UNITED STATES COAST GUARD
New Orleans, La.,
4 September, 1942

From: District Coast Guard Officer, Eighth Naval District.

Subject: Joseph P. Simmons, Keeper; change to military status.

Reference: (a) Headquarters' letter dated 27 August, 1942. (CG-CP-75).
(b) Finance Circular No. 44-42, dated 24 March, 1942.

1. In reply to second paragraph of reference (a), it is stated that the military pay of subject employee was computed in accoarance with reference (b).

2. Keeper Simmons, on the day prior to induction in the Coast Guard, was receiving a total compensation of $1620 per annum, or $135.00 per month, with no allowance for quarters and subsistence. He was enlisted in the rating BM, 1c, with pay and allowances at the rate of $184.50 per month. Therefore it is apparent that he suffered no reduction in the total compensation which he was receiving prior to the date of his enlistment; on the contrary, he received an increase of approximately $50.00 per month.

3. Paragraph 2, reference (a), does not appear to be in accord with either Section 7 of the Act of August 5, 1939, or paragraph 5, reference (b). Section 7 of the Act of August 5, 1939, specifically states "suffer any reduction in the total of the annual compensation and allowance", and does not refer to loss of pay.

(b) Your letter dated 10 August, 1942 (73-532).
(c) Headquarters' letter dated 3 August, 1942 (CG-CP-75).

1. It is stated in reference (a) and (c) that Mr. Simmons receives a subsistence allowance of $1.20 and a quarters allowance of $1.15 a day upon his change to a military status and that his base pay is $114 a month. It is understood that converted to a monthly basis the total payments do him would be as follows:

Pay	$114.00
Quarters	34.50
Subsistence	36.00
	$184.50

2. One of the provisions of the Act of August 5, 1939, which provided for the induction of subh employees into the military branch of the Coast Guard was to the effect that the pay received in the former Lighthouse Service would not be reduced. It appears from the foregoing that Mr. Simmons' pay would be reduced from $135 to $114 a month. An explanation of the computation of the pay to comply with the Act above referred to is requested.

In the event of war or National emergency declared by the President to exist during my term of service, I oblige and subject myself to serve until 6 months after the end of the war or National emergency if so required by the Secretary of the Navy unless I voluntarily reenlist or extend my enlistment. I understand that when so detained, I am not entitled to enlistment allowance and that in time of war the addition of one-quarter pay as specified in the Act of July 11, 1941, is not applicable.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and discipline for the government of the Coast Guard as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by proper authorities.
