You will please accept this letter as my resignation as 2nd assistant of Seguin light station to take place about Mar. 1, 1932.

My health is too poor to do the work on this station and it will probably take me nearly two weeks to pack and get my furniture to the boat house.

1.Herewith in triplicate is voucher of W G Jefferson, M. D., 674 High Street, Bath, Maine, in the total of $21.00, covering emergency medical treatment to Mr. Donald E Robbins, second assistant keeper, Seguin Lighthouse, Maine. Dr. Jefferson's preliminary report on the case, and his certificate as to the necessity for immediate treatment are attached to the original voucher.

2. It was impracticable to use regular Public Health Service facilities in this case, the nearest relief station being at Boothbay Harbor, Maine, resort to which would have required a trip of considerable distance in an open power boat, which Mr. Robbins' condition would not permit. Consequently the Keeper was instructed by telephone to get the nearest private physician who would come off to the station.

3. Mr. Robbins was appointed a keeper on October 17, 1930; was certified eligible to free treatment by the medical officer in charge at the out-patient office of the U. S. Marine Hospital at Portland, Maine, after physical examination on that date; and was in a duty status when taken sick.

Dear Sir:-

Re-GFL:CP, Enclosure.

This statement is in certification of the necessity for calling immediate medical treatment for Donald E. Robbins, Second Keeper at Seguin LH Maine, on January 26th, this year. Mr. Robbins was confined to bed with LaGrippe. The first stage of the complaint had passed. Pains in the temporal region of the head, and a cough were very troublesome, which with bodily weakness and anxiety made medical attention advisable.

It appeared that transfer to the nearest hospital not only would not be necessary but on account of weather conditions would entail risk and hardship.

The probable duration of the illness was judged to be seven to ten days more, with the liklihood that light work might be resumed within that time, using hygienic precautions.

Telephone messages the following day reported improvement.

Respectfully,

1. Your letter of the 25th instant in re illness of Donald E Robbins:

2. There is nothing you need do further in this case except report Mr. Robbins' recovery and return to duty. A notation should also appear on your monthly report showing the duration of his disability for duty.

3. If Mr. Robbins wishes to avail himself "of the benefits of Public Health Service regulations which permit the employment of private physicians, as outlined in paragraph 5 of district circular letter No. 110 of September 13, 1929," he should have Dr. Jefferson submit his bill direct to this office (instead of paying him himself) on the enclosed voucher. "The voucher should be executed in triplicate, but only the original (white copy) should be signed by the doctor, at the place indicated by red-pencil check mark."

4. "The doctor should also append a signed statement, certifying to the necessity for immediate treatment, the probable duration of same, and the practicability of transferring the patient to the nearest hospital of the Public Health Service in case hospital care is indicated. The voucher should be itemized in <u>detail</u>, using continuation sheets attached if necessary."

5. "When Dr. Jefferson shall have executed the voucher, he will return it to you and you will insert on the reverse side of the voucher (in the blank space at the bottom), on all three copies, a <u>dated</u> and <u>signed</u> certification as to the immediate necessity for the medical aid and the non-availability of any regularly established relief facilities of the Public Health Service.

6. The voucher should then be forwarded to me for transmittal to the Public Health Service at Washington for direct payment to ~~Dr.~~ Jefferson.
