General Accounting Office
Claims Division
Washington 25, D. C.

Gentlemen:

Reference your file Misc-2874158.
Inclosed is a letter of Mr. Thomas D. Quidley, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period February 1, 1942 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Standard Form 50 (9 Part), describing this retirment. This form shows correct computation of retired pay to be $1665.00 per annum, whereas, for the period February 1, 1942 to June 30, 1947, Mr. Quidley was paid at the rate of $1485.00 per annum - an underpayment of $180.00 per year, or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

2021255 - Retired Pay, Former Lighthouse Service, Coast Guard,	1942	$	75.00
2031255 " " " " " " "	1943		180.00
2041255 " " " " " " "	1944		180.00
2051255 " " " " " " "	1945		180.00
2061255 " " " " " " "	1946		180.00
2071255 " " " " " " "	1947		180.00
TOTAL			$975.00

For tax withholding purposes, the records of this office show that Mr. Quidley claims 3 exemptions.

Mr. Quidley's mailing address is Pamlico, North Carolina, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

A. F. MACKAY, LIEUTENANT, USCG

Commandant,
United States Coast Guard,
Washington 25, D. C.

Sir:

Transmitted herewith for administrative examination and report is the claim of T. D. Quidley, Pamlico, North Carolina, for the difference alleged to be due for retired pay based on gross salary, over that paid based on net salary, as an employee of the United States Lighthouse Services, for the period February 1, 1936 through June 30, 1947.

The administrative report should include copies of the appointments during the last 5 years of services rendered on which the retirement pay was based, indicating the effective date of retirement and whether subsistence or quarters were in addition to or deducted from his gross pay. The amount of subsistence or quarters involved should be furnished.

The report should clearly show the amount of retirement pay currently being received and the basis on which it was computed. In the event a supplemental amount is due, the amount which should be paid and the basis on which it should be computed should be furnished, indicating the period over which an adjustment is due.

If any amount is found due for the period claimed, a short form pay roll should also be furnished indicating thereon the appropriation, symbol and account number chargeable.

The enclosure should be returned with your report.

Respectfully,

P. E. Sours

Chief of Section

Dear Mr. Quidley:

My attention has been called to the fact that you are retiring from the Coast Guard at the close of January 31, 1942, after rendering more than thirty-eight years of honorable service in the former Lighthouse Service and the Coast Guard.

While I regret to note that your retirement is on account of disability, I wish to express to you at this time the Department's sincere appreciation of your long service, and also the hope that your relief from active duty will result in an immediate improvement in your health.

Very truly yours,

To: Commandant.

Subject: Proposed disability retirement of Thomas D. Quidley, Keeper, Hobucken L. S., Mesic, N. C.

Reference: (a) Headquarters circular letter 9 July, 1940 (CP-75).

1. This office is in receipt of a Form 2523 on which a Medical Officer of the U. S. has stated that Thomas D. Quidley, Keeper, Hobucken L. S. has been found disabled for useful and efficient service by reason of the disability above described (on form 2523) which is not due to vicious habits, intemperance, or willful misconduct on his part. This form is dated June 21, 1941, but not received in this office until June 24, 1941. On June 25, 1941, Quidley was advised by this office to assume a leave status beginning June 27, 1941, and that he would be informed later as to the approved date of his retirement.

2. Quidley has to his credit as of June 27, 1941, 82 1/2 days sick leave (75 accrued to Jan. 1, 1941, and 7½ accrued from January 1 1941 to June 1941) and in addition thereto he has 68 1/2 days annual leave accrued balance). Taking his annual leave from June 27, 1941, his accrued annual leave would terminate close of Sept. 24, 1941; then giving him accrued sick leave to his credit as of June 27, would run from Sept. 25, 1941, to January 16, 1942; in other words, he would not be retired before close of January 31, 1942, having been in a full pay status for almost 7 months.

3. This office has no relief who can be detailed to duty vice Quidley and his position cannot be filled until vacant by retirement, or otherwise vacant. Quidley has had more than 37 years continuous service.

4. Please advise what date should be shown on the Form 2521 for the retirement of Quidley. It is recommended that he be retired at the close of his accrued annual leave and whatever sick leave is necessary to retire him at close of Sept. 30, 1941.

Hon. Graham A. Barden,
Member of Congress,
New Bern, N. C.

Dear Mr. Barden:

With reference to your letter of September 19 in the interest of Mr. Dallas Quidley, son of Keeper Thomas Quidley of Hobucken Lightstation, North Carolina, who is desirous of securing employment in this Service:

Most of the permanent positions in the Lighthouse Service are under the competitive civil service system and applicants are required to pass an examination conducted by the Civil Service Commission before they are eligible for appointment. However, the Bureau is pleased to bring your indorsement of Mr. Quidley to the attention of its Superintendents at Norfolk, Virginia, and Charleston, South Carolina, whose districts include the North Carolina coast, and it is suggested that he write these officers, giving details as to his experience and the character of work he is qualified to perform.

Very truly yours,

HM-EK

Acting Commissioner of Lighthouses.

My dear Mr. King:

Mr. Dallas Quidley a son of Capt. Tom Quidley, of Hobucken, North Carolina, is very desirous of securing a position anywhere on the North Carolina Coast in the Lighthouse service. Capt. Tom Quidley is one of my closest personal friends and is a gentleman of the highest standing in this whole section, and I would take delight in doing him or his family any possible favor. His son, Dallas Quidley, is a young man of excellent character and has had considerable experience in assisting his father inlighthouse work.

I will certainly appreciate anything that you can do for Mr. Quidley.

Yours very truly,

Graham A. Barden.

Percentage of working time

Visit coal oil lights once a week, distance 20 miles one way, ten miles of it rough water, visit oftener if necessary, should a light blow out or smoke up, which is often the case. I stand in readiness to visit said lights at any time, time required to make the round about six hours in good weather, more if the weather is bad. Have five coal oil lights.

Have 8 gas lights, visit them once per month, and oftener if necessary, distance about 30 miles one way, usually takes ten to twelve hours good weather, and longer if the weather bad. Usually see the lights between regular visits once a month, and stand in readiness to visit them at any time.

Have one light house, visit two to four times per month, distance five miles one way, usually takes an hour and a half.

I have one assistant to assist me in all the work.

15% Paint all light structures and light house once a year, and the boat two and three times a year. Paint also oil storage tanks.

25% Keep all the coal oil lights clean and lighted; all gas lights cleaned and lighted and recharged with gas when necessary. See that light at the light house is kept clean and lighted and recharged. Keep boat clean and motor in good order.

10% Make monthly reports. Make annual report, and annual requisitions.

24. I hereby certify that the foregoing was composed by me after reading P. C. B. Form No. 15, and that it is a true statement of my duties.

Sir;

I Respectfully report that on the 6th inst-at 5 oclock P.M, I spyed the gass fish boat Elizabeth, owned by the goodwin fish company, a bout two miles SE, the station, with a signal at mast head, I lowered the station motor boat, and went to her, and found that she had rung her shaft off, and finley disabeled, so I saw that the onley thing that I could do, was to take her in towe and bring her to the station, which I did so, she onley had one man on board Capt-Walter Hopkins, I gave him A worm supper and cared for him the over night, on the morning of the 7th the company sent a boat down in serch for her, and seamed to be verry glad that I had cared for the Capt-and saved ther boat, I received many thanks,

Subject: Shore liberty, T.D.Quidley.

Reference: Forms 65 for Neuse River L.S., N.C., 1917.

The records of this Office show that during the calendar year 1917 Mr. Thomas D. Quidley, keeper, Neuse River Light Station, etc., N.C., was absent from station a total of 95 days 2½ hours against an allowance of 82 days. After deducting from total absence such absences as appear to have been required on purely official business, amounting in all to 9 days and 3 hours, there still appears an excess of absence of 3 days and 23½ hours. This matter was referred to Mr. Quidley, who, under date of January 28, 1918, states that such excess is really chargeable to official business owing to conditions at the station. I concur in this opinion and recommend that no deduction be made from Mr. Quidley's salary, on account of the very feeble assistant keeper attached to this station, Mr. John T. Shipp, and the necessity of a substitute for Mr. Shipp entailing duties on Mr. Quidley he would otherwise not have had to perform in the way of obtaining official mail, etc.

Feb. 6, 1917

Commissioner of Lighthouses, Washington, D.C.

The Bureau is informed that on the evening of Jan. 31, 1917 Mr. Thomas D. Quidley, Keeper, Neuse River L.S. etc., N.C., discovered the Gas Freight boat OLIVE, which plies between Bay River and Newbern, N.C., about two miles southwest of the light station, in distress.

It appears that the OLIVE, which was in command of Capt. J.D. Cahoon, Mesic, N.C. was disabled on account of engine trouble. The keeper found her in a very rough place when he reached the scene in station motor boat. The OLIVE heavily loaded with marl was also in a leaky condition. The keeper took her in tow and carried her to Brand Creek, N.C. to harbor. He was warmly thanked for the assistance rendered, which consumed about 5½ hours at night.

It is recommended that Keeper Thomas D. Quidley be commended in accordance with Bureau Circular Letter No. 19 of Dec. 12, 1914.

Subject: Proposed disability retirement of Thomas D. Quidley, Keeper, Hobucken L. S., Mesic, N. C.

Reference: (a) Headquarters circular letter 9 July, 1940 (CP-75).

1. This office is in receipt of a Form 2523 on which a Medical Officer of the U. S. has stated that Thomas D. Quidley, Keeper, Hobucken L. S. has been found disabled for useful and efficient service by reason of the disability above described (on form 2523) which is not due to vicious habits, intemperance, or willful misconduct on his part. This form is dated June 21, 1941, but not received in this office until June 24, 1941. On June 25, 1941, Quidley was advised by this office to assume a leave status beginning June 27, 1941, and that he would be informed later as to the approved date of his retirement.

2. Quidley has to his credit as of June 27, 1941, 82 1/2 days sick leave (75 accrued to Jan. 1, 1941, and 7½ accrued from January 1 1941 to June 1941) and in addition thereto he has 68 1/2 days annual leave accrued balance). Taking his annual leave from June 27, 1941, his accrued annual leave would terminate close of Sept. 24, 1941; then giving him accrued sick leave to his credit as of June 27, would run from Sept. 25, 1941, to January 16, 1942; in other words, he would not be retired before close of January 31, 1942, having been in a full pay status for almost 7 months.

3. This office has no relief who can be detailed to duty vice Quidley and his position cannot be filled until vacant by retirement, or otherwise vacant. Quidley has had more than 37 years continuous service.

4. Please advise what date should be shown on the Form 2521 for the retirement of Quidley. It is recommended that he be retired at the close of his accrued annual leave and whatever sick leave is necessary to retire him at close of Sept. 30, 1941.

Subject: Retirement on account of disability and date of vacating Coast Guard quarters.

1. In compliance with Headquarters instructions, it has been recommended that your retirement be effective at close of all accrued annual and sick leave which will terminate January 16, 1942. Your retirement, therefore, when approved, will be effective February 1, 1942.

2. You are requested to notify this office in writing as to what date you intend to vacate the Coast Guard quarters. In view of the fact that you have been requested, while in a leave status, to supervise the work of the two laborers at your station, it will be necessary to send a relief to Hobucken L. S. at the time you move from the station, and it is further desired to have this temporary relief report to Hobucken prior to your departure so that you may give him instructions regarding care of lights, etc. He will be responsible for the operation of the station until permanently relieved.

Dear Sir:

I have been informed that the Keeper, of Hobucken Group Lights, is up for retirement. In event of a vacancy at Hobucken Group Lights, I shall be pleased to have you consider me for a transfer to fill the vacancy, providing that my salary is not reduced. My pay is now $155.00, per month.

The reason I am desirous to transfer to Hobucken, N. C. is I long to get back to my native state, in the vicinity of where I was raised if I can't do any better. I have now been on the Chesapeake Bay for the past ten years, located in the roughest water and fiercest tides in the bay, and as I grow older the surging of the waves and rushing of the tides past the station is getting on my nerves as the years go by. I have to keep a supply of nerve tablet on hand at all times, as I have awful nervous spells at times. I am now a half a century old, and I am longing more and more to get back home to spend the rest of my declining years. Each nervous attack now, I find myself longing to get away to a quiet place.

Therefore, I believe that if I could get ashore for awhile, the change would help my nerve system and I would get better. Thanking, you in advance for your valued consideration in this respect. I am

1. Inclosed herewith are two sets of forms which should be executed by Potter and Carawan. Each man will have to submit a physical examination made by a Medical Officer of the U. S. You should direct them to the medical officer who made your physical examination for retirement if he is the closest to Mesic N. C., otherwise any U. S. Medical Officer will be acceptable.

2. If the Medical Officer cannot take a full set of the fingerprints, as required on Form 2390 inclosed, it will be necessary for you to find a near-by postmaster who is qualified to take fingerprints

3. It will be necessary for Carawan and Potter to each execute the form 12¼-b and the three copies of Form 6.

4. This should be done at once. Their pay will be held up pending the receipt and approval of the forms required.

My dear Commander Marion:

A few days ago Captain Tom Quidley, who has been for years Keeper of the Hobucken Light Station at Mesic, North Carolina, called by my office, together with his son, Dallas Quidley, of the Roanoke Marshes Light Station at Wanchese, North Carolina, to discuss with me the possibility of Dallas being transferred to succeed Captain Tom at Hobucken, in the event of Captain Tom's retirement from the service.

I thought it best since they were in Washington to put them in touch with Commander Keelholm and, therefore, arranged an interview with the Commander for these two gentlemen. Commander Keelholm went into the matter thoroughly with them, and I understand that he suggested to them that an application for transfer to the Hobucken Light Station for Dallas should be filed through your office. I understand that, in line with Commander Keelholm's suggestion, Dallas has made such application.

Of course, it is unnecessary for me to call to your attention the excellent service rendered the Department by these two gentlemen. I want to express to you, tho, my very great interest in this application; and, if you should find it possible to give it your stamp of approval, I believe that

Sir:

I respectfully request transfer to the position of Keeper at Hobucken Depot, in the event of a vacancy.

My qualifications for the subject position is based on approximately nine years of service as follows:

About three years as fireman on Tenders and Light Vessels and about two years as seaman on Tender Violet. I was Assistant Keeper at Choptank River Light Station, where we had nine lighted aids and at Cape Charles Light Station, where we had two lighted aids. I have been at this station eighteen months.

Before I came in this service I spent about two years fishing and oystering in Pamlico Sound and its tributarys. This gives me a knowledge of the waters and the location of the aids connected with subject position.

For further information concerning my eligibility for the position in question I refer you to the following men whom I have worked with:

Commanding Officer, Cutter Orchid.
Mr. J. M. Kendley, Corner Lindwood ave. & Dillon Street, Baltimore, Md. (Retired Commanding Officer, Cutter Violet)
Keeper, Cape Henry Light Station.
Keeper, C. & D. Canal Lighted Aids.
Keeper, Cove Point Light Station.
Mr. Homer T. Austin, Manteo, N.C. (Retired Keeper Cape Charles Light Station.)

Any consideration you can give me will be greatly appreciated.

Thomas D. Quidley, Keeper,
Hobucken Light Station,
Mesic, North Carolin a.

1. The Superintendent had occasion to visit your station under date of July 22 in company with the Commissioner of Lighthouses and a Government representative and found that no work was being done, although some of the buoys evidently needed attention, and you came from your house stating that you had been helping the women folks with the washing.

2. It is recalled that on a date during last December this Office attempted for a whole day to locate you by telephone and failed to do so. You are advised that employees of the Lighthouse Service are required by law to be employed for strictly Lighthouse purposes during the usual working portion of the day, and it is the desire of this Office to impress on you that it would dislike to take the necessary action if you are again found either absent from your station or duty or engaged in work other than such as is regular Lighthouse work during those hours of the day when it is anticipated you should be employed on such duties.

3. Hereafter you will submit a letter before leaving on your light attendance trips stating when you anticipate leaving and your anticipated length of time away from station, and you will in addition submit to this Office weekly a detailed report of all work done. You are impressed that this should be in the most minute detail telling how many men were working, how many buoys were cleaned, scraped, or whatever else was accomplished during the day.

N. C. Manyon,
Superintendent of Lighthouses.

1. It is noted in your letter of October 16 that Dr. Nicholson's bill was for treatment for injury received by you in the line of duty.

2. Employees are not entitled to free medical treatment for injuries received in the line of duty, unless they comply with the regulations, which require that a report be made to this Office within forty-eight hours after the injury occurred, report to be made on Form CA-1 and subsequent report on Form CA-2 if medical treatment was received.

3. The files of this Office do not contain such a report from you, and you will, therefore, have to settle Dr. Nicholson's bill yourself.

STATEMENT OF WITNESSES

[The statement of witness should tell just what the witness saw personally, or, if he did not see the injury occur, just what he knows about it and when and by whom the information was given him.]

On Saturday, March 18th, while at the Hobucken Lighthouse Depot, I was standing on the dock talking to Mr. Thomas D. Quidley, who was engaged painting a gas buoy. After finishing my conversation with Mr. Quidley, I turned around and walked toward the Tender, when I heard a cry. On looking around, I saw Mr. Quidley lying between a small buoy and a sinker. I rushed over and assisted him to a more comfortable position. After Mr. Quidley was able to talk, he told me that he had slipped and fell off the buoy. I did not actually witness the accident.

F. J. Pusey,
Master, Tender LINDEN.

Signed this 18 day of March, 1939.

F. J. Pusey
(Signature of witness)

On Saturday, March 18th, at 10:10 o'clock A.M., while supervising the work on the foreward deck of the Linded, I heard an outcry. On looking toward the dock, I noticed Mr. Thomas D. Quidley lying between a small buoy and a sinker with his head on his arm, crying. Mr. Quidley was engaged painting a gas buoy. I rushed over to assist him. After Mr. Quidley was able to talk, he informed me that he had slipped and fell off the buoy, injuring his side and back.
I was not an eyewitness of the accident.

Raymond J. Buchar,
First Officer, Tender LINDEN.

Signed this 18 day of March, 1939.

Raymond J. Buchar
1st Officer, LINDEN.

STATEMENT OF GOVERNMENT MEDICAL OFFICER OR PHYSICIAN WHO FIRST EXAMINED CASE

I CERTIFY that Thomas D. Quidley (Name of employee) was given first-aid treatment, or examined, on March 18, 1939, at 3 P. m., and was (Was or was not) disabled for work. Probable length of disability will be three or four weeks. In my opinion disability was (Was or was not) due to injury on March 18, 1939.

Nature of injury as found on examination Pain, tenderness, limitation of motion, bruises, right chest, posteriorly, 9th & 10th ribs.

Hospitalized No. Will return for further treatment Yes.

Discharged No. Other disposition To remain quiet and rest.

Remarks

Signed this 21st day of March, 1939.

CHIEF CLERK

Fifth District
Hobucken Light Station, Mesio, N.C.
Sept. 23, 1936.

Supt. of Lighthouses,
Norfolk, Va.

Sir:

I respectfully report that on the night of Sept. 17 about seven o'clock, there came fifteen people, men, women, and children from the lower section of Hobucken neighborhood and told me they suffered so bad in storm 33 they thought it best to leave their homes and make safety in time before the storm got too bad. They ask me if I would take them in, which I told them I was only too glad to do, so I gave them a place to sleep overnight and offered them something to eat, which I received many thanks for my courtesy.

Very respectfully,

(sdg) T.D. Quidley,

FWO-JHG

Commissioner of Lighthouses; Sept.22,1928

SUBJECT: Watchmen.
REFERENCE: Bureau endorsement Sept.19,1928.

1. It is recommended that the pay range for the position of Watchman be changed from $1320-$1620 per annum to *$1560-$1860 per annum, and Chief of Watch from $1500-$1800 per annum, to $1680-$1980 per annum.

* See Comm. Recom. Page 2 ($1500 - 1800)

2. It has been found to be practically impossible to obtain suitable, and at times even unsuitable, men for these positions at the authorized rates of pay. When a vacancy occurs it usually remains vacant for an extended period of time while repeated certifications of eligibles are procured and returned to the Civil Service until the list is exhausted or an eligible is reached who will accept the pay offered, and when such a person is reached there is no alternative or choice but to select and nominate him regardless of whether or not he appears suitable for the position. During the past two years positions of Watchmen have remained vacant as shown below due to delay involved in locating a man who would accept the position:-

Feb. 14, 1927	-	June 4,1927
May 16,1927	-	June 2,1927
July 14,1927	-	July 30,1927
July 21,1927	-	Aug. 6,1927
Jan. 21,1928	-	Feb.11,1928
Feb. 21,1928	-	March 21,1928
March 26,1928	-	June 22,1928

3. The lowest paid laborer receives over $1427 per annum. Laborers who have been employed for a year and render satisfactory service receive over $1527 per annum. Helpers receive over $1600 per annum.

4. To render satisfactory and efficient service Watchmen at this Depot must be able-bodied men, in good physical condition, with physique that will enable them to handle situations that necessarily arise in connection with their duties, and with such appearance and degree of intelligence that they can meet and direct persons entering this depot on business in a proper manner, and reflect credit rather than discredit upon the Service. It is quite obvious

CHIEF CLERK
DEPT OF COMMERCE
OCT 17 1928
RECEIVED
DIVISION

that such men cannot be obtained at pay less than that received by ordinary laborers. While these employees carry the title of Watchmen they should not be compared with the many Watchmen commercially employed whose duties are confined to indoors under comfortable conditions where elderly men or men with physical handicaps can satisfactorily meet the demands, as the Watchmen at this Depot perform regular patrol duty throughout the depot and docks (not inside of buildings) and are out of doors the greater part of the time regardless of season or weather.

5. For the reasons stated this office considers that the change in ranges recommended is justified and to the interests of the Government.

J. T. Rayfield

RG:EMF Bureau of Lighthouses, Washington, D. C., October 16, 1928.

Submitted to the Secretary of Commerce with statement that the Bureau concurs in the views of the Superintendent in this matter as expressed in paragraph one, except that the range $1500-$1800 is recommended for watchman, this being the standard range provided in the classification act as amended. In connection with this matter, attention is invited to the fact that heretofore it has been the practice to appoint persons to these positions initially at $1500 per annum. Approval of paragraph one, with this modification, is therefore recommended.

The records of this Office show that during the calendar year 1917 Mr. Thomas D. Quidley, keeper, Neuse River Light Station, etc., N.C., was absent from station a total of 95 days 2½ hours against an allowance of 82 days. After deducting from total absence such absences as appear to have been required on purely official business, amounting in all to 9 days and 3 hours, there still appears an excess of absence of 3 days and 23½ hours. This matter was referred to Mr. Quidley, who, under date of January 28, 1918, states that such excess is really chargeable to official business owing to conditions at the station. I concur in this opinion and recommend that no deduction be made from Mr. Quidley's salary, on account of the very feeble assistant keeper attached to this station, Mr. John T. Shipp, and the necessity of a substitute for Mr. Shipp entailing duties on Mr. Quidley he would otherwise not have had to perform in the way of obtaining official mail, etc.

The Honorable,

The Secretary of Commerce and Labor.

Sir:

Referring to Department letter of 8 April '05, relative to the Board's request for the probationary appointment of Mr. Thomas D. Quidley as Assistant Keeper of the Neuse River, N.C., Light-Station, with pay at the rate of $440 a year, and stating that the pay of the Assistant Keeper of this station was increased to $500 a year by Treasury Department letter of 10 March '03, the Board has the honor to state that this increase was made because it was proposed to place Point of Marsh Beacon Light, N.C., in the care of the keepers at Neuse River, N.C. Light-Station.

It was, however, decided to be necessary to have a Laborer to care for Point of Marsh Beacon Light, and authority therefor was given by Treasury Department letter of 17 April '03, to date from 15 April '03. Another Department letter of the same date cancelled Treasury Department letter of 10 March '03, increasing the pay of the keepers of Neuse River, N.C., Light-Station, so that from 15 April '03, the pay of the Keeper of the station was reduced to $600 and that of the Assistant Keeper to $440 a year.
