11/3 Ltr to Cong. Walsh.
Copy to Ed dept.

October 22, 1920.

Subject: Increase in pay, Fred M. Pease. Bu. end. Oct. 8 on letter Cong. Walsh Oct. 5.

1. Returned to the Commissioner.

2. Fred M. Pease is additional keeper in this district at a base pay of $600 per annum and $240 per annum bonus, having quarters for self and family in a dwelling at Mayo Beach reservation. His duties have been the relieving of keepers of one-keeper stations during their annual leave and in cases of sickness, and relief duty at stations with more than one keeper in cases of sickness.

3. From his appointment on May 17, 1919, to date he has been detailed nineteen times on relief duty, such duty covering an aggregate period of nine months and nine days. All but two of these details were to one-keeper stations, and on these two details whatever help he gave at the fog signal was under the direction of a competent keeper attached to the station. The stations in question were Race Point, a three-keeper station, and West Chop, a two-keeper station. It will be seen by this record that Cong. Walsh was misinformed in the statement in the second paragraph of his letter.

4. The pay of this position is that authorized by the Department for an additional keeper and is equal to that paid other keepers for equal service, and to increase this employee's pay and not that of others would establish a precedent and cause dissatisfaction among the other keepers.

5. It may also be stated that this employee's services at the different stations have not been wholly satisfactory.

Commissioner of Lighthouses,
Department of Commerce,
Washington, D.C.

Sir:

I beg to inquire if there is not some way in which the pay of Fred M. Pease of Wellfleet, Mass. who acts as relief keeper in Second District, cannot be increased.

My information is that Mr. Pease has to go to 2, 3 and 4 men stations in case of sickness of any of the crew and that he goes to one man stations on relief. It is necessary for him to be able to handle all kinds of lights and all kind of fog signals and that the average pay for these stations is approximately $100 per month.

I do not know whether the salary of this position is fixed by statute or not, but if it is not would you please consider the question of its being revised.

Yours very truly,

Joseph Walsh

Hon. Joseph Walsh,

Sir:

1. Referring to your letter dated October 5, 1920, in regard to pay of Fred M. Pease, additional keeper at Mayo Beach Light Station, Massachusetts.

2. You are respectfully informed that the matter is under consideration and that you will be further advised in regard thereto at an early date.

Very truly yours,

Commissioner of Lighthouses.

Hon. Joseph Walsh,
Member of Congress,
Room 3--774 Purchase St.,
New Bedford, Mass.

Sir:

1. Referring again to your letter of October 5, 1920, in regard to the pay of Fred M. Pease, additional keeper in the Lighthouse Service.

2. I beg to advise you that Mr. Pease in his position of additional keeper is assigned to various stations as occasion requires, and his rate of pay is that authorized for other similar positions in the district in which he is employed. Owing to the condition of the appropriation the Bureau does not feel justified in increasing the pay of these positions of additional keeper, and does not consider that it would be in the interest of the Service to increase the pay of the position occupied by Mr. Pease and not of the other positions.

Very truly yours,

Commissioner of Lighthouses.
