Authority is requested for a temporary additional position of keeper at Cape Spencer Light Station, Alaska at $1800. per annum, Range 1800-2100 for period of nine months, effective November 15th, 1936 or date of entrance on duty of appointee.

There is inclosed herewith nomination dated October 26, 1936 covering transfer of James H. Scriver to the above temporary additional position, if approved.

In letter of August 7, 1936 requesting temporary additional position of second assistant keeper at this station, it was stated that the position was desired in order that accumulated leave might be granted to first assistant keeper Donnelly and Keeper Norgaard in turn. However, Mr. Norgaard desires to take his leave beginning about November first and Mr. Donnelly, now on leave, is not due back until February 15, 1937. When the latter returns to duty, Mr. Menzony, present additional second assistant keeper, will be due to take his accumulated leave, amounting to several months.

In reference to your letter of June 5 forwarding nomination of James H. Scriver for temporary additional 2nd assistant keeper for 12 months at Cape Spencer in order to provide a full complement during the absence on accrued leave of Edward C. Hope:

The District Civil Service Manager forwarded the Bureau a copy of his radiogram to you of June 15 which explained that the Commission had directed him to approve Scriver's selection for probational appointment. The Bureau has amended your nomination to show this, and has submitted it to the Department this date.

With reference to paragraph 2 of your letter wherein it is stated that Hope is the regular 2nd assistant keeper at Cape Spencer, you are advised that according to the records Ed Laschinger is the regular 2nd assistant and Hope occupies a temporary additional position of 2nd assistant, your attention in this connection being invited to your letter of August 8, 1933, and nomination of Hope of the same date. Hope entered on duty in this temporary additional position effective September 15, 1933, and it appears that it will be necessary for your office to make further recommendation in his case before the close of September 14, 1934, when this position will expire. It would be advisable to transfer him to a regular position prior to that date if a vacancy should occur at the station, or elsewhere in the district, and it is requested that your office give consideration to this.

However, Mr. Norgaard desires to take his leave beginning about November first and Mr. Donnelly, now on leave, is not due back until February 15, 1937. Dear Mr. Dibrell:

Your requests of July 5 for extensions of the following temporary appointments are being held at this office pending receipt of original nominations covering these temporary appointments, of which we seem to have no record:

1. Request for extension of temporary employment of James H. Scriver as temporary additional Keeper at Cape Decision Lightstation, Alaska, $1800 per annum, for a period of two months from August 4, 1938.

2. Request for extension of temporary employment of Charles Eltman as temporary additional First Assistant Keeper at Cape St. Elias Lightstation, $1620 per annum, for a period of nine months from August 1, 1938.

In this connection, you are informed that the District office may only authorize extensions under the provisions of Section 4, Civil Service Rule VIII, for periods of not to exceed three months at one time. In case the services of a temporary appointee will be required for a period of in excess of three months, it is necessary that further extensions be requested approximately fifteen days prior to expiration of the period for which temporary appointment was previously authorized.

Very truly yours,

James P. Cooley
