.

2. You are advised, however, that your letter of ~~recommendation~~ resignation will be submitted to the Department, together with your reply to charges for proper action by the Department.

3. During the interim you are directed to observe care in the conduct of your duties, awaiting Department's action in this matter.

COMMISSIONER OF LIGHTHOUSES:

Subject: Frank Pate, Transfer & Demotion.

Enclosure:
(a) Superintendent's letter Apr.8,1935.
(b) 2nd Asst Keeper Pate's letr Apr. 16, 1935.
(c) Superintendent's letter Apr.24,1935.
(d) Forms 73 and Travel Orders of this date (May 25,1935) for Frank Pate and William K. Nihoa.
(e) Letr of May 23, 1935.

1. In conformity with Article 441 of Regulations and for reasons mentioned in charges preferred in letter of April 24, 1935, the transfer and demotion of Frank Pate, 1st Assistant Keeper, Makapuu Pt Lt & Radiobeacon Station, is recommended for June 20, 1935, or effective upon date of notification by the Department.

2. It is proposed to transfer Mr. Pate to the position of First Assistant Keeper, Molokai Light Station, and transfer William K. Nihoa, 1st Assistant Keeper, Molokai Light Station, to the position of First Assistant Keeper, Makapuu Pt Lt & Radiobeacon Station.

3. This is the only transfer the Superintendent can reasonably affect at the present time in the 19th District, due to the probationary appointment of two Second Assistant Keepers at two of the three-keeper stations in the District, and the probationary service of a First Assistant Keeper at a 3-keeper station, occasioned by previous disciplinary action.

4. The nature of the charges against Mr. Pate, as well as his lack of qualifications, preclude his consideration for any other of the district single keeper stations, or for the position of Additional Keeper.

5. Furthermore for the increased efficienty and morale of the operation of the Molokai Light Station, it is recommended that Mr. William K. Nihoa should be transferred and detached from service under the keeper, Fred E. Nihoa, his brother.

6. Authority for allowance of $40.00 to cover transportation of household effects is respectfully requested in each case, due to the fact that the transfer is being made for the best interests of the Government and not by request of the employee concerned.

In reference to your account with the Blue Cross Animal Hospital in the sum of $5.65, and Dr. Osorio in the sum of $100.00, we would very much appreciate your writing us and telling us when you will be able to make payment on these accounts.

As you are now residing at Makapuu, our collectors are unable to call for your remittances. We would therefore appreciate your coming in to our office on the days you are in town, and making your monthly payments.

Mrs. Pate promised our collector that this would be done, as your voucher would have to be cashed. However several months have now passed since that promise was made, and as yet we have received no remittance.

Kindly come in to our office to make payments, or else mail us a check every month on or before the 10th of the month.

With further reference to your communication of June 7, 1934, relative to indebtedness of Frank Pate, employee of this Service, you are advised that Mr. Pate has written this office under date of June 13, 1934, to the effect that he will pay you $5.00 a month until his total obligation is liquidated. 12 Civil Service District
Honolulu, T. H.

Dear Mr. Heflebower:

Replying to your letter of April 24, 1934, relative to service record of Frank Pate, employee in this District, you are advised that the following are only discrepancies noted in the record as listed by you:

In addition to enlistment shown by you, Mr. Pate's honorable discharge shows that he served a term of enlistment in the 15th Cavalry under serial No. 1142965, as a Private from June 3, 1915 to November 21, 1919.

August 15, 1931 - - Mr. Pate was transferred from the position of Second Assistant Keeper at Makapuu Point Light Station to the position of Skilled Laborer, Honolulu Lighthouse Depot, instead of being promoted as listed by you. In this respect and with reference to the note at the bottom of page one of your letter, you are advised that you were advised of this transfer on Department of Commerce form No. 82 covering month of August, 1931, which stated the effective date of his entrance on duty as August 15, 1931, with the following notation at the bottom of the report "transfer regular-transferred from position of Assistant Keeper, having been qualified after non-competitive examination".

You are advised that a search of the records of this office does not reveal any former Government Service of Mr. Pate's other than military service.

Respectfully,

F. A. Edgecomb,
Superintendent of Lighthouses.

My dear Mr. Edgecomb:

This office has been requested by the central office of the Commission to furnish a complete record of service of Frank Pate, an employee in your District.

The following is a memorandum of his service compiled from data available:

Born Waco, Texas - May 24, 1886.

Enlisted United States Army 11/22/19

Discharged - Fifth Field Bakery Co., Schofield Barracks, T. H., serial No. 1142965 - 12/15/20

December 7, 1929 to April 2, 1930 - Substitute laborer $1200 per annum, 19th Lighthouse District

Entered on register Assistant Keeper February 21, 1930, rating 82.50 pref.

April 3, 1930, Probational appointment 2nd Asst. Keeper, $1200 per annum, 19th Lighthouse District

August 15, 1931, promoted to Skilled Laborer $1,440.

April 1, 1934, rerated to 2nd Asst. Keeper $1,260

Note: It appears he was required to resign on August 14, 1931, in order to accept the new designation, but that change was in fact really a promotion or rerating to a new designation without a break in his service.

Will you please have this checked and returned to this office indicating any corrections and/or additions necessary? Please have

your records searched to see if he has had any service in any other Government department.

A prompt reply would be appreciated.

Very truly yours,

B. Heflebower

3. Mr. Pate's resignation is now at hand (copy herewith), but due to his excellent services, it is the Superintendent's desire to retain him in the Lighthouse Service as Skilled Laborer, which is also agreeable to him.

4. Form 73 in the case of William J. Watkins, who has been nominated as Assistant Keeper, Makapuu Point Light Station, is being forwarded through the local Civil Service Secretary. 5. It is recommended, in view of delays in several appointments now pending, that this office be advised promptly by radio of Department's appointment in this case, so that an extension beyond the 30-day limit from Aug. 15th will not be necessary.
