SUBJECT: Michael Sikora, 2nd Assistant Keeper Stratford Shoal Light Station.

REFERENCE: Your letter July 20, 1928.

Sir:

1. This office has received your request of July 20 that Michael Sikora be granted leave of absence for the period from August 10 to 25, 1928, due to the fact that he has been ordered to active duty with the Naval Reserve during the period stated. In view of the nature of your organization you are of course aware of the importance of the maintenance of aids to navigation. Mr. Sikora is employed as 2nd Assistant Keeper at Stratford Shoal Light Station located in Long Island Sound, off Bridgeport, Conn. This is one of the most important Light Stations on Long Island Sound, and there are three keepers employed for the maintenance of same. On account of the nature of the apparatus at this Station, and its location, it is difficult to obtain for temporary duty a man who would be suitable for the performance of the required duties. In view of the conditions as stated, and the fact that to relieve one of the keepers at this Station for a period of 15 days would cause material inconvenience to this Service, this office would appreciate it if you would give the matter further consideration with the view of excusing Mr. Sikora, if it may be properly done, from the order requiring him to report for active duty with the Naval Reserve from August 10 to 25.

2. Your early reply in the matter will be greatly appreciated.
