Supt.,

In regards your letter dated Jan. 15, 1930, stating that you have a claim sent in against me by Daniel Shehan, of Guilford Conn. As far as I know the statement is correct, but in as much as I never rec'd a bill from Mr. Shehan, I have not paid it, had he sent me a statement instead of the Office, he would have rec'd his money just as quickly, I have never yet owed money to any man but what he got it, & I shall make arrangements to call on Mr. Shehan in a few days & pay my bill. However I cannot see in any way how it concerns the Office, since I have severed connections with the Dept. If you have any further business to do with me, kindly do it direct & not through Surveyor, Kpr of Breakwater

Island St. as it is none of his affairs what soever. Perhaps if I had recd the rightful amount of money due me for my service at Falkner Is. St. for month of Dec. I would have stepped in & paid Mr. Shehan then, if not all, in part, I do not think that proper investigation was given my case, to find out if I really made efforts to report to my sta. for duty or not. I was not even given the customary 3 - 48 hr. leave of absence. Nor that was deducted from my pay check. While at that Station I served honorably & efficiently, Perhaps more so than men that I know of who are still retained in your employ.

However I wish to state that I will take care of Mr. Shehan's bill properly—

Sincerely,

Leo R. Roode

You are advised that Mr. Roode has resigned from the position of Assistant Keeper at Falkner Island Light Station to take effect January 15. This matter has been taken up with Mr. Roode, however, and as soon as his reply is received, you will be further advised.

Supt.,

In view of the fact I requested that I might be able to leave my furniture at Falkner Is. St. until it possible to get boat to move same to shore & was refused, I have this day made effort to find someone to move it. There is not a single boat at Guilford or vicinity in water. & I am unable to get boat at Westerly. I cannot see what can be done about it. I am just as anxious to have it ashore as you are to have me. If it must be gotten from there Is. at once & it is possible I would be pleased to have Tender put it ashore any where between New Haven & Watch Hill R.I. As yet my check has not

Supt. of Lighthouses;

In regards to my over leave, I wish to state that I was unable to report for duty because of rough water and ice from the time my leave was up until to-day. I tried every day to report for duty. The man, Mr.Louis Jacobs, whom I had hired to bring me back and forth from the light, refused to take me, the water was good on Saturday last, but the slip was frozen over. We made an attempt to come out and the ice cut his boat so he turned back. Now unless I can be placed on a more desirable station by the 15th of Jan. I request that my resignation take effect on that day, owing to the fact that I cannot get boat to move furniture I can I store it at station until I can get a boat.

In regards to telegram from Westerly, I was staying in Guilford when it was sent, but as I had no more money I telephoned to my wife in Westerly and had her send telegram for me.

Sir.,

Your letter of June 10, 1929. rec'd. stating that I had been selected for the position of Asst. Keeper of Faulkner Is. Lt. Sta.

Last Friday, June 7, 1929. I wired you stating that last Sunday, June 9, 1929. was the only time I could secure a boat to move my personal effects to Faulkners Is. Lt. Sta.,

I had held my self in readiness to accept the position since June 1st. 1929. to Monday, June, 10, 1929, unemployed during that time. Monday I excepted another position, making it necessary for me to decline position at Faulkner Is. Lt. Sta., Death in family June 9. also makes it impossible.

However I wish to be considered in the future for a shore station.

Office of the Superintendent of Lighthouses,
3rd District,
Staten Island, N. Y.

Dear Sir:

Just received the enclosed which I have filled in and mailing back to you via air mail which leaves here for the East at 7 P. M.

The situation is this:
Having been given an opportunity to visit the Pacific Coast with all expenses paid I left Rutherford, New Jersey on May 10, 1929, and arrived here last Saturday May 25th.

Before leaving I instructed my wife to rush any communication received from your office to me here and I would reply direct and request instructions of you.

I want the appointment. My mind is set on the service and the question is will you allow me sufficient time

to return to the 3rd District area in the event that I am selected from among the eligibles for the position of:—

Asst. Keeper of Faulkner Island Light Station, located off shore on Faulkner Island in Guilford Harbor. at $1320.00 per annum.

If upon receipt of this letter and the form enclosed, it is my good fortune to be appointed and you will wire me briefly at the address given at the top of this letter (my expense) I will arrange to start back to the East at once. Limited funds will make it necessary for me to come by the Dollar Steamship Line out of Los Angeles, Cal.

I would appreciate the appointment and give you faithful service to the end.

Awaiting your further instructions and commands, I remain,

Yours respectfully,

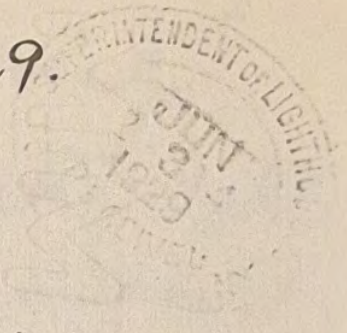

W.m A. Clark.

Supt.,

I regret to state that my family and self are dissatisfied with Gull Rocks Lt. Sta. I was informed I would be able to get my children to school from here, and I find that in winter, it would be absolutely impossible. Now my boy must attend school this term. Can't you place me on the main land as either keeper or asst. keeper? I do not care which, so long as I am on main land and can get boy to school.

If you cannot place me on a shore station I respectfully request that my resignation take effect Sept. 20, 1927. Should it be necessary for my services to be dispensed with, will Tender move my furniture to Long Wharf, Newport. I cannot find one available boat to move me. They are all too busy at this time.

SUBJECT: Position of Keeper of Bristol Ferry Lt.Sta.

1. The present Keeper of Bristol Ferry Light Station has been recommended for transfer to the position of Keeper of Saybrook (Lynde Point) Light Station. As it is contemplated that the light at Bristol Ferry Light Station will, if practicable, be changed during the present year from fixed to flashing and made automatic which will eliminate the necessity of a keeper, it is not contemplated to fill the position at this time in the regular manner by transferring a keeper from some other station, and under the circumstances it is preferable and to the interests of the service that the position be filled by temporary appointment pending the change in the light at this station as referred to above, and there is forwarded herewith copy of Form 78 dated July 27, 1925, recommending the temporary appointment of Leo R. Roode as Keeper of Bristol Ferry Light Station, Rhode Island, for a period not to exceed six months, the original nomination having been forwarded through the District Secretary in the usual manner.

SUBJECT: Transfer.
REFERENCE: Your letter July 14,1927.

1. Your letter dated July 14,1927 has been received and it is noted that you do not care to be transferred to Borden Flats Light Station. In reference to the matter of the position of keeper at Dutch Island Light Station, you are advised that this position, when vacant, will be filled by the transfer of another Keeper who has had over 16 years of service, which is of course a much greater period of service than your own.

2. In this connection it may be stated that you will be retained at Bristol Ferry Light Station for a short period after the light is changed, and in the meantime you will be considered for such vacancies as may occur. Should you not see your way clear to accept any of the vacancies that occur, it would of course be necessary to eventually discontinue your services.

SUBJECT: Position of Keeper of Bristol Ferry Lt.Sta.

1. The present Keeper of Bristol Ferry Light Station has been recommended for transfer to the position of Keeper of Saybrook (Lynde Point) Light Station. As it is contemplated that the light at Bristol Ferry Light Station will, if practicable, be changed during the present year from fixed to flashing and made automatic which will eliminate the necessity of a keeper, it is not contemplated to fill the position at this time in the regular manner by transferring a keeper from some other station, and under the circumstances it is preferable and to the interests of the service that the position be filled by temporary appointment pending the change in the light at this station as referred to above, and there is forwarded herewith copy of Form 73 dated July 27, 1925, recommending the temporary appointment of Leo R. Roode as Keeper of Bristol Ferry Light Station, Rhode Island, for a period not to exceed six months, the original nomination having been forwarded through the District Secretary in the usual manner.

SUBJECT: Position of Keeper of Bristol Ferry Lt.Sta.

1. The present Keeper of Bristol Ferry Light Station has been recommended for transfer to the position of Keeper of Saybrook (Lynde Point) Light Station. As it is contemplated that the light at Bristol Ferry Light Station will, if practicable, be changed during the present year from fixed to flashing and made automatic which will eliminate the necessity of a keeper, it is not contemplated to fill the position at this time in the regular manner by transferring a keeper from some other station, and under the circumstances it is preferable and to the interests of the service that the position be filled by temporary appointment pending the change in the light at this station as referred to above, and there is forwarded herewith copy of Form 78 dated July 27, 1925, recommending the temporary appointment of Leo R. Roode as Keeper of Bristol Ferry Light Station, Rhode Island, for a period not to exceed six months, the original nomination having been forwarded through the District Secretary in the usual manner.
