Commander, 8th Coast Guard District
New Orleans, La.

10 February 1950
File: pc -75

Mr. Lee Otis Price, Sr.,
618 Grove Street,
Morgan City, Louisiana.

Dear Sir:

In reply to your letter dated February 7, 1950, you are advised that our records show you served as an assistant keeper in the former Lighthouse Service at Timbalier, Ship Shoal, Oyster Bayou and Pointe au Fer Reef Light Stations, from Jan. 1, 1926, to Jan. 25, 1943, when you were separated by voluntary resignation.

As a Lighthouse Keeper you were covered by the provisions of the Lighthouse Retirement Act of June 20, 1918, and no deductions were made from your pay for retirement purposes under that Act. As you contributed nothing toward this retirement fund there is no refund (rebate as you call it) due you. Employees under this Act are eligible for voluntary retirement at age 65 with thirty or more years of active service. By resigning before acquiring an eligible status for retirement you forfeited all rights and benefits connected with the Lighthouse Retirement Act.

You are probably confused with the Civil Service Retirement Act of May 22, 1920, as amended, which is classed as a contributary system because the employees covered by this Act share in the expense of the annuities to which they may become entitled (by deductions from their salary), and they are entitled to a refund if separated before acquiring a retirement status. Lighthouse Keepers, members of crews of vessels, and certain other employees of the former Lighthouse Service were not covered by the provisions of this Act.

By direction of the Commander, 8th Coast Guard District.

Very truly yours,

W. J. BRAUN, JR.,
Chief, Civilian Personnel Section

Dear Sir:

Receipt is acknowledged of your letter of November 11, 1946, making application for reinstatement as a lighthouse keeper for duty at Oyster Bayou Light Station.

You are advised that since the U. S. Coast Guard took over the Lighthouse Service civilians no longer are being employed as lighthouse keepers. As these positions become vacant, they are filled by the military personnel.
