entrance on duty.

August 26, 1916.

Lighthouse Inspector, Key West, Fla.

Referring to the oaths of office submitted by William U. Roberts and Holton M. Roberts, as second and first assistant keepers, Dry Tortugas Light station, respectively.

The Bureau notes that each entered on duty on July 1, 1916, whereas they were appointed effective August 2, 1916, or thereafter. The increase in the pay of these keepers was due to the new pay schedule for keepers, but nomination for increase in their pay was not made by you in view of the fact that they were not regarded as worthy of increase in their pay at the time, January 1, 1916, the schedule went into effect. Your nominations, dated July 28, 1916, effective July 1, 1916, reached this office July 31st, and were transmitted to the Department August 2, recommended for approval on the same date, as there was no authority to issue a prior date appointment in these cases. The Department made the appointments effective August 2, 1916, and their increase in pay should date therefrom. The date on the oaths of office has been changed to August 2, 1916. If these keepers have been paid at the increased rate for July and August, proper deduction should be made on the proper payroll of the difference between the old and new rates of pay from July 1 to August 1, 1916, inclusive.
