Subject: Request for authorization of additional keeper.

1. Last spring there was a shortage of keepers in this district and C. E. Peterson, Keeper, Cape St. Elias Lighthouse, who was then taking his accumulated leave after three years of continuous duty at Cape St. Elias, was asked whether he would be willing to return to duty and assume charge of Eldred Rock Lighthouse during the absence of the regular keeper on leave, with the understanding that he would be allowed to take his unused leave later. He replied that this arrangement would be satisfactory to him, and he was accordingly placed on duty at Eldred Rock.

2. If Mr. Peterson had remained on leave he would have been entitled to pay as keeper of Cape St. Elias Lightstation until August 23, 1920. It is proposed to allow him this rate of pay until September 1st, on which date Mr. N. C. Monsen, the regular keeper of Eldred Rock, is due to return to duty, and then demote Mr. Peterson to the rate of keeper at Eldred Rock for the period of his accrued leave. This demotion is satisfactory to him. Further assignment of Mr. Peterson after the expiration of his leave will be recommended at the proper time.

3. Eldred Rock being a three keeper station it is necessary to request special authorization for the position of additional keeper.
