I have to acknowledge receipt of your letter of the 1st instant, in which it is noted that you have an opportunity to represent a battery fluid in that section.

In this connection you are advised that according to the Regulations keepers are not allowed to interest themselves in any business other than that pertaining to the Lighthouse Service. If you should represent the concern handling this fluid, it would no doubt result in serious criticism from others in that locality and would result in reports, etc., which would not be to your advantage; therefore you should not undertake any outside work on account of conditions above stated.

September 25, 1920.

Superintendent,

First Lighthouse District,

Portland, Maine.

Dear Sir:

I find it necessary at this time to write to you with regard to a transfer to a station with quarters. My reason for asking for this transfer is as follows:

I have a widowed mother to care for, and she is here keeping house for me, as I have a rent ashore. I find it very difficult to get along as I now am, due to the fact that we are so far from town, and I have to go ashore and provide for her in case I should get detained here at the station for several days at a time, due to storms or heavy winds, and I find it very expensive for me to live this way, as I have to provide for both places. It is not altogether the expense I am thinking about, when I ask for a transfer, but my mother, for you know what anybody would do and go through for their mother's comfort.

When I am here at the station it leaves her all alone and among strangers, and it makes it very hard for her, and I can see every time I go ashore that she is failing just from lonesomeness, and I am beginning to realize that if I don't do something very soon, that is to say, get a transfer,

my mother's life will not be spared me. She does not complain much, as she is trying, knowing her circumstances, to bear up for me and to help me as much as she possibly can.

If you find it impossible to transfer me, I will, under the circumstances stated above, have to resign, and I do not want to do that unless it is absolutely necessary for me to do so.

I would like to be considered for Portland Head or Moose-Peak Station, if there is a vacancy at either place, in the very near future. If not, I will accept any that I have on my list, until such time as you can see your way clear to place me at either of the above mentioned stations.

I trust that the above will meetwith your entire satisfaction, and that you will give this matter your most careful consideration.

Thanking you in advance for your kindness in the matter, and trusting that I may hear favorably from you at your earliest convenience, I remain,

Yours respectfully,

Loring W. Myers Keeper. Frank M. Rumery.
