Commissioner of Lighthouses:-

There are forwarded herewith letter of July 2, 1917, from the Keeper of Umpqua River Light Station, Oreg., filing charges of insubordination and insolence against 2nd Assistant Keeper Edward Pfaff together with office letter of July 14th and Mr. Pfaff's reply of July 20th.

An investigation of this matter was held at the station on August 8th when the following facts were developed:

The fence which Mr. Pfaff refused to whitewash was the inside of a small portion of the fence inclosing the tower and dwellings and while there is no direct entrance to this portion of the inclosure it cannot be considered as a private pen belonging to the Keeper, and Mr. Pfaff had already whitewashed the outside without protest. There has been bad feeling at this station for some time and I believe that while Mr. Hald keeps an excellent station he is somewhat of a martinet but has asked nothing unreasonable of the 2nd Assistant Keeper Pfaff.

Mr. Pfaff's statement regarding the manner in which the Keeper notified him of the closing of the station to visitors is grossly exaggerated, and I am satisfied that Pfaff questioned the Keeper's authority for the order. That the Keeper did not show him the instructions was perhaps unfortunate but as Mr. Hald explained he did not show his Assistants all instructions received as he considered that his word should be sufficient. That the Keeper probably derived a certain amount of pleasure from transmitting these instructions to Mr. Pfaff is probable, as they prohibited a neighbor with whom the Keeper has had trouble and of whom Mr. Pfaff had made an intimate associate from visiting the station. Mr. Pfaff's use of the word "dis" is purposely inserted as a slur on the Keeper's foreign birth.

Mr. Pfaff had already tendered his resignation before the Keeper's charges were preferred but withdrew it pending an investigation. He has now requested that it be accepted and it is so recommended.

This recommendation is made as it is believed that the Keeper is partly responsible for Mr. Pfaff's attitude.

Report on counter charges against Keeper Hald by Mr. Pfaff is forwarded this date.

Having tolerated Mr. Pfaff's, 2d Asst. insolent conduct towards me about as long as I deem it proper to take it, I respectfully submit, the following Charges, Insubordination and Insolence.

On the 2d inst. I told Mr Pfaff in the Tower and in the presence of the 1st Asst, that in the afternoon I wanted him to whitewash, which fence wasn't finished. Mr. Pfaff flatly refused, and replied that if that wasn't satisfactory, to write the Office. He did not come to work.

On several occasions, while communicating to Mr. Pfaff your official orders to me, he has insolently asked if I had letters to that effect, etc.
It will be of no use to give him any more Orders as he usually does what he pleases.

I respectfully request a speedy Investigation

If it is the duty of 2nd. Asst to do all the dirty work, it is news to me

When orders came here to allow no one on Sta. keeper came over and told me in a loud and insulting tone of voice, that no one, or out-sider would be allowed here in future not even friends or relatives. I did ask to
