file #1367

Commissioner of Lighthouses:

1. Inclosed herewith is copy of letter, dated December 14, 1931, from L. E. Miller, First Assistant Keeper, Pensacola Lighthouse, Fla., relative to an explosion which occurred at Caucus Cut Range Front Light, December 4, 1931. The Report of Termination of Disability, Form C.A.3, shows that Toney Ryan, Second Assistant Keeper, who was injured, was disabled for only one day. The report of the Medical Officer states the nature of injury "Burn, fire, lids & cornea left eye, and left cheek." There does not seem to be any further action which can be taken in this matter.

Was not received in Appt Div S.

2. It is believed that all keepers exercise due care in handling acetylene generators or acetylene tanks, and it is only recently that these incidents have been happening. There have been no fatalities and, luckily, no serious injuries in this district for a long period of years, although minor accidents have occurred from time to time.

DEPARTMENT OF COMMERCE MAY 8 1924 APPOINTMENT

CHIEF CLERK 1924 MAY 8 PM 2 01

The Commissioner of Lighthouses:

1. Referring to Department appointment dated April 10, 1924, in the case of Tony Ryan, Keeper in the Lighthouse Service at $720 per annum (2nd Assistant Keeper at Chandeleur Light Station, La.)

2. While the effective date on the nomination was set for April 25, 1924, Mr. Ryan was assigned to duty on April 22, 1924, (which is subsequent to the date of the appointment) at the request of the Keeper due to the fact that the First Assistant Keeper at Chandeleur was sick and in need of immediate medical attention. Under date of April 25th a report was received from the Keeper stating that Ryan had suffered an attack of appendicitis on April 24th and had to be carried ashore for medical treatment. The Keeper also states that Ryan suffers these attacks quite often and is not physically fit for the position.

3. Inasmuch as the resignation of H. G. Bodin, 2nd Assistant Keeper, did not become effective until the close of April 24th, 1924, and in view of the isolation of the station, it is recommended that the additional position of Keeper, with pay at the rate of $720 per annum, be authorized for Chandeleur Light Station, La., for the period April 22nd - 24th incl., and that the appointment of Ryan be made applicable thereto.

4. In view of the Keeper's report that Ryan is physically unfit for the position it is recommended that his probationary services be discontinued, without prejudice, at the close of April 24th, 1924.

Auth employment of Ryan for 2 days & request return for cancellation of appt.
