Dear J. Tucci:

I have received your reply to my request for copies of the official government personnel records for JONES A. PERVIS, who served as lighthouse keeper at the Egmont Key Lighthouse, near Tampa, Florida, from April 18, 1926, to June 30, 1926; at the Alligator Reef Lighthouse, Islmorada, Florida, in 1935; and also at the Ponce de Leon Inlet Lighthouse, near Daytona Beach, Florida, from October 31, 1943, to May 8, 1944.

We do not have his Social Security Number. As he was assigned to be a Principal Keeper of a lighthouse in 1926, we can assume that he was at least 40 years old at this time, which would make his date of birth before 1886. He retired from the Coast Guard in 1944, so we can assume that he was about 65 years of age at that time, making his birth date, perhaps as early as 1879. Thus, if he were alive today, he would be between 117 and 124 years of age. There is no other proof of death available.

I have searched the National Archives and the Library of Congress for records pertaining to him. He is the only person named JONES A. PERVIS to appear on any listings of personnel in both the United States Lighthouse Service and the United States Coast Guard (which succeeded the Lighthouse Service). His name is listed in several Lighthouse Logs (National Archives, Record Group 26), including his own entry in the Alligator Reef Light Station Journal for September 2, 1935, during the great hurricane; in Listings of Watches in the Light and Radio Watch Books, Ponce de Leon Inlet Light Station, 1943-1944, (National Archives, Record Group 26, Coast Guard Personnel 1939-1952); and in Love Dean's book, *Reef Lights, Seaswept Lighthouses of the Florida Keys*, (Historic Key West Preservation Board, 1982). These documents tell us only his name and what happened at the lighthouses. They tell us nothing about the man. The people at both the National Archives and Library of Congress have suggested that I write to you to locate and obtain copies of any further documents and service records which may exist pertaining to Jones A. Pervis. No other information is obtainable outside of your office.

September 2, is the anniversary of the Great Labor Day Hurricane in 1935, the most devastating hurricane ever to hit the Florida Keys. As a newspaper correspondent, I have been asked by the local newspapers to write a story to honor JONES A. PERVIS, Keeper of the Alligator Reef Lighthouse, who manned his post and kept the lighthouse lighted as long as it was physically possible to do so, until all the glass windows in the lantern were blown out and the lens was destroyed. We would like to use this opportunity to honor this man who so heroically tried to keep his lighthouse operational during this tragic time. Time to do this is now becoming very short, and we need your help.

Thus, under the authority of the Freedom of Information Act, I hereby request that you forward to me copies of the public service record and other pertinent documents in your files pertaining to the subject, JONES A. PERVIS, whose Federal service record, as far as we can ascertain by the few surviving documents, was:

Principal Keeper, Egmont Key Lighthouse, Florida, April 18, 1926, to June 30, 1926
Principal Keeper, Alligator Reef Lighthouse, Islmorada, Florida, in 1935
Assistant Keeper, Ponce de Leon Inlet Lighthouse, Daytona Beach, Florida, October 31, 1943, to May 8, 1944.

Thanking you very much for your kind assistance, I remain

Sincerely,
Thomas W. Taylor

Dear Ms Carnes:

My family is seeking copies of the official personnel records for our relative, Mr. Jones A. Pervis, who served as lighthouse keeper at the Egmont Key Lighthouse, near Tampa, Florida, from April 18, 1926, to June 30, 1926; at the Alligator Reef Lighthouse, Islmorada, Florida, in 1935; and also at the Ponce de Leon Inlet Lighthouse, near Daytona Beach, Florida, from October 31, 1943, to May 8, 1944. We have very little information about his lighthouse career and were informed that you could supply us with copies of his official government service record.

Thanking you very much for your kind assistance to us, I remain

Sincerely,

ITEM NO. 23. FIRST ASST. KEEPER FOWEY ROCKS L. H.

6 All necessary scraping, scaling of rust and painting of the structure and the station in general is performed by the keepers. The outside of the station is usually scraped and painted from the top of the dome to the water line and is done in the following manner. A rope sling or or boatswain chair is rigged from the dome and this finished and then a ladder is used to work on the storm panel frames and the outside walls of the watch room. At the completion of this a staging is rigged just under the watch room floor and this floor is scraped and painted as is also the iron work of braces, columns, etc. which are worked down as far as possible. Then the staging is lowered and rigged and another space covered. This staging must be lowered several times to the roof of the dwelling. The roof is then given the necessary attention and then the outside walls of the swelling are painted by means of ladders, after chipping all rust and scaly paint spots. This includes the porch or gallery, and railing around the dwelling. After this the staging is again rigged under the dwelling an the bottom part of the structure to the lower platform and this part is scraped and painted and then the lower part of the structure underthe lower part of the structure under the lower platform to the water line is proceeded with and completed. The inside of the dome, the watch room, the cylinders, stairways, etc. and all painting and scraping necessary is done when necessary. The ironwork must be given close attention for the atmospheric conditions in this vicinity start rust quickly and it must be constantly given attention by scraping and painting.

12% The motor boat which is attached to this station for the use of the keepers is maintained by the keepers insofar as the care and repair is concerned. Once each quarter this boat is hauled out on the lower platform and all necessary repairs made to the underwaterbody, engine, equipment, rigging, etc.

5% There are three keepers at this station. Two are always on duty while the third is on leave of absence. Each man has a week (alternatively) in the kitchen, during which time he must prepare meals, care for the stove, pots, etc. and see that the kitchen is kept clean.

5% Every Saturday the station is given a general cleaning. All floors and woodwork is scrubbed, all brass work is cleaned and polished, all cans, fire extinguishers, etc. are cleaned and polished at the same time.

2% The storm panes around the lens room are wiped every night and washed once a week. The lens is dusted every night and cleaned and polished every quarter. All other glass is wiped thoroughly each week and is washed once each quarter.

10% All minor repairs to broken glasses, water tanks, etc. are made by the keepers. They must also mix paints, make repairs to oil carriers, parts of the lamp equipment, and general repairs to the station.

3% During the absence of the keeper I assign work for the 2nd Asst. Keeper. maintain order, supervise and inspect his work, etc.

5% During the absence of the keeper I keep the journal of the station, which shows record of all articles or supplies expended or received, all mantles broken or expended, etc.

23. TO THE EMPLOYEE: Describe in detail the work you do. Put each distinct duty, task, or process in a separate paragraph. Explain first those that require most of your time. Explain occasional duties last. In the column at the left opposite each paragraph enter the approximate percentage of your time devoted to the work described in that paragraph. DO NOT ATTEMPT TO COMPOSE THIS STATEMENT WITHOUT FOLLOWING THE INSTRUCTIONS OF P. C. B. FORM NO. 15.

Percentage of working time

40% The duties of my position as 1st Asst. Keeper of Fowey Rocks L. H. are as follows: The most important duty is the tending of the light. This light is lighted every day at sundown and usually half an hour before this time the keepers go to the watch room to make ready. The first thing is the preparing of the alcohol torch which is lighted and placed beneath the vaporizer. This is connected to a bunsen tube from which oil pipe extends to the oil tank below. The alcohol torch is left burning between eight and ten minutes or until the vaporizer becomes thoroughly heated. While waiting for the vaporizer to heat up the lens curtains are removed. Then the alcohol torch is swung out and the mantle is swung in its place. Before placing the mantle in position, the oil valve is gradually turned on the mantle thus lighted. By this time the sun is about to set and the clockwork which revolves the lens is wound and the light is ready for operation. The Keeper onethe first watch is on duty from sundown until midnight and in addition to preparing the light his duties are to remain on watch constantly to be ready to meet the overcome any trouble that might arise during the hours of his watch, to wind the clockwork every two hours and to keep a constant watch to see that it functions properly. The man on duty the second watch or from midnight to sunrise must also maintain this constant watchfulness, must also wind the clockwork every two hours, etc. He must also extinguish the light at sunrise, fill the tank and pump the necessary air pressure, sweep the floor of the watch room, clean table lamps and tables and replace the lens curtains. While extinguishing the light and cleaning up, the man who had the first watch is awakened and he prepares breakfast. After this the general routine work of the station is proceeded with.

24. I hereby certify that the foregoing was composed by me after reading P. C. B. Form No. 15, and that it is a true statement of my duties.

(Signed) James A. Parvis.
(Signature of Employee)

This employee is now on leave and it would cause considerable delay to obtain his signature.

25. TO THE PREPARING OFFICER: Write your own description of the employee's work. If in describing the work of the position you would cover the same subject matter and use the same language and expressions, indicate your concurrence in the employee's statement and utilize the rest of the space below by giving further and broader information regarding the position, such as the kind and degree of responsibility involved, the ultimate purpose of the work, its place in your organization, its working conditions, etc. If more space is needed, attach a separate sheet. See instructions in Form No. 16.

I concur in the above. This is an important seacoast light and upon its proper functioning depends the safety of thousands of persons and property valued at thousands of dollars, which pass this section every year. This position is therefore of the greatest importance, and great responsibility is placed upon the Keepers.

26. How long have the employee's duties been substantially as described above? Since July 1, 1925.

27. I hereby certify that to the best of my knowledge and belief the statements made by me on both sides of this sheet are accurate and complete.

September 24, 1928 (Date) — L. K. Plummer (Signature of Preparing Officer) — Chief Clerk. (Title)

28. I hereby certify that I have read all of the foregoing and that, to the best of my knowledge and belief, the statements made on both sides of this sheet are accurate and complete, except as indicated in attached memorandum, marked ---------- In my judgment the compensation of this position should be in a range from $1440.00 to $1740.00

September 24, 1928 (Date) — A. W. Dimmick (Signature of head of field office or station) — Superintendent of Lighthouses. (Title)

29. I hereby certify that I have read all of the foregoing and that, to the best of my knowledge and belief the statements made on both sides of this sheet are accurate and complete, except as indicated in attached memorandum, marked ---------- In my judgment the compensation of this position should be in a range from $1440, to $1740

Dear Sir:

Reference is made to your letter of 24 February 1950 regarding benefits that may be available in the case of Jones A. Pervis, keeper former Lighthouse Service, now United States Coast Guard, Retired, who died on 8 December 1949. In reply you are advised that the only sum due his estate is the final retired pay for the period 1 to 8 December 1949, in the amount of $27.44. The necessary form to make application for this sum was forwarded to Mr. Ralph Pervis, LaBelle, Florida on 14 February 1950.

Inasmuch as the records at Headquarters indicate that Mr. Pervis' entire service was in a civilian capacity, the burial allowance provided by laws which are administered by the Veterans Administration is not available to Mr. Pervis' dependents.

By direction of the Commandant.

My dear Mr. Pervis:

This office has been advised that you have been appointed administrator of the estate of your brother, Jones Allen Pervis, Keeper, former Lighthouse Service, now U. S. Coast Guard, Retired.

At the time of death there was due the estate of your brother final retired pay in the amount of $27.44. The form necessary to effect settlement of this sum is herewith inclosed.

It is requested you execute same and return it to Coast Guard Headquarters in the inclosed pre-addressed envelope, which requires no postage. A copy of the Court Order showing your appointment as administrator of the estate should be attached to Form No. 1055 to substantiate your claim for the final retired pay due.

By direction of the Commandant.

My dear Mrs. Pervis:

Headquarters has been advised of the death of your husband, Jones Allen Pervis, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, on 8 December, 1949. Please accept my sincere sympathy.

At the time of death there was due the estate of your husband final retired pay. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of the final pay are herewith inclosed.

If there will be no legal representative to administer the estate of your husband, the next of kin or the person who paid, or will pay the funeral expenses should execute the inclosed Forms No. 1055, claim for the final pay, in the presence of two witnesses, taking care to answer all questions as checked. If a representative is appointed, a copy of the Court Order showing the appointment should be attached to Forms No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

In the event you have in your possession any uncashed retired pay checks, these should be returned to Coast Guard Headquarters for settlement with your claim for the retired pay due on date of death.

When the inclosed forms have been completed, please return them to Coast Guard Headquarters in the inclosed pre-addressed envelope which requires no postage.

By direction of the Commandant.

RECEIVED APR 30 1948

The Commandant,
United States Coast Guard,
Washington 25, D. C.

Sir:

Transmitted herewith for administrative examination and report is the claim of Jones Allen Pervis, Route 3, Box 540, Miami 38, Florida, for an amount alleged to be due for retirement pay, covering the difference between the amount due based on gross salary, over that paid based on net salary, during the period February 1, 1945 through June 30, 1947, as an employee of the United States Lighthouse Service.

It is requested that this office be furnished a certified copy of the claimant's appointment to service, together with information as to the rate of pay for five years prior to the date of his retirement.

In the event any amount is found to be due the claimant, there should be transmitted a properly approved short form pay roll, showing the gross pay, allowance for quarters, increase of pay, and appropriation chargeable.

The enclosure should be returned with your report.

Respectfully,

P. E. Sours

Chief of Section.

Gentlemen:

Reference is made to file Misc-2935645. Inclosed is a letter of Mr. Jones A. Pervis, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period February 1, 1945 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $874.73 per annum, whereas, for the period February 1, 1945 to June 30, 1947, Mr. Pervis was paid at the rate of $821.64 per annum - an underpayment of $53.09 per year, or $4.42 per month.

Computation of the amount due and appropriations chargeable are as follow:

| | |
|---|---|
| 2051255-Retired Pay, Former Lighthouse Service, Coast Guard, 1945 - | $ 22.10 |
| 2061255-Retired Pay, Former Lighthouse Service, Coast Guard, 1946 - | 53.09 |
| 2071255-Retired Pay, Former Lighthouse Service, Coast Guard, 1947 - | 53.09 |
| Total - - - | $ 128.28 |

For tax withholding purposes, the records of this office show that Mr. Pervis claims three exemptions.

Mr. Pervis' mailing address is General Delivery, Opa Locka, Florida, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

REMARKS: This man has been examined by me on several occasions and I have found that he has a consistent hypotension. Upon questioning a member of his family, I discover that he has often had "fainting spells" which are probably due to his hypotension. I am unable to determine the cause of this low blood pressure at this time.

In as much as he has a history of "fainting spells" and the finding of hypotension together with his poor eye sight, it is my opinion that this man is not fit for duty and should be retired fron the service.

1. The rate of pay, $1620 per annum, plus $240 per annum Quarters, proposed in your Form 2660 dated 1 September, 1943, for the transfer of Mr. Pervis from Alligator Reef Light Station to Ponce de Leon Light Station amounts to a promotion, and is therefore, not in order. The transfer can be made at a cash salary of $1500 per annum plus $240 per annum Quarters, and before transfer is made Mr. Pervis should have the understanding that he is going at that rate of cash pay. Advise ltr whether he is agreeable to this.

2. Your recommendations on Forms 2660 should include the ranges of the positions, as well as the correct name of the stations on the blank provided for "Station".

3. When Mr. Pervis has transferred, report the effective date and Form 2249 will be issued.

1. The rate of pay, $1620 per annum, plus $240 per annum Quarters, proposed in your Form 2660 dated 1 September, 1943, for the transfer of Mr. Pervis from Alligator Reef Light Station to Ponce de Leon Light Station amounts to a promotion, and is therefore, not in order. The transfer can be made at a cash salary of $1500 per annum plus $240 per annum Quarters, and before transfer is made Mr. Pervis should have the understanding that he is going at that rate of cash pay. Advise Headquarters whether he is agreeable to this.

2. Your recommendations on Forms 2660 should include the ranges of the positions, as well as the correct name of the stations on the blank provided for "Station".

3. When Mr. Pervis has transferred, report the effective date and Form 2249 will be issued.

Position No. [redacted]

DEPARTMENT OF COMMERCE

Justification for Filling Vacancy under Authority of
the Act Approved June 30, 1932.

Bureau or Office: Lighthouses, 7th District, Key West, Fla.

Position: Keeper

Compensation: $1620 per annum, range $1620-1980

Location: Alligator Reef Lightstation, Fla.

Appropriation: Salaries, Keepers of Lighthouses

Date of Vacancy: Beginning May 1, 1933

Justification: This vacancy resulted from the retirement of the previous incumbent, who received $1860 per annum.

The complement necessary for the operation of this station is three keepers, and the filling of this vacancy is necessary in order to maintain the complement at a minimum strength. This position requires the performance of duties directly concerned with the maintenance and/or operation of aids to navigation which must be either in actual operation or ready for immediate service at all times. In order that this service may continue without interruption, it is absolutely essential that the position be filled. The nonfilling of the position would interfere with the functioning of the aids and add to the hazards of navigation, thereby producing conditions endangering life and property.

It is proposed to fill this position by promotion of the first assistant keeper at this station with increase in pay from $1560 to $1620. The vacancy of first assistant keeper, range $1440-1800, will be filled by transfer with increase in pay from $1380 to $1440, of a keeper (relief) from the 6th Lighthouse District. The vacancy of keeper (relief), range $1320-1680, will be filled by transfer and demotion from $1680 to $1500 of a keeper now assigned to Sapelo Lightstation, whose position is to be discontinued as part of the program of economy and retrenchment. The net result of these transfers will be a saving in the appropriation of $1920 per annum.

The pay ranges for this lightstation are established in accordance with approved classification of lightstations, and a pay rate not within the authorized range would disrupt the classification system.

In filling this position the need for economy and retrenchment has been given full consideration, and notwithstanding the reduction in available appropriations the position is considered essential to be filled.

Approved: Recommended by:

Secretary of Commerce. W. P. HAMMAN,
(Head of Bureau or Office)
Acting Commissioner of Lighthouses.

Gentlemen:

In view of Comptroller General's Decision of October 23, 1947 (B-70029), I hereby claim the difference due me for retirement pay based on gross salary over that paid me based on net salary from February 1, 1945 through June 30, 1947.

Based on the fact that my annual average salary on which my rate of retirement pay was based was the period from February 1, 1940 through January 31, 1945, the difference in base pay should be as follows: From February 1, 1940 through October 31, 1945, my quarters allowance was $60.00 a year, or $5.00 a month; from November 1, 1943 through January 31, 1945, the date of retirement, I used family quarters for which my allowance was $240.00 a year, or $20.00 a month.

Using the period of time and allowances shown in the paragraph above, it appears that for 3 years and 9 months, or 45 months, at $5.00 a month, it would amount to $225.00 and for 1 year and 3 months, or 15 months, at $20.00 a month, it would amount to $300.00. Adding these two figures together, my average salary would be increased $525.00 for the five years, or an average of $105.00 per year.

Since my period of service was for 20 years, 2 months and 21 days, or 20.225 years, it would seem that my annuity should be allowed in the amount of $874.73 instead of $821.64, or a difference of $53.09 a year.

It seems to me that for the 2 years, 3 months (February 1, 1945 through June 30, 1947) I have been underpaid in the amount of $119.45, for which I respectfully request that you consider this letter my original claim.

Very truly yours,

Jones A. Pervis

Dear Mr. Pervis:

The attached letter is forwarded for your use in filing claim with the General Accounting Office, Washington, for the difference in retired pay due you from your date of Retirement, February 1, 1945 to the end of June, 1947.

As you were advised by Headquarters in letter dated 16 December 1947, (FA-P) CG-75-521, the additional retired pay due you from July 1, 1947 will be computed and paid you by Headquarters. Therefore, the claim should cover the period of your retirement prior to that date. This computation has been made and the letter forwarded for your signature and filing with General Accounting Office, if you so desire.

The envelop should be addressed to: Claims Division, General Accounting Office, Washington 25, D. C.

By direction of the Commander, 7th Coast Guard District.

Very truly yours,

WILLIAM J. BARFIELD

RETIREMENT RECORD CARD—CIVIL SERVICE COMMISSION FORM 2806—FEB. 1931

Address Reply to THE COMMANDANT (FA-P)
Refer to File CG-75-521

UNITED STATES COAST GUARD
WASHINGTON 25, D.C.

16 December, 1947

From: Commandant
To: All Retired Members of the Former Lighthouse Service

Subj: Retired pay; change in method of computation

1. The following information is of interest only to those members of the former Lighthouse Service who were retired under the provisions of the Lighthouse Retirement Act of June 20, 1918, and who were charged for occupancy of government quarters for any period during the final five years of active service.

2. In a decision of 23 October, 1947 (B-70029), the Comptroller General of the United States revised the method of computing retired pay of members of the former Lighthouse Service, retired under the provisions of the Lighthouse Retirement Act of 20 June, 1918, by authorizing retired pay based on the gross salary (net salary plus the amount deducted as a charge for occupancy of government quarters). Prior to that decision, retired pay was required to be based on the net salary (gross salary less charge for occupancy of government quarters).

3. The effect of this decision is to increase the retired pay of those members who were charged for occupancy of government quarters at any time during their final five years' of active service. The amount of the increase will be dependent on the length of time they so occupied and were charged for quarters during the five-year period. The revised computation is effective from date of retirement, subject to law which provides a limitation of the period for which adjustment may be made.

4. The retired pay of those affected by this decision will be adjusted retroactively to 1 July, 1947, or from date of retirement if retired on or after 1 July, 1947, without action on their part. However, where adjustment is due for periods prior to 1 July, 1947 (members retired prior to 1 July, 1947) it will be necessary for each individual concerned to make claim by letter to the Claims Division of the General Accounting Office, over his full signature. The letter should outline briefly the nature and period of the claim. For example: "In view of the Comptroller General's decision of October 23, 1947 (B-70029), I hereby claim the difference due me for retired pay based on gross salary, over that paid me based on net salary, from (date of retirement) through 30 June, 1947".

5. As the law sets a limitation on the period for which adjustment may be made, as stated in paragraph 3, and the period is based on the date on which a claim is actually received by the General Accounting Office, the letter should be forwarded direct to: Claims Division, General Accounting Office, Washington 25, D.C., as soon as practicable.

***Remarks:*** In accordance with the Comptroller General's decision B-70389 dated 10-23-47, which reversed decision A-31284 of 1-20-32, your retirement pay has been recomputed on the basis of the average gross pay (which includes the valuation of quarters for the period occupied) received during the last five years of your active duty. The computation on this basis changes the rate of your retirement pay from $121.64 to $174.73, and this notice is issued in order that you may have accurate information as to the rate of retirement pay which you are entitled to receive.

***Justification:***

1. In accordance with instructions in HQ' dispatch 312050 (March, 1945), Mr. Pervis was granted 9 days advanced sick leave to cover the period from 20 January through 31 January, and a payroll covering the lump-sum payment of 54 days - 4 hours annual leave during period 1 February to 4 hrs 12 April is in process of preparation as advised in DCGO 7ND dispatch 042013 (April 1945).

2. It is requested that due to this lump sum payment Form 2521 submitted under date of 30 September, 1944, be amended to show civilian employment from 10 November, 1924 to 31 January, 1945, in the Lighthouse Service, Seventh Lighthouse District, and that under DCGO 7ND for a total service of 20 years, 2 months, 21 days.

3. It is requested that the statement by fiscal years of basic pay received during last five years of service be amended to cover period 1 February, 1940, to 31 January, 1945. The fiscal year 1941 should show 5/12 of one year and the pay received for this period should be $675.00. The fiscal year 1945 should show 7/12 of one year and the pay received for this period $910.00. The total compensation for last 5 years should be $8125. Annual rate of retirement pay should be $1625 x 20.225 years divided by 40 equal $821.64.

REMARKS: This man has been examined by me on several occasions and I have found that he has a consistent hypotension. Upon questioning a member of his family, I discover that he has often had "fainting spells" which are probably due to his hypotension. I am unable to determine the cause of this low blood pressure at this time.

In as much as he has a history of "fainting spells" and the finding of hypotension together with his poor eye sight, it is my opinion that this man is not fit for duty and should be retired fron the service.

Dear Dr. Ivins:

I am returning to you herewith the three copies of the physical examination for Civilian Keeper Jones A. Pervis.

The office here is afraid that if we send in the report as it is now written, Headquarters will return it for amplification. I have studied this report rather carefully and see some entries which might be interpreted as conflicting. For example, we would not expect a man aged fifty-five to have Arcus Senilis both eyes and yet have normal heart, normal blood vessels and hypotension. Furthermore, you state that this man is in fair health, yet we gain the idea from your report that you believe he is permanently disabled to such an extent that he should be retired. The blood pressure is abnormally low. The cause of this is not mentioned. In view of this, I wish you would re-write or otherwise amplify your report so that any medical officer in Washington reviewing it might reconcile the inconsistent findings and gain a clear impression as to the man's physical capabilities and judge whether or not he should approve retirement.

Respectfully,

/s/ H. E. TRIMBLE, Medical Director, USPHS

Gentlemen:

On or about 6 November, 1943, one lot of personal effects was shipped from Homestead, Florida to Daytona Beach, Florida, and one lot of personal effects from Cross City, Florida to Daytona Beach, Florida a few days later by Railway Express. These shipments were addressed to Mr. Jones A. Pervis, c/o Ponce de Leon Island Light Station, Daytona Beach, Florida, or New Smyrna Beach, Florida.

The charges amounting to about $7.00 for 400 pounds in the first shipment and $2.40 for about 240 in the second shipment were paid by Mr. Pervis upon receipt.

Somehow or other, in correspondence with this office the original receipts for payment of the charges were lost, and it is requested that if at all possible for you to do so, two copies or duplicate receipts be furnished in order that Mr. Pervis will be reimbursed for the cost of moving his family effects, since his transfer was for the convenience of the Government. Your early attention to this matter will be appreciated since this payment is long overdue.

Subj: Mr. J. A. Purvis, Civilian Keeper, Ponce de Leon Inlet Light Station, New Smyrna Beach, Florida

1. In compliance with your Indorsement 2 of our letter dated 10 June, 1944, Subject Mr. J. A. Purvis, Civilian Keeper, Ponce de Leon Inlet Light Station, New Smyrna Beach, Florida the following investigation is hereby submitted.

2. It has been determined that Mr. J. A. Purvis has been with the Lighthouse Service for the past twenty years. He reported to this unit for assignment to duty at the Ponce de Leon Light Station on 30 October, 1943. Galloway, Leonard L. (227-078) C.B.M. (a), Officer in Charge of the Ponce de Leon Light Station, states that subject man is absolutely unreliable in all respects. In view of this the officer in charge does not permit Purvis to stand tower watches, Lighthouse watches, nor any duty requiring any degree of Judgment. At present the duties of Purvis are limited, by the Officer in Charge, to assisting in the galley, standing reservation watches and acting as a general yardman. The Officer in Charge further states that Purvis has no mechanical ability, and no boat ability and because of his lack of interest, his forgetfulness and his argumentative nature he is considered as more of a detriment than an asset to both the station and the service. Other men stationed at the Light Station concur with the Office in Charge, in the opinion that Purvis is very moody and argumentative.

3. Investigation does not reveal any history of Purvis being subject to dizzy spells or syncope while attached to the Ponce de Leon Light House. The Officer in Charge, however, states that he has served with subject man at the Alligator Reef Light Station, in the Florida Keys for a period of approximately 7 years (1932 - 1939) and that he personally witnessed subject man having periodic dizzy spells, in which Purvis would fall to the floor unconscious and when revived would be so weak that he would have to remain in bed for a day or so.

4. It is the opinion of this officer that Mr. J. A. Purvis at his present station is a source of ridicule in that he is considered by all personnel present to be in a stage of "second childhood." It is also felt that he is unable to efficiently carry out the necessary duties at the Ponce de Leon Light House.

Section 9A of Public 252—76th Congress, approved August 2, 1939, otherwise known as the "Hatch Act," provides:

"(1) It shall be unlawful for any person employed in any capacity by any agency of the Federal Government, whose compensation, or any part thereof, is paid from funds authorized or appropriated by any Act of Congress, to have membership in any political party or organization which advocates the overthrow of our constitutional form of government in the United States.

"(2) Any person violating the provisions of this section shall be immediately removed from the position or office held by him, and thereafter no part of the funds appropriated by any Act of Congress for such position or office shall be used to pay the compensation of such person;"

It is provided in various appropriation acts that no part of the funds so appropriated shall be used to pay the salary or wages of any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence, and that an affidavit shall be considered *prima facie* evidence that the person making the affidavit does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence. Such acts provide further that any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts employment, the salary or wages for which are paid from any such appropriation, shall be guilty of a felony and, upon conviction, shall be fined not more than $1,000 or imprisoned for not more than 1 year, or both, and that the above penalty shall be in addition to, and not in substitution for, any other provisions of existing law.

1. In accordance with request in paragraph 6 of HL dated 18 September, 1943 file (PCP) CG 75 the information in the following paragraphs is submitted.

2. No record, except a 3"x5" index card is available in this office showing the range of the positions occupied by Wallace L. Bierer, James O. Duncan and Jones A. Pervis.

(a) In the case of Wallace L. Bierer, the Form 2806 (Retirement Record Card), on file in this office shows that he was transferred to Carysfort Reef Lighthouse at a salary of $1380 per annum plus $60 quarters on April 1, 1939, and promoted to $1440 per annum plus $60 quarters on July 1, 1940.

(b) In the case of James O. Duncan, the Form 2806 (Retirement Record Card), on file in this office shows that he was transferred to American Shoal Lighthouse on January 1, 1939 at a salary of $1440 per annum and promoted on March 1, 1939, July 1, 1940, and April 1, 1942.

(c) In the case of Jones A. Pervis, the Form 2806 (Retirement Record Card), on file in this office shows that he was transferred to Alligator Reef Light Station at $1560 per annum on November 1, 1928, and promoted on July 3,1933 and April 1, 1942.

2. The records of HQ are correct in the case of Light Attendants Charles E. Atwell, and Philip B. Russell.

Subj: List of all civilian positions and incumbents, or vacancies, as of 31 August, 1943, submitted with your letter of 4 September, 1943, file 75 (pdp)

1. The range of the position of Keeper at Carysfort Reef Light Station occupied by W. L. Bierer is shown on subject list as 1380-1740. The records of Headquarters indicate that the proper range is 1440-1800.

2. The range of the position of Keeper at American Shoal Light Station occupied by J. O. Duncan is shown on your list as 1440-1800. The records of Headquarters indicate that the range is 1620-1980.

3. The range of the position of Keeper at Alligator Reef Light Station occupied by J. A. Pervis is shown on your list as 1440-1800. The records of Headquarters indicate that the range is 1620-1980.

4. On your list C. E. Atwell, Light Attendant, is shown as receiving $1740 per annum plus $300 boat allowance. The records of Headquarters indicate that Mr. Atwell's rate of pay is $1740 per annum including $300 boat allowance.

5. P. B. Russel, Light Attendant, is also shown as receiving $1740 per annum plus $300 boat allowance, while Headquarters' records show $1740 per annum including $300. boat allowance. See in this connection paragraph four of Headquarters' letters dated 18 September, 1942, regarding the establishment of various ranges for Light Attendants.

1. The rate of pay, $1620 per annum, plus $240 per annum Quarters, proposed in your Form 2660 dated 1 September, 1943, for the transfer of Mr. Pervis from Alligator Reef Light Station to Ponce de Leon Light Station amounts to a promotion, and is therefore, not in order. The transfer can be made at a cash salary of $1500 per annum plus $240 per annum Quarters, and before transfer is made Mr. Pervis should have the understanding that he is going at that rate of cash pay. Advise Headquarters whether he is agreeable to this.

2. Your recommendations on Forms 2660 should include the ranges of the positions, as well as the correct name of the stations on the blank provided for "Station".

From: Commandant.
To: District Coast Guard Officer, Seventh Naval District, Key West.

Subject: Administrative promotions for certain lighthouse keepers.

1. The Secretary of the Navy, under date of 1 April, 1942, has approved within-grade administrative promotions of the lighthouse keepers listed below under your jurisdiction, effective 1 April, 1942. These promotions are not made under the provisions of Public Law No. 200, approved 1 August, 1941.

2. It will not be necessary to give these employees an official notification of this promotion, but this data should be typed on their Form 2806.

3. In the event that any of the employees named herein have received salary increases subsequent to 1 April, 1942, they are not entitled to and should not receive this promotion. They are, however, entitled to receive this additional compensation from 1 April, 1942 up to and including the day before they received a promotion.

Justification for Filling Vacancy under Authority of the Act approved June 30, 1932.

Bureau of Office: 7th Lighthouse District, Key West, Fla.

Position: Keeper

Compensation: $1620.

Location: Alligator Reef Lighthouse, Fla.

Appropriation: Salaries, Keepers of Lighthouses

Date of Vacancy: May 1, 1933.

Justification: This is an isolated station where it is mandatory that three keepers be stationed to properly maintain and operate this important aid to navigation to prevent not only deterioration of Government property but safeguard hundreds of lives and millions of dollars in ships and cargoes that constantly go up and down the Florida Reefs, the graveyard of a great number of vessels before the present efficient system of aids to navigation. Two keepers are required to be constantly at the station which allows one to be absent for obtaining supplies, mail, etc. and visiting families. The filling of this position is due to the disability retirement of the former keeper. In justification of the above it is certified that it is absolutely necessary to fill this position to adequately provide facilities for the needs of navigation.
